

original story beauty and the beast

****The Timeless Allure of the Original Story Beauty and the Beast****

original story beauty and the beast is a tale that has enchanted audiences for centuries, long before it became the beloved animated film or the Broadway musical sensation we know today. This classic fairy tale, rich with symbolism and moral lessons, offers a fascinating glimpse into early storytelling traditions and cultural values. Exploring the origins and nuances of the original story beauty and the beast reveals much more than a simple love story; it unveils timeless themes of transformation, kindness, and the true nature of beauty.

The Origins of the Original Story Beauty and the Beast

The story we commonly associate with Beauty and the Beast traces its roots back to 18th-century France. The most widely accepted version was penned by French novelist Gabrielle-Suzanne Barbot de Villeneuve in 1740. Villeneuve's original narrative was far more elaborate and complex than most modern retellings. It included extended backstories for both Beauty and the Beast, as well as multiple subplots involving magic, curses, and family dynamics.

Gabrielle-Suzanne Barbot de Villeneuve's Version

Villeneuve's tale was initially written for an adult audience, weaving intricate details that reflected the social and cultural milieu of her time. In her version, Beauty is the daughter of a wealthy merchant who loses his fortune and finds himself in dire straits. When he unknowingly plucks a rose from the Beast's enchanted garden, the Beast demands retribution – either the merchant himself or one of his daughters must come to live with him. Beauty volunteers, and over time, she discovers the Beast's true kindness beneath his fearsome exterior.

What makes Villeneuve's telling unique is its layered storytelling, where the Beast's curse is revealed to be a punishment for his arrogance and cruelty. Beauty herself is portrayed as intelligent and compassionate, qualities that eventually break the spell.

Later Adaptations and Simplifications

After Villeneuve, the story was adapted by other writers who simplified the narrative for wider audiences. One notable adaptation was by Jeanne-Marie

Leprince de Beaumont in 1756. Beaumont's version is shorter and more focused on the moral lesson that true beauty lies within. This version became the foundation for most modern retellings and is often credited with popularizing the story across Europe.

Leprince de Beaumont stripped away many of the ornate details, emphasizing the virtues of kindness, obedience, and inner beauty, which resonated with her contemporary readers. Her adaptation also introduced the iconic imagery of the rose as a symbol of love and sacrifice.

Key Themes and Symbolism in the Original Story Beauty and the Beast

The original story *Beauty and the Beast* is rich with themes that continue to resonate with readers and viewers today. Understanding these elements can deepen one's appreciation for the tale beyond its surface romance.

The Power of Inner Beauty

At its core, the story challenges superficial judgments based on appearances. The Beast's frightening exterior hides a gentle heart, while Beauty's grace and kindness reveal true worth. This theme encourages audiences to look beyond skin-deep qualities and value character and integrity.

Transformation and Redemption

The Beast's curse and eventual transformation back into a prince symbolize the redemptive power of love and self-awareness. His journey from beastliness to humanity is a metaphor for personal growth and the possibility of change. This aspect of the story highlights how compassion and understanding can lead to healing and renewal.

Sacrifice and Loyalty

Beauty's willingness to sacrifice her freedom for her father and later to remain loyal to the Beast underscores themes of selflessness and devotion. These virtues, celebrated in the original tale, reflect the importance of family bonds and commitment.

Differences Between the Original Story Beauty and the Beast and Modern Versions

While the core narrative remains consistent, contemporary retellings often adapt the story to fit modern tastes and sensibilities. Comparing the original story beauty and the beast with its derivatives reveals some interesting contrasts.

Character Depth and Development

Villeneuve's original characters are more complex and nuanced compared to the simplified versions. The Beast, for example, is not just a monster but a man with a troubled past and a heavy burden. Beauty is portrayed as more than just a passive heroine; she is intelligent, curious, and proactive in her journey.

Modern versions tend to streamline characters to fit shorter formats or specific messages, sometimes losing the richness of the original characterization.

Plot Complexity

The original story includes multiple layers, such as enchanted objects, magical transformations, and family drama, which are often omitted in modern adaptations. Contemporary retellings focus primarily on the romance and moral lesson, sometimes at the expense of these intriguing subplots.

