

jonathan edwards on knowing christ

Jonathan Edwards on Knowing Christ: A Deep Dive into Spiritual Intimacy

jonathan edwards on knowing christ reveals a profound and passionate perspective on the Christian experience that continues to resonate centuries after his time. As one of the most influential Puritan theologians and revivalists of the 18th century, Edwards emphasized the critical importance of truly knowing Christ—not just intellectually, but experientially and relationally. His writings delve into the heart of spiritual union with Jesus, painting a vivid picture of what it means to live a life transformed by the knowledge of Christ.

In this article, we'll explore Jonathan Edwards's views on spiritual knowledge, how this knowledge differs from mere information, and practical insights into cultivating a deeper relationship with Christ. Whether you're familiar with Edwards's legacy or encountering his thoughts for the first time, understanding his approach can enrich your walk of faith.

The Essence of Knowing Christ According to Jonathan Edwards

For Edwards, knowing Christ transcends academic understanding or doctrinal assent. It is an intimate, living experience that touches the soul deeply. He believed that true knowledge of Christ involves a heartfelt union with Him, where the believer's affections, mind, and will are captivated by the beauty and glory of Jesus.

Knowledge as an Experimental Reality

One of Edwards's key contributions to Christian thought is the idea of "experimental knowledge." Unlike mere theoretical knowledge, experimental knowledge is personal and transformative. Edwards argued that to know Christ is to experience His presence and power in the soul. This experiential knowledge moves beyond reading Scripture or hearing sermons; it's about encountering Christ in a way that shifts one's entire being.

He famously wrote about the "joyful sense of divine things," highlighting that knowing Christ brings delight and satisfaction to the heart. For Edwards, spiritual knowledge was not dry or lifeless—it was vibrant and filled with emotional and spiritual vitality.

The Role of Affections in Knowing Christ

Edwards placed significant emphasis on the role of affections in the Christian life. He believed that the heart's desires and loves are central to knowing Christ. This means that a person's love for Jesus is a key indicator of their knowledge of Him. Knowing Christ, in Edwards's view, is inseparable from delighting in Him.

This focus on affections is especially evident in his famous sermon, “Religious Affections,” where he explores how true religion is marked by the presence of genuine spiritual emotions and desires rooted in God’s truth. Knowing Christ, therefore, is not just about mental assent, but about being captivated by His beauty and goodness.

Jonathan Edwards on the Transformative Power of Knowing Christ

One of the most compelling aspects of Edwards’s theology is his conviction that truly knowing Christ changes a person from the inside out. This transformation is both immediate and ongoing, affecting how believers live, think, and relate to others.

Union with Christ as the Foundation for Transformation

Edwards taught that the believer’s union with Christ is the foundation for all spiritual growth and change. This union is not metaphorical but real and mystical, whereby Christ’s life becomes the believer’s life. Through this intimate connection, the believer receives new desires, new affections, and a renewed mind.

This idea challenges Christians to consider whether their knowledge of Christ is merely superficial or rooted in this deep union that Edwards so passionately describes. To know Christ, in his theology, means to be conformed to His image progressively.

Practical Implications of Knowing Christ

Edwards’s teaching also has real-world implications. When someone truly knows Christ, they will naturally display the fruits of the Spirit and live a life marked by holiness, humility, and love. The knowledge of Christ ignites a passion for God’s glory and a commitment to His will.

This transformation impacts everything—from personal habits to relationships to how one handles trials. Edwards encourages believers to seek this deep knowledge as the source of spiritual vitality, rather than relying on external religious activities alone.

How to Cultivate a Deeper Knowledge of Christ: Insights from Jonathan Edwards

While Edwards’s writings are rich and complex, they offer practical guidance for anyone longing to know Christ more intimately. Here are some key takeaways inspired by his teachings:

1. Engage in Serious Meditation and Reflection

Edwards was a master of deep theological reflection, but he also stressed the importance of meditating on the glory and excellencies of Christ. Taking time to reflect deeply on who Jesus is, His work, and His character helps move knowledge from head to heart.

