the secret history audiobook donna tartt: *A Cultural History of the Violin in*

Nineteenth-Century London Tom Wilder, 2025-03-18 Examines the violin's evolution as not just instrument but valued objet d'art through the eyes of musicians, collectors, makers, dealers, connoisseurs, journalists, auctioneers and traders. The nineteenth century saw developments in the composition, performance and reception of classical music that led to an unprecedented shift in how the violin was appreciated, from humble craft object to one of art. A utilitarian tool defined in 1800 by its tonal properties became by century's end an expensive objet d'art, classified almost exclusively in terms of physical, visible properties. In London's vibrant musical life, Cremonese violins acquired special significance and in turn helped shape the beliefs, knowledge and behaviour of the disparate actors connected to the instrument: musicians, collectors, makers, dealers, connoisseurs, journalists, auctioneers and traders. By 1880, London had supplanted Paris as the centre of the international violin trade. One firm in particular, W.E. Hill & Sons, emerged as a major presence in both the local musical community and the global violin market. The Hills were makers, restorers, dealers, and connoisseurs. They were also writers, collectors, and melomaniacs deeply implicated in London's instrument auction and exhibition scene. The mutually reinforcing nature of these activities - which they consciously turned to account for commercial reasons - bear witness to events and developments earlier in the century. Their story illuminates this first study of the violin's nineteenth-century journey from simple musical instrument to mystified work of art.

the secret history audiobook donna tartt: Perfume and Pain Anna Dorn, 2024-05-21

"Perceptive and witty—like a Sally Rooney novel set in Southern California." —Star Tribune (Minneapolis) "It's this author's best work yet. A Sapphic roller-coaster ride." —Kirkus Reviews (starred review) A controversial LA author attempts to revive her career and finally find true love in this hilarious nod to 1950s lesbian pulp fiction. Having recently moved both herself and her formidable perfume bottle collection into a tiny bungalow in Los Angeles, mid-list author Astrid Dahl finds herself back in the Zoom writer's group she cofounded, Sapphic Scribes, after an incident that leaves her and her career lightly canceled. But she temporarily forgets all that by throwing herself into a few sexy distractions—like Ivy, a grad student researching 1950s lesbian pulp who smells like metallic orchids, or her new neighbor, Penelope, who smells like patchouli. Penelope, a painter living off Urban Outfitters settlement money, immediately ingratiates herself in Astrid's life, bonding with her best friends and family, just as Astrid and Ivy begin to date in person. Astrid feels judged and threatened by Penelope, a responsible older vegan, but also finds her irresistibly sexy. When Astrid receives an unexpected call from her agent with the news that actress and influencer Kat Gold wants to adapt her previous novel for TV, Astrid finally has a chance to resurrect her waning career. But the pressure causes Astrid's worst vice to rear its head—the Patricia Highsmith, a blend of Adderall, alcohol, and cigarettes—and results in blackouts and a disturbing series of events. Unapologetically feminine yet ribald, steamy yet hilarious, Anna Dorn has crafted an exquisite homage to the lesbian pulp of yore, reclaiming it for our internet and celebrity-obsessed world. With notes of Southern California citrus and sultry smokiness, *Perfume and Pain* is a satirical romp through Hollywood and lesbian melodrama.