Gender Roles and Morality

The original story reflects the social values of the 18th century, particularly regarding gender roles and virtue. Beauty's obedience and modesty are emphasized as ideal traits, aligning with the expectations of women at the time.

Today's adaptations often reframe Beauty as a more independent and assertive character, reflecting changing attitudes toward female empowerment and equality.

Why the Original Story Beauty and the Beast

Still Matters Today

Despite the many versions and media adaptations, the original story beauty and the beast continues to captivate audiences because its themes are universal and timeless. It teaches valuable lessons about empathy, acceptance, and the transformative power of love.

Lessons on Judgment and Acceptance

In an era increasingly aware of diversity and inclusion, the story's message about looking beyond outward appearances feels especially relevant. It encourages readers to challenge prejudices and embrace others with kindness.

Inspiration for Creativity and Art

The tale has inspired countless works of art, literature, theater, and cinema. Understanding its origins enhances one's appreciation for how stories evolve and influence culture across generations.

Personal Reflection and Growth

At a deeper level, the story invites introspection about one's own "beastly" traits and the potential for personal transformation through love and compassion. This reflective quality is part of why the story endures as a beloved classic.

Exploring the Original Story Beauty and the Beast in Modern Media

Today, many people encounter Beauty and the Beast through Disney's famous adaptations, but diving into the original story offers a richer, more textured experience. For those interested in fairy tales or literary history, reading Villeneuve's or Beaumont's versions can be enlightening.

Tips for Appreciating the Original Tale

- **Read Multiple Versions:** Comparing Villeneuve's detailed narrative with Beaumont's concise adaptation provides insight into how stories change over time.

- **Consider Historical Context:** Reflect on the social and cultural environment of 18th-century France to better understand the story's themes and characters.
- **Look for Symbolism:** Pay attention to recurring motifs like the enchanted rose, the transformation curse, and the contrast between appearance and character.
- **Discuss with Others:** Engaging in conversations about the story's messages can deepen understanding and reveal diverse interpretations.

Where to Find the Original Texts

Many online archives and libraries offer free access to the original versions of *Beauty and the Beast*. Classic fairy tale collections and anthologies often include Villeneuve's and Beaumont's stories. Exploring these texts can be a rewarding journey into literary history.

The original story *Beauty and the Beast* is a testament to the enduring power of storytelling. Its rich narrative layers, moral insights, and emotional depth continue to inspire and move readers, proving that some tales truly stand the test of time. Whether you're a fan of fairy tales or a newcomer curious about this classic, delving into the original story offers a magical experience that goes beyond the familiar enchanted castle and charming romance.

Frequently Asked Questions

What is the origin of the original 'Beauty and the Beast' story?

The original 'Beauty and the Beast' story is a traditional fairy tale that dates back to ancient folklore, but the most famous literary version was written by French novelist Gabrielle-Suzanne Barbot de Villeneuve in 1740.

How does Gabrielle-Suzanne Barbot de Villeneuve's version differ from later adaptations?

Villeneuve's original version is much longer and more complex, featuring detailed backstories for both Beauty and the Beast, as well as additional characters and subplots that were simplified or omitted in later adaptations.

What is the central theme of the original 'Beauty and the Beast' story?

The central theme is the transformative power of love and inner beauty, emphasizing that true beauty lies within a person's character rather than their outward appearance.

Who is Beauty in the original story, and what is her role?

In the original story, Beauty is a kind, gentle, and self-sacrificing young woman who willingly goes to live with the Beast to save her father, demonstrating courage and compassion that ultimately break the Beast's curse.

What is the significance of the Beast's curse in the original tale?

The Beast's curse represents the consequences of superficiality and pride; only through genuine love and acceptance can the curse be broken, symbolizing personal growth and redemption.

How does the original story portray the relationship between Beauty and the Beast?

The original story portrays their relationship as one that evolves from fear and misunderstanding to mutual respect, friendship, and ultimately love, highlighting the importance of looking beyond appearances.

Are there any notable differences in the ending of the original 'Beauty and the Beast' story compared to modern versions?

Yes, the original ending often includes more detailed explanations of the Beast's true identity and background, as well as moral lessons, whereas modern versions tend to focus more on the romantic resolution.

What cultural impact has the original 'Beauty and the Beast' story had?