2. Pursue Spiritual Affections

Rather than suppressing emotions or treating faith as purely intellectual, Edwards encourages believers to cultivate genuine spiritual affections. This means asking God to awaken your heart to love and desire Him more profoundly.

3. Depend on the Holy Spirit

Edwards was clear that knowing Christ is impossible without the work of the Holy Spirit. The Spirit opens eyes, softens hearts, and enables believers to experience Christ's presence. Prayer and dependence on the Spirit are essential for growth.

4. Immerse Yourself in Scripture

Scripture is the primary means through which we come to know Christ. Edwards saw the Bible as the revelation of Christ's person and work. By immersing oneself in the Word, the believer encounters Christ repeatedly and is drawn into deeper understanding.

5. Seek Community and Accountability

Knowing Christ is not meant to be a solitary journey. Edwards valued the role of the church and Christian fellowship in nurturing faith. Sharing struggles, insights, and encouragement with others helps maintain an authentic walk with Christ.

The Legacy of Jonathan Edwards on Knowing Christ Today

The relevance of Jonathan Edwards on knowing Christ remains striking even in modern Christian circles. His emphasis on heartfelt, experiential faith challenges many contemporary believers to move beyond surface-level Christianity. His writings call us to a passionate pursuit of Christ that engages the whole person—mind, heart, and soul.

Many revival movements and spiritual awakenings have drawn upon Edwards's work, reminding us that knowing Christ is a dynamic and life-altering reality. His insights offer a counterbalance to dry

intellectualism and highlight the necessity of joy, affection, and transformation in the Christian life.

As modern believers seek to deepen their walk with Jesus, Jonathan Edwards's teachings serve as a powerful invitation: to move beyond knowing about Christ and enter into a living, breathing relationship with Him that changes everything.

Whether you're grappling with doubts, longing for greater spiritual vitality, or simply curious about what it means to know Christ more fully, Edwards's perspective provides a rich and challenging path forward. His legacy is a testament to the enduring power of truly knowing Christ—not as an abstract concept, but as the vibrant center of our lives.

Frequently Asked Questions

Who was Jonathan Edwards and why is he significant in Christian theology?

Jonathan Edwards was an 18th-century American preacher, theologian, and revivalist known for his role in the First Great Awakening and his profound theological writings, particularly on the nature of true Christian faith and the experience of knowing Christ.

What does Jonathan Edwards mean by 'knowing Christ'?

For Jonathan Edwards, 'knowing Christ' goes beyond intellectual assent; it involves a deep, experiential, and transformative relationship with Jesus that affects a believer's heart, affections, and daily life.

How does Jonathan Edwards describe the role of affections in knowing Christ?

Edwards emphasizes that true Christian knowledge of Christ is rooted in the affections—our loves and desires—arguing that the heart's delight in Christ is essential to genuine faith and spiritual life.

What is the connection between Jonathan Edwards' view on knowing Christ and revival movements?

Jonathan Edwards' emphasis on personal experience and heartfelt knowledge of Christ played a vital role in inspiring revival movements, as he encouraged believers to seek a genuine, heartfelt conversion rather than mere outward conformity.

How can modern Christians apply Jonathan Edwards' teachings on knowing Christ today?

Modern Christians can apply Edwards' teachings by pursuing a deeper, affectionate knowledge of Christ through prayer, scripture meditation, and seeking a transformation of the heart rather than just intellectual understanding.

What writings of Jonathan Edwards focus on the theme of knowing Christ?

Jonathan Edwards addresses the theme of knowing Christ in several works, notably in his sermons like 'Religious Affections' and his treatises on true virtue and faith, where he explores the experiential and affective dimensions of Christian knowledge.

Additional Resources

Jonathan Edwards on Knowing Christ: An In-Depth Exploration of Spiritual Intimacy and Theological Insight

jonathan edwards on knowing christ offers a profound window into the rich theological landscape of one of America's most influential Puritan preachers. Edwards' reflections on the nature of truly knowing Christ go beyond mere intellectual assent, emphasizing a deeply experiential and transformative relationship with Jesus that reshapes the believer's entire existence. This article investigates Edwards' perspective on knowing Christ, his theological framework, and the enduring impact of his teachings within the broader Christian tradition.

