

choosing to cheat andy stanley

Choosing to Cheat Andy Stanley: Understanding the Message and Its Impact

choosing to cheat andy stanley is a phrase that might raise eyebrows or spark curiosity, especially for those familiar with Andy Stanley's teachings and writings on leadership, relationships, and integrity. Andy Stanley, a well-known pastor and author, often explores themes of decision-making, ethics, and personal responsibility in his work. The concept of "choosing to cheat" in the context of Andy Stanley's messages invites a deeper reflection on the choices we make, the motivations behind them, and the consequences they bring—not just in romantic relationships, but in all areas of life.

In this article, we'll delve into what choosing to cheat means through the lens of Andy Stanley's teachings, explore the ethical and emotional dimensions involved, and consider how his approach can help individuals navigate difficult decisions with honesty and grace. Whether you're wrestling with fidelity, trust, or broader moral challenges, understanding this topic through Stanley's perspective can provide valuable insight.

The Core of Choosing to Cheat: More Than a Simple Decision

When we talk about "choosing to cheat andy stanley," it's essential to recognize that cheating is not just an impulsive act but often a deliberate choice. Andy Stanley emphasizes that our decisions are rarely made in isolation—they are influenced by our values, environment, and emotional state. In his sermons and books, he frequently addresses how people wrestle with temptation and the importance of aligning actions with personal integrity.

The Role of Intentionality in Ethical Choices

Stanley's approach highlights intentionality: the idea that cheating isn't something that "just happens" but a choice made despite knowing the risks and consequences. This perspective encourages individuals to pause and reflect before acting, understanding that every decision has ripple effects on relationships and self-respect. By acknowledging the intentional nature of cheating, Stanley urges people to take responsibility for their actions rather than blaming circumstances or emotions.

Emotional Needs vs. Ethical Boundaries

One reason people might consider cheating is an unmet emotional need—whether it's feeling valued, loved, or understood. Andy Stanley often speaks about the human desire for connection and how unmet needs can lead to poor decisions. However, he also points out that fulfilling these needs outside the boundaries of trust and commitment can cause greater harm. Understanding this tension helps individuals recognize why they might be tempted to cheat and encourages finding healthier ways to address those emotional gaps.

Andy Stanley's Teachings on Forgiveness and Restoration

Choosing to cheat is often perceived as a final breach, but Andy Stanley's messages frequently focus on the possibility of forgiveness and restoration. He acknowledges the pain caused by betrayal but also stresses that healing is possible when those involved commit to honesty and rebuilding trust.

The Process of Confession and Accountability

In Stanley's view, confronting the truth openly is the first step toward restoration. This involves confessing the wrongdoing and accepting accountability. He teaches that avoiding or hiding the truth only deepens the wound and stalls healing. By choosing transparency, individuals can begin to mend relationships and rediscover integrity.

Rebuilding Trust: A Journey, Not a Quick Fix

Forgiveness, according to Stanley, is not a one-time event but a journey that requires consistent effort and patience. Trust, once broken by cheating, must be rebuilt through actions that demonstrate commitment and change. Stanley encourages couples and individuals to seek support—whether through counseling, community, or faith-based guidance—to navigate this complex process.

Practical Wisdom from Andy Stanley on Avoiding the Choice to Cheat

Prevention is often the best strategy when it comes to difficult moral decisions like cheating. Andy Stanley offers practical advice on how to safeguard relationships and personal integrity before temptation arises.

Setting Clear Boundaries

One key insight is the importance of setting clear boundaries in relationships and social interactions. Stanley advises people to be proactive about defining what is acceptable and what crosses the line. This clarity helps prevent situations where temptation can gain a foothold.

Building Strong Communication Channels

Open and honest communication is another cornerstone of Stanley's teachings. Encouraging partners to share their feelings, frustrations, and needs reduces misunderstandings and emotional distance—two factors that often contribute to the temptation to cheat.

Prioritizing Relationship Investment

Lastly, Stanley emphasizes the need to invest time and energy into relationships continuously. Neglect can create vulnerability, making individuals more susceptible to seeking fulfillment elsewhere. By prioritizing connection and intimacy, couples can strengthen their bond and resist the urge to stray.

The Broader Implications of Choosing to Cheat: Insights Beyond Romance

While the phrase "choosing to cheat andy stanley" might initially bring to mind infidelity in romantic relationships, Stanley's principles extend to other areas such as leadership, business ethics, and personal integrity.