The original story has significantly influenced literature, theater, and film, inspiring numerous adaptations across different media that explore themes of love, transformation, and acceptance, making it a timeless classic worldwide.

Original Story Beauty and the Beast: Unveiling the Roots of a Timeless Tale

Original story beauty and the beast is a narrative that has captivated audiences for centuries, inspiring countless adaptations in literature, film, and theater. While most are familiar with the popular versions popularized by Disney and modern retellings, the original story holds rich layers of cultural, psychological, and thematic significance that continue to fascinate scholars and casual readers alike. This article delves into the origins, evolution, and distinctive features of the original story Beauty and the Beast, exploring why it remains a compelling study in human nature and societal values.

The Historical Origins of Beauty and the Beast

The tale of Beauty and the Beast is classified within the Aarne-Thompson-Uther (ATU) folktale index as type 425C, which broadly encompasses "The Search for the Lost Husband" narratives. The story's roots trace back to oral traditions and early literary versions across European cultures, with the most influential written account attributed to French novelist Gabrielle-Suzanne Barbot de Villeneuve. In 1740, Villeneuve published her lengthy and elaborate version titled "La Belle et la Bête," which introduced many elements that later adaptations condensed or omitted.

Villeneuve's narrative diverges significantly from the simplified fairy tale known today. It features a wealthy merchant's daughter, Beauty, whose father unwittingly becomes captive to a monstrous Beast after losing his fortune and seeking shelter in the Beast's enchanted castle. Unlike the contemporary versions, Villeneuve's tale contains numerous subplots, elaborate backstories, and magical interventions, reflecting the 18th-century literary style and social commentary.

Shortly after, in 1756, Jeanne-Marie Leprince de Beaumont adapted Villeneuve's story into a more concise and didactic format aimed at children, which became the foundation for most modern retellings. Beaumont's version emphasized moral lessons such as inner beauty, virtue, and the redemptive power of love, stripping away many of the original's complexities but making the story more accessible and enduring.

Key Themes and Symbolism in the Original Story Beauty and the Beast

The original story beauty and the beast is rich with symbolism that resonates beyond its fairy tale veneer. Central to the narrative is the dichotomy between appearance and reality, a theme that challenges superficial judgments

and underscores the value of inner qualities. The Beast, often perceived as grotesque and frightening, embodies the misunderstood 'other,' while Beauty represents purity, kindness, and empathy.

Psychologically, the story can be interpreted as an allegory for transformation—both personal and relational. The Beast's curse and eventual redemption through Beauty's love symbolize the human capacity for change, healing, and acceptance. This dynamic reflects a broader cultural fascination with metamorphosis and the reconciliation of opposites, common motifs in folklore.

Additionally, the original tale navigates social structures and gender roles. Beauty's agency, displayed through her willingness to sacrifice herself for her family and her capacity to look beyond physical appearances, challenges traditional passive female archetypes. Meanwhile, the Beast's dual nature as both monstrous and noble complicates simplistic notions of villainy and heroism.

Comparative Analysis: Villeneuve vs. Beaumont Versions

To fully appreciate the original story beauty and the beast, it is instructive to compare Villeneuve's and Beaumont's versions:

- **Length and Complexity:** Villeneuve's version spans several chapters, including detailed character backgrounds and magical subplots, whereas Beaumont's is a streamlined narrative designed for instructional purposes.
- **Character Development:** Villeneuve's Beauty is portrayed with more nuanced emotions and internal conflicts, while Beaumont's depiction emphasizes moral clarity and virtue.
- **Thematic Focus:** Villeneuve explores themes of fate, enchantment, and human frailty, whereas Beaumont prioritizes lessons on kindness, humility, and the distinction between outer beauty and inner goodness.
- **Audience and Purpose:** Villeneuve wrote for an adult audience familiar with courtly literature, while Beaumont's adaptation targeted young readers, aiming to inculcate ethical values.

This comparison illustrates how the story's core elements were reshaped to suit different cultural and pedagogical contexts, setting the groundwork for its diverse retellings.