The Theological Context of Jonathan Edwards on Knowing Christ

Jonathan Edwards (1703-1758) stands as a towering figure in early American religious history, renowned for his role in the First Great Awakening and his theological rigor. His writings often explore the tension between head knowledge and heart knowledge, particularly in the Christian life. When discussing knowing Christ, Edwards does not limit himself to doctrinal correctness or historical facts about Jesus. Instead, his focus is on the experiential knowledge that results in genuine spiritual renewal.

Edwards' concept of knowing Christ is rooted in biblical passages such as Philippians 3:8-10, where Paul expresses that knowing Christ surpasses all worldly gain. For Edwards, this knowing is both a gift from the Holy Spirit and an ongoing process of sanctification, where the believer's affections and understanding are gradually transformed.

Experiential Knowledge vs. Intellectual Assent

One of the key features of Jonathan Edwards on knowing Christ is the distinction he draws between intellectual acknowledgment and heartfelt experience. Edwards critiques a faith that is purely cognitive, warning that it can lead to a superficial or nominal Christianity. He argues that true knowledge of Christ involves a personal encounter that awakens the soul and ignites love and devotion.

This experiential knowledge is characterized by:

- **Union with Christ:** Edwards emphasizes the believer's mystical union with Christ as the foundation of true knowledge. This union is more than symbolic; it is a real spiritual connection that shapes the believer's identity.
- **Transformation of Affections:** Knowing Christ changes what the believer desires and values. It leads to a reordering of loves, where Christ becomes the supreme object of affection.
- **Spiritual Illumination:** The Holy Spirit enlightens the heart, enabling a deeper understanding that surpasses mere intellectual comprehension.

Jonathan Edwards' Key Works on Knowing Christ

Several of Edwards' works provide insight into his understanding of knowing Christ. Among these, "Religious Affections" and his sermons on spiritual revival stand out as foundational texts that explore the nature of true Christian experience.

"Religious Affections" and the Heart of Faith

In "Religious Affections," Edwards investigates what distinguishes authentic religion from hypocrisy or mere emotionalism. He proposes that genuine Christianity is marked by a transformation of the affections—our desires, loves, and passions. Knowing Christ, according to Edwards, is not a matter of outward behavior alone but an internal change that affects the core of a person's being.

This work is particularly relevant because it addresses the question of how believers can discern true knowledge of Christ amid various religious experiences. Edwards offers criteria such as the presence of humility, holiness, and love as evidence that one truly knows Christ.

Sermons on Revival and the Awakening of the Soul

Edwards' role in the First Great Awakening involved preaching sermons that called listeners to a genuine knowledge of Christ that results in repentance and renewal. His famous sermon, "Sinners in the Hands of an Angry God," while often remembered for its vivid imagery, also underscores the necessity of a saving knowledge of Christ that leads to spiritual awakening.

Edwards' sermons consistently challenge audiences to move beyond superficial faith and embrace a revitalized relationship with Christ, one that is marked by conviction, conversion, and ongoing growth.

Features of Jonathan Edwards' Approach to Knowing

Christ

Analyzing Jonathan Edwards on knowing Christ reveals several distinctive features that continue to influence Christian spirituality and theology.

1. Emphasis on the Affections

Unlike some theological traditions that prioritize doctrinal precision or ethical behavior, Edwards places the affections at the center of spiritual life. He argues that true knowledge of Christ is inseparable from the transformation of the heart's desires. This focus highlights a holistic approach to faith that integrates mind, heart, and soul.

2. Integration of Reformed Theology

Edwards' theology is deeply rooted in the Reformed tradition, particularly its doctrines of total depravity, sovereign grace, and justification by faith. His understanding of knowing Christ is embedded within this framework, where salvation is entirely a work of God's grace and human beings respond through faith and love.

3. The Role of the Holy Spirit

Central to Edwards' view is the Holy Spirit's role in enabling believers to know Christ. Spiritual illumination and regeneration are necessary for the heart to grasp the beauty and glory of Jesus. Without the Spirit's intervention, knowledge remains dead and ineffective.