Cheating in Leadership and Workplaces

In leadership contexts, Stanley warns against cutting corners, dishonesty, or unethical decisions that can undermine trust and credibility. Choosing to cheat in business or leadership might mean compromising values for short-term gain, which ultimately damages reputation and effectiveness.

Integrity as a Lifestyle

Andy Stanley's broader message encourages individuals to cultivate integrity as a lifestyle rather than a one-time choice. This mindset promotes

consistent ethical behavior, making the “choice to cheat” less likely because integrity becomes deeply ingrained.

Reflecting on Personal Values Through Andy Stanley's Lens

At its heart, choosing to cheat challenges us to examine our core values. Andy Stanley's teachings prompt an honest evaluation of what matters most and how we want to be remembered. His perspective encourages embracing responsibility for our actions and striving toward a life marked by faithfulness, honesty, and grace.

Engaging with Stanley's insights can be a catalyst for personal growth, helping people understand that while temptation is a part of the human experience, choosing integrity over deceit leads to healthier relationships and a more fulfilling life. Whether you're facing a crossroads in your personal life or seeking guidance on ethical dilemmas, exploring the concept of choosing to cheat through Andy Stanley's thoughtful framework offers clarity and hope.

Frequently Asked Questions

What is the main message of Andy Stanley's 'Choosing to Cheat'?

Andy Stanley's 'Choosing to Cheat' explores the consequences of dishonesty and emphasizes the importance of integrity in personal and professional life.

How does Andy Stanley define cheating in his teachings?

Andy Stanley defines cheating not just as breaking rules but as a conscious decision to compromise one's values for short-term gain.

What are the key reasons people choose to cheat according to Andy Stanley?

According to Andy Stanley, people choose to cheat due to pressure to succeed, fear of failure, and a lack of personal accountability.

Does Andy Stanley offer any solutions to overcome

the temptation to cheat?

Yes, Andy Stanley suggests cultivating strong moral character, seeking accountability partners, and focusing on long-term goals to resist cheating.

How can Andy Stanley's 'Choosing to Cheat' be applied in a workplace setting?

In the workplace, Andy Stanley's principles encourage transparency, ethical decision-making, and fostering a culture where integrity is valued over quick success.

What role does personal responsibility play in Andy Stanley's perspective on cheating?

Personal responsibility is central; Andy Stanley emphasizes that individuals must own their choices and understand the impact of their actions on themselves and others.

Has Andy Stanley shared any personal stories related to the topic of cheating?

Choosing to Cheat Andy Stanley: An Investigative Review of Its Themes and Impact

choosing to cheat andy stanley is a phrase that has gained traction among readers and followers of Andy Stanley's teachings, particularly those exploring the complex dynamics of relationships and moral decision-making. As a prominent pastor and author, Stanley's approach to sensitive topics often strikes a balance between practical wisdom and theological insight. This article aims to delve into the nuances of the concept as presented by Andy Stanley, examining the underlying messages, the context in which they arise, and their broader implications for individuals grappling with ethical dilemmas in their personal lives.

Understanding "Choosing to Cheat" in Andy Stanley's Teaching

Andy Stanley, known for his candid communication style and relatable sermons, frequently addresses issues of integrity and personal responsibility. The phrase "choosing to cheat" captures a critical moment of decision-making where an individual consciously opts for deception or infidelity. Stanley's exploration of this choice is not merely about condemnation but about understanding the motivations and consequences behind such actions.

In his sermons and writings, Stanley often frames cheating as a symptom of deeper relational or personal challenges rather than an isolated moral failing. This perspective invites listeners and readers to consider factors such as unmet needs, lack of communication, or personal dissatisfaction that can lead to such decisions. Thus, "choosing to cheat Andy Stanley" is less about the act itself and more about the human conditions that precipitate it.

Contextualizing Cheating: Beyond Black and White Morality

One of the distinguishing features of Stanley's approach is his refusal to reduce cheating to a simplistic moral binary. Instead, he encourages a compassionate yet honest examination of the situation. This nuanced stance resonates with many who seek guidance without judgment, making his teachings relevant in contemporary discussions about fidelity and trust.

By addressing the complexity of human relationships, Stanley's discourse on choosing to cheat challenges individuals to reflect on their values, communication patterns, and the emotional health of their partnerships. This broader view is essential for anyone studying his work or looking for practical advice grounded in empathy.