Impact and Legacy of the Original Beauty and the Beast

The original story beauty and the beast has profoundly influenced storytelling traditions worldwide. Its themes have permeated countless adaptations, from Jean Cocteau's surreal 1946 film to Disney's 1991 animated classic and the 2017 live-action remake. Each iteration reflects contemporary values and artistic sensibilities, yet all remain tethered to the foundational narrative of transformation through empathy.

Moreover, the tale continues to inspire scholarly inquiry into fairy tale motifs and their psychological underpinnings. Researchers examine the story's archetypes through Jungian analysis, feminist critique, and cultural studies, recognizing its multifaceted significance.

The enduring appeal of Beauty and the Beast lies in its universal exploration of love's capacity to transcend fear and prejudice. The original story's nuanced treatment of character and theme offers a richer understanding of why this narrative resonates across generations and cultures.

Pros and Cons of the Original Story in Modern Contexts

When evaluating the original story beauty and the beast through a contemporary lens, several advantages and challenges emerge:

1. Pros:

- Provides deeper character complexity and thematic richness compared to simplified versions.
- Offers insight into historical social norms and literary styles of the 18th century.
- Encourages critical thinking about appearances, morality, and transformation.

2. Cons:

- Its length and elaborate details may be less accessible to modern audiences seeking concise narratives.
- Certain dated gender roles and cultural assumptions might conflict with contemporary values.

- Lacks the streamlined emotional immediacy of popular modern adaptations.

Balancing appreciation for the original with the demands of current storytelling highlights the evolving nature of folklore and its adaptability.

The Role of Magic and Enchantment in the Original Tale

Magic plays a pivotal role in the original story *Beauty and the Beast*, serving as both a narrative device and a symbolic element. The Beast's curse, the enchanted castle, and the transformative powers embedded in the story underscore the tension between the natural and supernatural realms.

Unlike modern portrayals where magic often functions merely as spectacle, in the original narrative, enchantment is deeply intertwined with character development and moral lessons. The curse acts as a catalyst for introspection and growth, compelling characters to confront their flaws and embrace empathy.

Furthermore, magical objects—such as the mirror that allows Beauty to see her family—facilitate plot progression and highlight themes of perception and reality. The interplay of magic and human emotion enriches the story's texture, making it a fertile ground for interpretation.

Why the Original Story *Beauty and the Beast* Still Matters Today

In an age dominated by rapid media consumption and formulaic storytelling, revisiting the original story *Beauty and the Beast* offers valuable perspective. Its layered narrative encourages readers to look beyond surface-level entertainment and engage with complex ideas about identity, love, and societal expectations.

The story's emphasis on compassion and understanding remains relevant in contemporary discourse, particularly in discussions about diversity, inclusion, and breaking down prejudices. By exploring the original text, audiences gain appreciation for the narrative's enduring power and the cultural heritage it represents.

Ultimately, the original story *Beauty and the Beast* is not merely a quaint fairy tale but a profound exploration of human experience that continues to

inspire and challenge us.

Original Story Beauty And The Beast

original story beauty and the beast: Beauty and the Beast Madame de Villeneuve, 2023-01-18 Originally published as 'La Belle et la Bête', Gabrielle-Suzanne de Villeneuve's 'Beauty and the Beast' was published in 1740 and is the oldest known version of this fairytale. A tale as old as time, 'Beauty and the Beast' is the bewitching fantasy romance story of Belle – a young woman imprisoned in the magical castle of a monstrous yet princely beast, where she is forced to be our guest. This is an epic story that has captured generations of readers and will be enjoyed by fans of both film adaptations, from the animated Disney classic to the live-action film starring Emma Watson. Gabrielle-Suzanne de Villeneuve was a French author who published fairy tales and novels but is best remembered for writing the original story 'La Belle et la Bête'. It was published in 1740 and is the oldest known version of the fairy tale 'Beauty and the Beast', which has since been adapted twice for the big screen including the animated Disney classic and the live-action movie starring Emma Watson as Belle. After her death, Gabrielle-Suzanne de Villeneuve's 'Beauty and the Beast' was abridged by another author, Leprince de Beaumont, who did not credit the tale's original writer. Leprince de Beaumont is, therefore, often still wrongly credited as being the original author, and her shortened version is the one most commonly known today.