Comparative Perspectives: Jonathan Edwards vs. Contemporary Views on Knowing Christ

When compared to modern evangelical or mainline Protestant approaches, Jonathan Edwards on knowing Christ presents a more robust and nuanced understanding of spiritual intimacy. Contemporary discussions often emphasize personal relationship and emotional connection, yet sometimes lack the theological depth Edwards brings, particularly his insistence on the interplay between affections and intellect.

Conversely, some modern theological critiques might view Edwards' emphasis on affections as potentially subjective, warning against emotionalism or experientialism that neglects doctrinal soundness. However, Edwards himself carefully balanced experiential knowledge with doctrinal fidelity, providing a model that integrates both elements.

Pros and Cons of Edwards' Approach

- **Pros:**

- Provides a holistic view of faith that engages both heart and mind.
- Encourages a deep, transformative relationship with Christ rather than superficial belief.
- Grounded in biblical and theological rigor, avoiding mere emotionalism.

- **Cons:**

- Language and style may be challenging for modern readers unfamiliar with 18th-century Puritan prose.
- Emphasis on affections might be misunderstood or misapplied without careful theological guidance.

The Lasting Impact of Jonathan Edwards on Knowing Christ

Jonathan Edwards' insights into knowing Christ have had a profound influence on evangelical spirituality, revival movements, and Christian theology. His insistence that true knowledge is experiential and transformational challenges believers across generations to examine the authenticity of their faith.

Moreover, Edwards' writings continue to inspire theological reflection on the nature of faith, the role of the Holy Spirit, and the importance of heartfelt devotion. His work serves as a reminder that knowing Christ is not a static achievement but an ongoing journey marked by grace, growth, and spiritual vitality.

In an age where religious experience often competes with secularism and skepticism, Jonathan Edwards on knowing Christ offers a compelling vision of a faith that engages the whole person and invites believers into a living, dynamic relationship with the Savior.

jonathan edwards on knowing christ: Jonathan Edwards on Knowing Christ Jonathan

Edwards, 1990 Jonathan Edwards was thinker, herald, pastor and theologian all in one. This selection of ten of Edwards' sermons provides a fine sample of the God-centredness of his ministry.

jonathan edwards on knowing christ: Jonathan Edwards's Theology: A Reinterpretation Kyle C. Strobel, 2012-11-29 This volume provides an interpretative key to Jonathan Edwards's theology developed from within his own doctrinal constructs. Strobel offers a dogmatic exposition of Edwards's theology by unveiling the trinitarian architecture of his thought. Building upon this analysis, Strobel applies his construct to reinterpret three key areas of redemption debated widely in the secondary literature: spiritual knowledge, regeneration, and religious affection. In order to achieve this purpose, Strobel's approach is theological rather than philosophical, employing Edwards's self-confession as a Reformed theologian to guide his analysis. In advancing a theological reading of Edwards, Strobel focuses on the systematic nature of Edward's theology, ordering it according to his doctrinal affirmations. This necessitates, as many Edwards scholars now affirm, a primary focus on Edwards's trinitarian theology, where the Trinity serves as the key ontological principle which orders the whole of his doctrinal construction. By grounding the interpretive key in Edwards's understanding of the Trinity, Strobel's idiosyncratic exposition of his doctrine of the Trinity serves to recast Edwards's theology in a new light.

jonathan edwards on knowing christ: Fasziniert von Gott C. Samuel Storms, 2012

jonathan edwards on knowing christ: Knowing God as an Evangelical Dan-Adrian Petre, 2023-04-26 In the present polyphony of evangelical theological epistemology, there are several authoritative approaches. Yet, the evangelical emphasis on sola scriptura demands that theological epistemology be subjected to the biblical canon. In this book, Dan-Adrian Petre argues for a canonically-derived theological epistemological framework that may foster a fuller understanding of theological knowledge formation within evangelicalism. Specifically, he explores some representative evangelical voices to identify the reasons for the contemporary epistemological variance. Petre then uses a canonical-epistemological methodology to outline a biblically-based framework. In exploring how the Scripture conceptualizes the formation of theological knowledge, the book uses cognitive linguistics to grasp the conceptual meaning of the theological knowledge formation in the Bible using prototypical case studies. The resulting epistemological implications outline a minimal epistemological model derived from the biblical canon. Using this vantage point, the author assesses the contemporary evangelical epistemological dissonance as a means of indicating a way forward for a canonical-epistemological attunement.