The Psychological and Relational Dimensions

Andy Stanley's insights into choosing to cheat also intersect with psychological and relational theories. He highlights how emotional disconnects, unmet expectations, and personal insecurities can all contribute to the temptation or decision to engage in cheating. This approach aligns with modern relationship counseling, which seeks to identify underlying issues rather than merely punishing the behavior.

Factors Influencing the Decision to Cheat

- **Emotional dissatisfaction:** When emotional needs are neglected in a relationship, individuals may look elsewhere for validation.
- **Communication breakdown:** Poor communication can create misunderstandings and distance, increasing vulnerability to infidelity.
- **Self-esteem challenges:** Personal insecurities might motivate some to seek affirmation outside their primary relationship.
- **Opportunity and temptation:** Situational factors often play a significant role in the decision-making process.

Stanley's teaching emphasizes awareness of these factors as a preventative measure. By recognizing the warning signs early, couples and individuals can address root causes before the situation escalates into betrayal.

Accountability and Forgiveness

While Stanley does not excuse cheating, he underscores the importance of accountability and the possibility of redemption. His message often includes calls for honest confession, seeking forgiveness, and rebuilding trust. This framework is crucial for those aiming to recover from the fallout of infidelity, highlighting the restorative aspects of faith and personal growth.

Comparing Andy Stanley's Approach with Other Thought Leaders

In the realm of Christian counseling and ethical discussions, Andy Stanley's take on choosing to cheat stands out for its balance of grace and truth. Compared to more traditional or legalistic perspectives that may emphasize strict adherence to rules, Stanley's method prioritizes relational health and practical wisdom.

For instance, some pastors or authors might focus heavily on the sinfulness of cheating, advocating for immediate separation or harsh penalties. In contrast, Stanley's approach is more pastoral, offering pathways for healing and understanding. This distinction has contributed to his widespread influence and the adoption of his teachings by diverse audiences.

Strengths and Criticisms

- **Strengths:** Emphasizes empathy, encourages self-reflection, integrates psychological insights, and promotes healing.
- **Criticisms:** Some may perceive his approach as too lenient or ambiguous regarding moral boundaries.

This balance between compassion and conviction ensures that Stanley's teachings remain relevant and accessible, especially in a culture increasingly sensitive to relational complexities.

The Broader Cultural Relevance of Choosing to Cheat

Beyond the religious context, the discussion around choosing to cheat resonates in secular conversations about ethics, trust, and human behavior. Andy Stanley's articulation of this choice reflects broader societal concerns about fidelity in an age marked by digital temptations and shifting social norms.

His emphasis on intentionality—the idea that cheating is a choice rather than an accident—aligns with psychological research about agency and moral responsibility. This perspective encourages individuals to own their decisions, which is a critical step toward personal growth and healthier relationships.

Implications for Relationship Counseling and Education

The themes explored in Stanley's teaching have practical applications in counseling and educational settings. Relationship educators often integrate discussions about choice, consequences, and communication strategies that echo Stanley's points. This integration helps couples navigate challenges more effectively and fosters environments where honesty and accountability are prioritized.

- Encouraging proactive communication to prevent misunderstandings
- Addressing emotional needs openly to reduce the risk of infidelity

- Promoting personal accountability and ethical decision-making

These practical takeaways demonstrate the real-world impact of Stanley's exploration of choosing to cheat.

As conversations about fidelity continue to evolve, Andy Stanley's approach offers a grounded and thoughtful framework. By recognizing the complexity of human relationships and emphasizing both responsibility and grace, his teachings provide valuable insights for anyone seeking to understand or address the difficult reality of infidelity.

choosing to cheat andy stanley: Choosing to Cheat Andy Stanley, 2003-12-01 Let's face it. You just can't fit everything in. Decide what commitments you can cheat on - and how to truly please God with your twenty-four hours.

choosing to cheat andy stanley: What's Best Next Matt Perman, 2014-03-04 By anchoring your understanding of productivity in God's plan, What's Best Next gives you a practical approach for increasing your effectiveness in everything you do. There are a lot of myths about productivity--what it means to get things done and how to accomplish work that really matters. In our current era of innovation and information overload, it may feel harder than ever to understand the meaning of work or to have a sense of vocation or calling. So how do you get more of the right things done without confusing mere activity for actual productivity? Matt Perman has spent his career helping people learn how to do work in a gospel-centered and effective way. What's Best Next explains his approach to unlocking productivity and fulfillment in work by showing how faith relates to work, even in our everyday grind. What's Best Next is packed with biblical and theological insight and practical counsel that you can put into practice today, such as: How to create a mission statement for your life that's actually practicable. How to delegate to people in a way that really empowers them. How to overcome time killers like procrastination, interruptions, and multitasking by turning them around and making them work for you. How to process workflow efficiently and get your email inbox to zero every day. How to have peace of mind without needing to have everything under control. How generosity is actually the key to unlocking productivity. This expanded edition includes: a new chapter on productivity in a fallen world a new appendix on being more productive with work that requires creative thinking. Productivity isn't just about getting more things done. It's about getting the right things done--the things that count, make a difference, and move the world forward. You can learn how to do work that matters and how to do it well.

