a happy journey larry welch: School Days in Vietnam Stories from the Heart Larry Welch, 2015-08-29 School Days in Vietnam is the third book in a trilogy that encompass five years of teaching English in Thailand, Myanmar, and Vietnam. I only taught for a year in Hanoi and used the second year to travel and carry-on with other missions in my life that included writing much of this book and other stories about travel. I had wanted to live in Hanoi since first visiting in 2004, but the opportunity didn't present itself until eight years later through employment as an English teacher in an international school. In my mind I had high expectations and a goal of remaining in Hanoi for two years. Everything was more interesting and meaningful than I could have expected and at the end of two years I felt tied to my friendships and the amazing lifestyle that was simple yet lavish in humanity. I was totally enamored with Vietnam, the people, the natural beauty of its diverse geography, and the culture that separates it from all other nations. I made more friends than I had in any other country, and in North Vietnam I enjoyed a weather pattern that was near to the tropics but decidedly four seasons.

a happy journey larry welch: Travels Here and There Larry Welch, 2018-08-13 Travels Here and There possesses stories from the heart about places far and near. Included in this volume readers are entertained by Larry Welch's recollections of travel to Austria, Bulgaria, Czech Republic, Germany, Hungary, Malawi, Michigan, Nepal, Poland, Romania, Serbia, Ukraine, Vietnam, and Zambia. The final chapter is a personal story that involved a short journey from home to a hospital in Thailand and what transpired. Embedded with the stories are descriptions of geography, history, urban planning, and details on what went into making people famous or infamous as the case might be. Larry likes heroes and that shows through in his descriptions of what made some people great. Strolling through castles, fortresses, markets, museums, palaces, parks, Roman ruins, or dining on street food and riding buses or trains, will leave readers hungry for more and even give them a better appreciation for their own travels. In *Innocents Abroad*, Mark Twain wrote, Travel is fatal to prejudice, bigotry, and narrow-mindedness, and many of our people need it sorely on these accounts. Broad, wholesome, charitable views of men and things cannot be acquired by vegetating in one little corner of the earth all one's lifetime. Amen, Mr. Twain!