jonathan edwards on knowing christ: Understanding Christian Mission Scott W. Sunquist, 2013-09-15 This comprehensive introduction helps students, pastors, and mission committees understand contemporary Christian mission historically, biblically, and theologically. Scott Sunquist, a respected scholar and teacher of world Christianity, recovers missiologial thinking from the early church for the twenty-first century. He traces the mission of the church throughout history in order to address the global church and offers a constructive theology and practice for missionary work today. Sunquist views spirituality as the foundation for all mission involvement, for mission practice springs from spiritual formation. He highlights the Holy Spirit in the work of mission and emphasizes its trinitarian nature. Sunquist explores mission from a primarily theological-rather than sociological-perspective, showing that the whole of Christian theology depends on and feeds into mission. Throughout the book, he presents Christian mission as our participation in the suffering and glory of Jesus Christ for the redemption of the nations.

jonathan edwards on knowing christ: Jonathan Edwards and the Ministry of the Word Douglas A. Sweeney, 2010-03-23 Jonathan Edwards has been recognized as the most influential evangelical theologian of all time. Before his death at the age of fifty-four, he had sparked a new movement of Reformed evangelicals who played a major role in fueling the rise of modern missions, preaching revivals far and wide, and wielding the cutting edge of American theology. He has never gone out of print, and Christians today continue to flock to seminars and conferences on him. In this biography of the great preacher and teacher, historian Douglas Sweeney locates for us the core and key to Edwards' enduring impact. Sweeney finds that Edwards' profound and meticulous study of the

Bible securely anchored his powerful preaching, his lively theological passions and his discerning pastoral work. Beyond introducing you to Edwards' life and times, this book will provide you with a model of Christian faith, thought and ministry.

jonathan edwards on knowing christ: Biblical Counsel , 1993

jonathan edwards on knowing christ: The Two Wills of God Made Easy C. Matthew McMahon, 2016-09-06 This book is taken from McMahon's larger work: *The Two Wills of God: Does God Really Have Two Wills*, which was a Ph.D. dissertation of over 800 pages. In this newly revised concise form, McMahon has updated and rewritten key parts to this vital work, and removed extraneous portions in order to explain how the student of the bible should understand and hermeneutically study the will of God. What biblical doctrine is more important than knowing what God's will is for our lives? "The secret things belong unto the LORD our God: but those things which are revealed belong unto us and to our children forever, that we may do all the words of this law," (Deut. 29:29). The theological subject of God's will reaches deeply into every theological concept Scripture teaches. If the Christian's doctrine of God is wrong, how can he be sure to have anything else right? This study takes the most relevant and practical view of God's will according to Scripture and deals with questions like: What is God's will in relation to His church? Does God desire the salvation of all men, or some men? If the wicked perish, and God desires their salvation, is God's will frustrated when the sinner goes his own way? Why is God seen as sovereign in one part of Scripture, but seen as "repenting," "sad," and even "changing His mind" in another? Does God change? Does the Bible teach that there is such a thing as "common grace?" Is God really good to all, even the wicked? Does God desire things He does not decree, and decree things He does not desire? As much as these questions are a matter of great theological importance, they are also a matter of responsible hermeneutics. This abridged version gives the Christian the proper hermeneutical tools to define "God's will" and how His will functions in and through redemptive history. It solves critical questions surrounding God's nature, demonstrating that proper biblical interpretation is the key to understanding the will of God. Yet, as difficult as this topic may initially seem, this new version sets out to make studying the will of God easier.