original story beauty and the beast: Beauty and The Beast Gabrielle-Suzanne Barbot de Villeneuve, 2017-05-23 Gara-gara sang ayah mencuri setangkai mawar di pekarangan istana, Belle dikorbankan sebagai tawanan sang empunya mawar, yakni sesosok monster mengerikan bernama Beast. Segera saja Belle menyadari bahwa Beast hanyalah monster dalam penampilannya, sedangkan sikapnya amat sopan dan bermartabat. Setelah beberapa hari menghabiskan waktu di istana yang suram dan sepi, Belle mulai bermimpi tentang seorang pangeran yang memohon pertolongannya. Belle yakin sang pangeran sama seperti dirinya, tawanan Beast, dan dia bertekad untuk menyelamatkan pemuda tersebut. -----oOo----- Kisah Beauty and the Beast telah terkenal di seantero Eropa sejak 4.000 tahun lalu, dan baru dituliskan oleh Gabrielle-Suzanne Barbot de Villeneuve dan dipublikasikan pada tahun 1740. Sejak saat itu, kisah ini telah berulang kali diadaptasi menjadi berbagai pertunjukan opera, serial televisi, dan film layar lebar. Salah satu versi film yang paling terkenal adalah animasi produksi Walt Disney pada tahun 1991. Pada tahun 2017 ini, Walt Disney akan merilis versi live-action-nya, dibintangi oleh Emma Watson, Dan Stevens, dan Luke Evans. Concerned with both theoretical and empirical issues, this book offers

original story beauty and the beast: Madame de Villeneuve's The Story of the Beauty and the Beast Gabrielle-Suzanne Barbot de Villeneuve, Rachel Louise Lawrence, 2014-02-02 Think you know the story of Beauty and the Beast? Think again! This book contains the original tale by Madame de Villeneuve, first published in 1740, and although the classic elements of Beauty giving up her freedom to live with the Beast, during which time she begins to see beyond his grotesque appearance, are present, there is a wealth of rich back story to how the Prince became cursed and revelations about Beauty's parentage, which fail to appear in subsequent versions. If you want to read the full story of Beauty and the Beast, look no further than this latest unabridged edition... [Folklore Type: ATU-425C (Beauty and the Beast)]

original story beauty and the beast: Tales, Then and Now Anna E. Altmann, Gail de Vos,

2001-10-15 Altmann and de Vos are back with more great ideas for exploring contemporary reworkings of classic folk and fairy tales that appeal to teen readers. If you loved *New Tales for Old* (Libraries Unlimited, 1999), this new work will be sure to please. Following the same format, each story includes tale type numbers, motifs, and lists of reworkings arranged by genre, and suggestions for classroom extensions. *INSIDE: Beauty and the Beast, Jack and the Beanstalk, Tam Lin, Thomas the Rhymer, and five fairy tales* by Hans Christian Andersen.

original story beauty and the beast: *Beauty and the Beast* Gabrielle-Suzanne Barbot Gallon Villeneuve (dame de), 2019 English translation of the original version of the fairy tale *Beauty and the Beast*, written in the mid-eighteenth century by the French noblewoman Madame de Villeneuve, whose authorship was forgotten as the tale was elaborated and transformed over the next 250 years--

original story beauty and the beast: Inhabited by Stories Nancy A. Barta-Smith, Danette DiMarco, 2012-11-30 Intertextuality has signaled change, appropriation, adaptation, and derivation. It has focused readers on irresolvable questions of influence and origination, progressive or regressive movement across continents, periods, and media. *Inhabited by Stories: Critical Essays on Tales Retold* takes a different approach. What would a model of literary study look like that steps out of time's river and embraces not only the presence and proximity of the world to the senses, but also of the past and the future to the present here and now? When stories inhabit us, imagination and memory extend our ability to see and feel. Phenomenological experience is lived, not just thought. Such a perspective suggests that the past and future inhabit the present, increase the depth of sensory perception itself, and enrich the range of our affective and ethical responses. Grounded in the lived experience of reading, this perspective offers an alternative to an idea of intertextuality as simply following lines of influence and appropriation. It focuses on the expansion of experience created by telling and retelling stories. Ironically, for literary theorists and critics, perhaps the highest form of both praise and critique is a tale retold, since such retellings attest to literature's instructive power and its perennial regeneration.