choosing to cheat andy stanley: If Mark Batterson, 2015-10-06 Transform Your If Only Regrets into What If Possibilities If is a powerful little word. Some people are stuck in if only, trudging through lives marked with regret. But God wants us to live lives marked with possibilities, with the what if attitude that looks forward to the future with confidence. Why? Because the answer to If God is for us, who can be against us? is No one. God is always on our side. Every day, in every way. With his trademark enthusiasm and contagious joy, Mark Batterson helps readers overcome feelings of guilt, fear, and doubt, because in Christ there is no condemnation. Unpacking the promises of Romans 8, he shows readers that they are more than conquerors--right now and forever. And because of that, the possibilities for their lives are limitless. Christians from all walks of life will find themselves set free by this inspiring and entertaining read. Now in paper.

choosing to cheat andy stanley: The Life Ready Woman Shaunti Feldhahn, Robert Lewis, 2011 Best-selling authors Shaunti Feldhahn (For Women Only) and Robert Lewis help women understand how to live boldly and biblically while staying in step with the twenty-first century.

choosing to cheat andy stanley: Fairness Is Overrated Tim Stevens, 2015-01-13 Discover the tools of leadership to revolutionize your workplace. Tim Stevens traveled an alternative road—leaving high school and immediately joining a national non-profit organization. He rose quickly through the ranks of leadership, but nine years later left it all behind to help an upstart church get its footing. During the 20 years Stevens served as Executive Pastor at Granger Community Church near South Bend, Indiana, the ministry grew from a congregation of 300 to more than 5,000; from a staff of five to more than 130; with a preschool, restaurant, three campuses and more than 1,800 new churches planted in southern Indiana. Leaders learn by leading. Stevens knows that creating a healthy and successful organization requires throwing out the conventional instruction manual and writing one that balances practical lessons, spiritual truths, and twenty-first century realities—exactly what you will find in *Fairness Is Overrated*. Stevens, now an executive with the Vanderbloemen Search Group, takes his lifetime of service and dispenses with conventional wisdom. Short, powerful chapters end with actionable discussion questions. Four pillars hold up every successful leader: Be a person of integrity. Identify the right people around you. Build a great culture. Lead through crisis. This is a manual of doing, not talking. No fluff, no stale inspirational platitudes. It's time to move past planning and kick-start Monday into action.

choosing to cheat andy stanley: Uniquely You Ron Kitchens, 2019-05-21 For young professionals and entrepreneurs, there is no shortage of gurus, processes, and quick-fix formulas to chase in the quest to grow their business, lead their team, and find personal fulfillment. In fact, there are so many out there that it's exhausting. Wouldn't it be better to realize that the leadership lessons we need to learn are not out there somewhere, but in here, in our own lives? That instead of becoming a knock-off of someone else, we can be uniquely ourselves? That's exactly what Ron Kitchens learned, and it's what he wants to share with today's emerging leaders. Sharing his own journey of discovering what his life was trying to teach him through both trials and triumphs, Kitchens equips readers to mine their own stories for the relationships and life lessons that have made them into the unique individuals they are today. He then shows readers how to leverage those unique experiences into their own personal leadership style that is authentic, one-of-a-kind, and effective in building businesses and leading teams.

choosing to cheat andy stanley: Sales Secrets Mark Shaughnessy, 2004-02 Sales professionals are seeking new ways to increase their sales and their income. Organizations are striving for top line revenue and greater profits. *Sales Secrets* is the solution. Most companies suffer from one problem: lack of sales. A study by Dun & Bradstreet reported that the biggest difference between successful and unsuccessful companies was one attribute: successful companies sold more than unsuccessful ones. Nothing happens until a sale is made is truer now than it has ever been. Some sales people blame the economy, while others sell regardless of economic conditions. *Sales Secrets* enables companies to avoid downsizing, expand their business and improve their profitability. Using the techniques inside, growing revenue, rather than cutting expenses, will become a reality, in spite of the economy. Author Mark Shaughnessy imparts reference materials designed to provide sales people with all of the tools and resources needed to fully develop and maximize their sales potential. These secrets represent the best techniques and ideas available in the market today. *Sales Secrets* is a comprehensive answer to help sales people and companies dramatically increase their revenue. Upon adopting these techniques, companies and their sales professionals will experience an immediate increase in their sales results.