jonathan edwards on knowing christ: At•One•Ment: Growing to Knowing God Jan Ellis, 2014-11-03 So what is AtONement? Simply, it is an ever-growing relationship with God. It is a conscious and intentional decision on our part to pursue knowing the Lord on a truly personal level. This book will help each seeker to daily receive a fresh perspective on how to grow in their walk with the Creator of the universe and the Father of each heart. Using the individual phrases of the Lords Prayer as a guideline for each months focus, the reader will find insight and incentive to: Realize enhanced relationships Recognize new views on forgiveness, prayer, temptations, and love Renew enthusiasm to pursue Gods will with revitalized trust in His provision. Be filled with the Spirits power to meet each day through the well-chosen words from a treasure-trove of wisdom, from ancient times throughout the ages. Start the journey today, growing and knowing God better and better.

jonathan edwards on knowing christ: Christ-Oriented Expository Preaching Kyoochan Lee, 2020-07-24 This book provides an exegetical-theological-rhetorical paradigm, "the Christ-oriented approach" (Lk 24:27, 44), that facilitates accuracy, effectiveness, and practicality in preaching the New Testament use of the Old. In providing a practical expository model, and sermon preparation/evaluation principles, this work moves beyond the level of theory into the realm of praxis, and will thus appeal to practitioners as well as to academics.

jonathan edwards on knowing christ: The Sermons of Jonathan Edwards Jonathan Edwards, 1999-01-01 Way of holiness -- Pleasantness of religion -- Importance and advantage of a thorough knowledge of divine truth -- Sinners in the hands of an angry God -- God glorified in the work of redemption -- Reality of conversion -- To the Mohawks at the treaty, August 16, 1751 -- He that believeth shall be saved -- Divine and supernatural light -- I know my redeemer lives -- Excellency of Christ -- Much in deeds of charity -- Farewell sermon -- Heaven is a world of love.

jonathan edwards on knowing christ: *Prayer, Middle Knowledge, and Divine-Human*

Interaction Kyle D. DiRoberts, 2018-07-27 Christians generally believe that in prayer they are free in their act to petition God. Christians also believe that they pray to a God that is sovereign and omniscient. Kyle DiRoberts maintains that explanation as to how one affirms these two truths is dependent upon one's account of divine providence, which determines how motivated the person is to offer petitionary prayer in the divine-human relationship. The theories of providence and their understanding of petitionary prayer discussed in this book include: compatibilism, hard determinism, open theism, and middle knowledge. Each of the theories of divine providence discussed in this book share a desire to construct a view concerning petitionary prayer that would propel the Christian toward God in relationship and then lead the body of Christ to pray without ceasing. DiRoberts argues that middle knowledge is the preferred theory of providence as it relates to petitionary prayer, because for middle knowledge, God's sovereignty includes both his omniscience and libertarian human freedom.

jonathan edwards on knowing christ: Knowing God J.I. Packer, 2011-10-27 KNOWING GOD is one of the most significant and popular Christian books of our time and has deepened the faith and understanding of millions of people around the world. 'Dr Packer says we're cruel to ourselves if we try to live in his world without knowing about the God whose world it is and who runs it. I'm convinced we're cruel if we deny ourselves the wisdom contained in this Christian classic.' Rico Tice

jonathan edwards on knowing christ: Life in Christ Jeremy Walker, 2013-11-30 "To be a disciple of Jesus Christ is to be in a position of privilege and blessing beyond anything the world might offer," begins author Jeremy Walker. Life in Christ explores the unsearchable riches of the Christian pilgrimage and traces its trajectory, highlighting key elements in the believer's experience. Do you wrestle with assurance? Have you grasped the engagement demanded in Christian living? Do you find the way wearying at times? Do you struggle with your Christian identity? Walker provides instruction for Christians to assess their own standing and progress in the faith—exhorting and equipping and always pointing them ahead to the hope of the glory of Christ. Along the way, he encourages God's people to live a life to the praise of His glory as he examines some of the basic truths that establish and direct a true child of God. Table of Contents: Looking to Jesus United to Christ The Unsearchable Riches of Christ Sons of God The Jewel of Assurance The Marks of God's Children A Work in Progress A Life in Review

jonathan edwards on knowing christ: The Reconciling Wisdom of God Adam J. Johnson, 2016-08-17 In The Reconciling Wisdom of God: Reframing the Doctrine of the Atonement, Adam Johnson, already a leading scholar of the atonement, considers God's redemptive work in Christ through the atonement as an act of God's infinite wisdom. In making this crucial turn, Johnson is able to speak to proponents of the various atonement theories and move the discussion forward in a new direction, grounded in the truth of God's infinite wisdom. Genuinely reframing the debate around the atonement, The Reconciling Wisdom of God is a must-read for students of the atonement.

