gaither vocal band i do believe: Keep a Song in Your Heart Jackie Freeman, 2021-10-29 For a century, gospel music has soothed sorrows, proclaimed joys, preserved stories, and inspired new paths, always reminding listeners that God is the source of our lives and our salvation. This music wove and flowed and coursed through Jackie Freeman's life even before she was born, thanks to the incredible musician she called Momma. Her earliest memories center on her mother sitting at her upright piano as she played selections from the old Free Will Baptist Hymn Book and the piles of sheet music of gospel songs. That music teaches Scripture, God's deep and abiding love for us all, and a reverence for the awe-inspiring power and beauty of classic Christian songs. *Keep a Song in Your Heart* is a legacy project that explores the wisdom Southern gospel masterpieces and their performers impart. In these devotions, the author shares how America's greatest gospel songs inspired her family and her life—and, she hopes, they will enrich and inspire your life. Thanks to modern technology, she shares the music with you via Spotify, a free computer app. During difficult times in our lives and in the world, this devotional offers strong messages of hope, destiny, and salvation.

gaither vocal band i do believe: Behold, the Man Paul Murray, 2018-07-19 John's gospel is unique. What makes it unique is the author, John, and the perspective he brings to the person and character of Jesus. John was Jesus's closest friend. You might say his best friend! Peter, James, and John were part of an inner circle that Jesus included exclusively. Only these three were allowed into the room when Jesus raised the synagogue official's daughter from the dead. Only these three were invited onto the mountain to witness his transfiguration experience. It was John that leaned on Jesus's breast at the Last Supper and was told who the betrayer was. And in Jesus's moment of deepest distress in the garden before his death, only these three were invited deep into the garden to pray with Jesus. But more than all that, John was the first disciple to be chosen and the only one at the very end. Only John was at the foot of the cross comforting Jesus's mother while the rest hid in fear. And it was because of John's unique relationship with Jesus that Jesus committed the care of his mother to him. John writes long after the other gospel letters had been distributed among the churches. John describes seven miracles, five unique to his gospel. John includes seven I am statements and is the only writer that uses the phrase Truly, truly... to underscore the extreme importance of these statements. John writes not as a follower, and not just as an eyewitness but as Jesus's best friend. And John writes for one single, specific purpose: That you may believe that Jesus is the Christ, the Son of God; and that believing you may have life in His name (John 20:31). To miss this is to miss the very reason for your existence on this planet!

gaither vocal band i do believe: The Yes, But Disease Arthur Hale, 2005-07 What happens when a practicing witch/astrologer (i.e., idolater) -- a former Lutheran minister -- suddenly meets Jesus? He learns a lot about Jesus in a hurry. This book is the second in a series of observations concerning commitment to Jesus and the state of the Christian religion today, flavored by flight from occultism and its fears and horrors, and written not to instruct but to share. It deals with topics as various as evolution, demons, and most importantly, the born again experience. It is unashamedly conservative in emphasis, as befits Christian commitment in the last days before the return of the Lord. The author's primary concern is that the meaning of Jesus' command, You must be born again, must be understood once again for what it really means. The day of interpreting the Bible to make it say politically correct things is over; God will not tolerate that any longer. Maranatha! Come, Lord Jesus!