choosing to cheat andy stanley: The Best Question Ever Andy Stanley, 2009-04-23 We've all done dumb stuff in our lives. We all have regrets. Yet none of us plans to mess up our lives. Why, then, does it keep happening? Life doesn't have to be that way. You can fool-proof your life...as this book shows. God's promise and pattern is for something better. In *The Best Question Ever*, Andy Stanley effectively teaches the practical and lasting value of simply asking this question about our

actions in all of life's arenas: What is the wise thing for me to do, in light of my past experience, my present circumstances, and my future hopes and dreams? This book probes for honesty—it pushes us to open our eyes to reality and helps us expose the little (and big) self-deceptions we have. Prepare yourself. You are about to be introduced to a single question that will revolutionize the way you make decisions. Over the past twenty years, speaker and author Andy Stanley has shared the power of this question with thousands of students and adults all over the country. In this ground-breaking new book, Andy provides you with a filter through which to evaluate every decision in every arena of your life. As you are about to discover, the Best Question Ever will bring clarity to decisions involving your finances, your love life, your schedule, even your career. People everywhere agree that their greatest regret could have been avoided had they asked the Best Question Ever and then acted on their conclusions. A time-tested truth that has immediate application, the Best Question Ever has the power to change the trajectory of your entire life. Story Behind the Book After continually making decisions that were short-sighted and hasty, Andy Stanley sought counsel. In Ephesians 5:15 he read, "Be very careful, then, how you live—not as unwise but as wise." It was there that Andy discovered what he considers to be The Best Question Ever. From the Hardcover edition.

choosing to cheat andy stanley: Microsoft Secrets Dave Jaworski, 2017-08-29 A great deal has been written about Steve Jobs and Apple. Not nearly as much has been produced about Bill Gates and Microsoft, especially in the ten-year period that Dave Jaworski was at Microsoft. Microsoft was the company that drove the hardest and built the fastest. He was there during this rapid rise to the top. Dave kept meticulous notes and took lots of photos and documented the risks taken, the dreams shared, the lessons learned, the hopes realized, and the mistakes made. Many of the issues at the time are similar to issues confronting leaders in business today. All can learn from Microsoft's past. Dave also details several secrets—some only his family knows. Some of these secrets were known to only a handful of people within the company at a time when it went through its explosive growth period: like the secret recipe for Coca-Cola or Colonel Sanders' chicken recipe, these secrets were literally changing the competitive landscape in the technology industry and were rewriting the business rules of the day. Understanding these secrets and the thinking behind them can provide strategic insights and advantages to professionals and their businesses. Better still, they can help them define their own secrets to accelerate them past competitors and over hurdles to success.

choosing to cheat andy stanley: The New Guidebook for Pastors Mac Brunson, James W. Bryant, 2007 The New Guidebook for Pastors is written in the tradition of classics like Criswell's Guidebook for Pastors. But since most pastoral guidebooks available today date back to 1980 or earlier, this new resource by Mac Brunson and James W. Bryant will offer fresh experience-based encouragement to all pastors in their pursuit of excellence and development in their God-called profession. Among the twenty chapters are The Pastor and His Call, The Pastor and His Family, The Pastor and His Staff, The Pastor and Worship, The Pastor and Finances, The Pastor, Wedding, and Funerals, The Pastor, Politics, and Moral Issues, and The Pastor and His Denomination.

choosing to cheat andy stanley: Play the Man Mark Batterson, 2017-05-02 Somewhere along the way, our culture lost its definition of manhood, leaving generations of men and men-to-be confused about their roles, responsibilities, relationships, and the reason God made them men. It's into this no man's land that New York Times bestselling author Mark Batterson declares his mantra for manhood: play the man. In this inspiring call to something greater, he helps men understand what it means to be a man of God by unveiling seven virtues of manhood. Mark shares inspiring stories of manhood, including the true story of the hero and martyr Polycarp, who first heard the voice from heaven say, Play the man. Mark couples those stories with practical ideas about how to disciple the next generation of men. This is more than a book; it's a movement of men who will settle for nothing less than fulfilling their highest calling to be the man and the father God has destined them to be. Play the man. Make the man.