jonathan edwards on knowing christ: Edwards on God Sebastian Rehnman, 2020-11-29 Jonathan Edwards is generally acknowledged as one of the foremost American philosophers. Edwards on God offers a historically informed philosophical analysis of his arguments for the existence and nature of God. The book begins with a characterization of Edwards's intellectual profile and philosophical theology. It then explicates and evaluates his arguments from the beginning of existence, design, 'being in general', virtue as benevolence, and his account of natural and moral divine attributes. There is no other such treatment of Edwards's metaphysics of divinity. This volume will be primarily relevant to philosophers, historians and theologians.

jonathan edwards on knowing christ: Knowing God Anthony E. Mansueto, Jr, 2018-05-08 This title was first published in 2002. Knowing God presents an innovative analysis of one of the most difficult and intractable philosophical questions of the past 350 years: the problem of knowledge, and specifically knowledge of God and the transcendental principles of value. This book situates the problem within the context of current social and political struggles, as well as within the contemporary search for meaning and value. Mansueto revisits ancient debates regarding the agent intellect, intentional being, and connatural knowledge, while drawing on recent discussions in

neuropsychology (Luria and Damasio), cognitive development theory (Piaget and Luria), and the sociology of knowledge or ideological criticism (especially Durkheim, Lukacs, and Gramsci). Including a chapter on forms of religious knowledge and concluding with a 'guide for the perplexed' intended to help overcome nihilism and despair, *Knowing God* reconciles epistemological and metaphysical realism with a recognition of the role of social structure in shaping knowledge.

jonathan edwards on knowing christ: *Revelation and Reason in Christian Theology* Christopher C. Green, David I. Starling, 2018-07-11 Do revelation and reason contradict? Throughout the church's history Christians have been tempted to make revelation and reason mutually exclusive. But both are essential to a true understanding of the faith. The inaugural Theology Connect conference—held in Sydney in July 2016—was dedicated to surveying the intersection of revelation and reason. In *Revelation and Reason in Christian Theology* Christopher C. Green and David I. Starling draw together the fruit of this conference to provoke sustained, deep reflection on this relationship. The essays—filtered through epistemological, biblical, historical, and dogmatic lenses—critically and constructively contribute to this important and developing aspect of theology. Each essayist approaches revelation and reason according to the psalmist's words: In your light we see light (Ps 36:9). The light of faith does not obscure truth; rather, it enables us to see truth.

jonathan edwards on knowing christ: *Doing Justice: Knowing God, Volume 4* Anthony E. Mansueto, 2011-03-11 *Doing Justice: Knowing God* represents a fundamentally new departure in ethical theory. Drawing on the work of Alasdair MacIntyre, John Milbank, and Franklin Gamwell, it argues that that modern and postmodern moral theory is fundamentally inadequate, and that the current crisis of values can be resolved only on the basis of a substantive vision of the Good. But it goes beyond these thinkers to argue that such a vision must be grounded metaphysically in a revitalized doctrine of Being. The result is a radically historicized natural-law ethics. This ethics argues that not only human individuals but human societies and indeed the universe as a whole grow and develop toward God. The fundamental moral law is to act in such a way as to promote this development. The book draws out the implications of this insight for our understanding of the virtues as well as for social justice.

jonathan edwards on knowing christ: *30 Days to Knowing God Better* Compiled by Barbour Staff, 2013-04-01 God is not only knowable, He wants to be known—and that's the idea behind *30 Days to Knowing God Better*, a brand-new compilation of classic Christian writings. Give this book and your Bible 30 minutes a day for 30 days, and you may find your life changed. . . forever. This book provides insightful writing from some of the best minds of Christian history, lightly updated for ease of reading, explaining the why's and how's of connecting with God. With scripture references for additional reading, questions for further thought, and writing space for recording your own observations, *30 Days to Knowing God Better* is useful for both personal and group study.