original story beauty and the beast: Folktales and Fairy Tales Anne E. Duggan Ph.D., Donald Haase Ph.D., Helen J. Callow, 2016-02-12 Encyclopedic in its coverage, this one-of-a-kind reference is ideal for students, scholars, and others who need reliable, up-to-date information on folk and fairy tales, past and present. Folktales and fairy tales have long played an important role in cultures around the world. They pass customs and lore from generation to generation, provide insights into the peoples who created them, and offer inspiration to creative artists working in media that now include television, film, manga, photography, and computer games. This second, expanded edition of an award-winning reference will help students and teachers as well as storytellers, writers, and creative artists delve into this enchanting world and keep pace with its past and its many new facets. Alphabetically organized and global in scope, the work is the only multivolume reference in English to offer encyclopedic coverage of this subject matter. The four-volume collection covers national, cultural, regional, and linguistic traditions from around the world as well as motifs, themes, characters, and tale types. Writers and illustrators are included as are filmmakers and composers—and, of course, the tales themselves. The expert entries within volumes 1 through 3 are based on the latest research and developments while the contents of volume 4 comprises tales and texts. While most books either present readers with tales from certain countries or cultures or with thematic entries, this encyclopedia stands alone in that it does both, making it a truly unique, one-stop resource.

original story beauty and the beast: *A Cultural History of the Disney Fairy Tale* Tracey L. Mollet, 2020-11-21 This book charts the complex history of the relationship between the Disney fairy tale and the American Dream, demonstrating the ways in which the Disney fairy tale has been reconstructed and renegotiated alongside, and in response to important changes within American society. In all of its fairy tales of the twentieth and twenty-first centuries, the Walt Disney studios works to sell its audiences the national myth of the United States at any one historical moment. With analyses of films and television programmes such as *The Little Mermaid* (1989), *Frozen* (2013), *Beauty and the Beast* (2017) and *Once Upon a Time* (2011-2018), Mollet argues that by giving its fairy tale protagonists characteristics associated with 'good' Americans, and even by situating their fairy tales within America itself, Disney constructs a vision of America as a utopian space.

original story beauty and the beast: *Beauty and the Beast* Rossana Rosa Di Grazia, 2021-05-26 This book was created with the intention of providing a unified work for those who love the tale as old as time that is *Beauty and the Beast*. And for curious readers and linguists who love challenges. Love may turn a beast into a man; but it may also turn a man into a beast. Who is the real beast and who is the protagonist of the tale? It is important to awaken the critical spirit of society, so that the whole world can become a better place. In this book readers will find: - Differences between English and American languages - New perspectives on *Beauty and the Beast* - Contemporary interpretations of the tale. Rossana Rosa Di Grazia is an emerging Italian writer who graduated and specialized in Language, Society and Communication. She is an English and Spanish teacher, and she also writes articles. As a life-long enthusiast of foreign languages and translation, her main interests are teaching, which she considers a mission, and traveling. Curiosity is what allowed her to get a good grasp of languages and human relations.

original story beauty and the beast: *The Psychosocial Implications of Disney Movies* Lauren Dundes, 2019-07-11 In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.

original story beauty and the beast: *Fairy Tale as Myth/myth as Fairy Tale* Jack Zipes, 1994-10-25 Traces the history of the fairy tale, discusses its relationship with society, and looks at the interpretation of fairy tales in film and literature

original story beauty and the beast: Folktales Retold Amie A. Doughty, 2006-03-31

Folktales and fairy tales are living stories; as part of the oral tradition, they change and evolve as they are retold from generation to generation. In the last thirty years, however, revision has become an art form of its own, with tales intentionally revised to achieve humorous effect, send political messages, add different cultural or regional elements, try out new narrative voices, and more. These revisions take all forms, from short stories to novel-length narratives to poems, plays, musicals, films and advertisements. The resulting tales paint the tales from myriad perspectives, using the broad palette of human creativity. This study examines folktale revisions from many angles, drawing on examples primarily from revisions of Western European traditional tales, such as those of the Grimm Brothers and Charles Perrault. Also discussed are new folktales that combine traditional storylines with commentary on modern life. The conclusion considers how revisionists poke fun at and struggle to understand stories that sometimes made little sense to start with.