choosing to cheat andy stanley: When Women Long for Rest Cindi McMenamin,

choosing to cheat andy stanley: Oversee God's People Brian Croft, Bryce Butler, 2015-08-04

The Bible gives instruction to those called to church leadership, challenging them to shepherd God's people by exercising oversight. But what does that mean? And how is it done in a way that is faithful to God and effective in enabling growth, individually and corporately? The Practical Shepherding series of guides provides pastors and ministry leaders with practical help to do the work of pastoral ministry in a local church. In *Oversee God's People*, pastors Brian Croft and Bryce Butler unpack what the Bible teaches about administration and the necessity of delegation in congregational leadership, offering practical suggestions to improve the structures, process, and relationships among leaders in your church.

choosing to cheat andy stanley: Marathon Faith John Van Pay, 2018-01-02 GOD WANTS TO FINISH WHAT HE STARTED IN YOU Surrendering your life to Jesus is the greatest decision you will ever make, but that's just the starting line. Many of us begin following Jesus without a realistic expectation of the price required to finish our spiritual race. As a result, we lose heart when the road becomes difficult. In *Marathon Faith: Motivation from the Greatest Endurance Runners of the Bible*, pastor and marathon runner John Van Pay offers help. Van Pay encourages readers by showing how the endurance runners of the Bible overcame obstacles on their faith journeys. By sharing personal adventures, humorous mishaps, and grueling struggles from his own endurance races, Van Pay shares how God helps when life gets tough—and how you, too, can finish strong.

choosing to cheat andy stanley: Ten Stupid Things That Keep Churches from Growing Geoff Surratt, 2009-08-30 Based on interviews with pastors of growing churches, as well as personal experience, this book identifies the most common mistakes pastors make that keep otherwise healthy churches from reaping the harvest God has prepared. Each chapter spotlights a common mistake, gives real-life examples, uses a generous dose of humor, and provides a practical course of action to recover from the error. The book draws from the experience of Seacoast Church as well as pastors such as Craig Groeschel, Chris Hodges, Perry Nobel, Mark Batterson, Dave Ferguson, Scott Chapman, Dino Rizzo, Ron Hamilton, and Dave Browning. Church leaders will be encouraged to realize that they are not the only ones who struggle, and that turning their situation around may not be as daunting a task as they think. This is a field guide for the common pastor based on actual churches of all sizes.

choosing to cheat andy stanley: Protégé Steve Saccone, 2012-05-15 Steve Saccone shows how you can raise up leaders from within your own community and develop them into passionate, faithful servants of God. You will be personally challenged to grow as you discover how to cultivate a culture of leadership development in your ministry.

choosing to cheat andy stanley: On the Way Rick Grieve, 2009-03 ENJOY the journey and you'll live LONGER. Enjoy the journey and the LIFE you live will be BETTER. Enjoy the JOURNEY and others will enjoy being with YOU! Life is too precious to be missed. But many believe it is in the accomplishments and achievements; in the destinations that we find what we are looking for. But what about the journey? What about all the time, people and seemingly insignificant events that occur on the way? On the Way: How You Live the Journey Makes the Destination Matter, encourages us to take a closer look at how we live -- To examine what we miss. Then it calls to our hearts to return to another way, the way of the Savior -- the On the Way pattern of living. So put on your walking shoes, grab your backpack and get ready to go! This journey is going to be good! Rick Grieve has served as an associate pastor and worship leader for 14 years. He has provided direction, counseling, and creative biblical teaching to congregants of all ages. He currently serves as Executive Pastor at First Assembly of God in Helena Montana where he shares his life and ministry with his wife, Tamara, and son, Will.

choosing to cheat andy stanley: Minefields in the Marketplace (eBook) James M. Pearson, Kelly Hahn, 2009-03-10 MINEFIELDS IN THE MARKETPLACE takes a compelling look at six ethical "minefields" in which many Christian businessmen and women get caught: • Ethical compromise • Materialism • Dealing with power • Sexual temptation • Neglected relationships • Spiritual stagnation. Author James Pearson says he has seen one or more of these bring a well-meaning Christian down - careers ruined, reputations lost, and marriages destroyed. For readers who want to succeed in business and still serve their Lord and Savior, this book provides the spiritual wisdom, guidance, and direction necessary for getting safely through the minefields.