original story beauty and the beast: American Myths, Legends, and Tall Tales

Christopher R. Fee, Jeffrey B. Webb, 2016-08-29 A fascinating survey of the entire history of tall tales, folklore, and mythology in the United States from earliest times to the present, including stories and myths from the modern era that have become an essential part of contemporary popular culture. Folklore has been a part of American culture for as long as humans have inhabited North America, and increasingly formed an intrinsic part of American culture as diverse peoples from Europe, Africa, Asia, and Oceania arrived. In modern times, folklore and tall tales experienced a rejuvenation with the emergence of urban legends and the growing popularity of science fiction and conspiracy theories, with mass media such as comic books, television, and films contributing to the retelling of old myths. This multi-volume encyclopedia will teach readers the central myths and legends that have formed American culture since its earliest years of settlement. Its entries provide a fascinating glimpse into the collective American imagination over the past 400 years through the stories that have shaped it. Organized alphabetically, the coverage includes Native American creation myths, tall tales like George Washington chopping down his father's cherry tree and the adventures of King of the Wild Frontier Davy Crockett, through to today's urban myths. Each entry explains the myth or legend and its importance and provides detailed information about the people and events involved. Each entry also includes a short bibliography that will direct students or interested general readers toward other sources for further investigation. Special attention is paid to African American folklore, Asian American folklore, and the folklore of other traditions that are often overlooked or marginalized in other studies of the topic.

original story beauty and the beast: Women Writers Dramatized H. Philip Bolton,

2000-01-01 This volume, arranged alphabetically by original author, provides basic information about stage and screen productions based upon the novels of 40 women writers before 1900. Each entry includes the novel and its publication date, the published texts or dramatizations based upon the book, and the performances of the piece in live theater and film versions, including the location, dates, and playwright or screenwriter (if there was one). For some of the performances the author includes a brief annotation listing the actors and describing the production.

original story beauty and the beast: Laughing-Crying-Naked Adrienne R. C. Carpenter,

2011-06 If you have ever been afraid of GOD. Seeking answers and complication get in your way. Wanting to know that you are truly saved. Wanting everything; but finding nothing. Wanting to knock on GOD's door but can't find it; or does it even exist? THIS BOOK IS FOR YOU In today's world people are interested in their spiritual growth, and many books and classes are available. The authors give their opinions and facts in all different types of methods. This was not available in the years that this author was raised. In 1960 things were very different. The word GOD was never used outside of religious gatherings. We were taught that we must love GOD. Did we? Or were we afraid not to, for various reasons. Questions were not asked, since there were no answers. The author never realized that it was possible for GOD to give us another way, that would help us obtain our true destination, to strive for our good dreams, which were held inside of us. He did and still does. In

October 1960 she felt GOD's love and wrote down His inner soft words because she knew they were Sacred. -GOD CREPT UP ON ME. I KNOW NOT FROM WHERE, BUT WHEN I TURNED AROUND I FOUND HIM, HERE, THERE AND EVERYWHERE.- At the time, she did not realize it, but her first Mystical Experience began. There would be four more, through the years, each lasting one week. This book contains the author's 43 year Spiritual Journey which leads to the Glorification of GOD. He lead, she followed. At times she lead and He walked along side of her or through her. She surrendered to His love and found the Peace, Love and Joy that is available to others also. It is not easy to share something that is very sacred to you. When you begin to acknowledge that it is GOD's will and desire, you begin cautiously and receive the strength of GOD behind you and sometimes opening up a path, which eventually completes the mission.

original story beauty and the beast: The Routledge Companion to Media and Fairy-Tale Cultures Pauline Greenhill, Jill Terry Rudy, Naomi Hamer, Lauren Bosc, 2018-03-28 From Cinderella to comic con to colonialism and more, this companion provides readers with a comprehensive and current guide to the fantastic, uncanny, and wonderful worlds of the fairy tale across media and cultures. It offers a clear, detailed, and expansive overview of contemporary themes and issues throughout the intersections of the fields of fairy-tale studies, media studies, and cultural studies, addressing, among others, issues of reception, audience cultures, ideology, remediation, and adaptation. Examples and case studies are drawn from a wide range of pertinent disciplines and settings, providing thorough, accessible treatment of central topics and specific media from around the globe.
