The Rule of Three Eric Walters: Exploring Survival, Resilience, and Courage in Young Adult Fiction

the rule of three eric walters stands out as a compelling novel that captures the essence of survival and human resilience in the face of disaster. Written by the acclaimed Canadian author Eric Walters, this young adult book delves deep into the harrowing experience of a family trapped in a power outage amid a catastrophic event. Walters, known for his gripping storytelling and relatable characters, crafts a narrative that not only entertains but also educates readers about survival skills and the importance of family bonds.

Understanding the core of *The Rule of Three* Eric Walters invites readers into a world where technology suddenly fails, and the basic necessities of life become scarce. This novel resonates strongly in today's society, where dependence on electricity and modern conveniences is ubiquitous. Walters' story challenges this reliance and explores what it takes to endure when everything we take for granted disappears overnight.

Who is Eric Walters?

Before diving deeper into the themes of *The Rule of Three* Eric Walters, it's worth exploring the author's background. Eric Walters is a prolific writer of young adult novels, many of which tackle real-world issues such as poverty, war, and environmental concerns. His writing style is accessible and engaging, making complex themes understandable for younger audiences without talking down to them.

Walters often draws inspiration from current events and personal experiences, which adds authenticity to his stories. His ability to blend action with emotional depth makes his books popular in schools and among readers who enjoy thoughtful adventure. *The Rule of Three* is a prime example of his skill in weaving suspense with meaningful life lessons.

The Plot and Premise of The Rule of Three

At its heart, *The Rule of Three* Eric Walters is a survival story. The novel opens with a sudden, unexplained blackout that plunges the city into darkness. The protagonist, Adam, along with his family, must navigate a world without power, running water, or communication. What follows is a tense and emotional journey as they face threats from the environment, other people, and their own fears.

The "rule of three" itself is a survival guideline that suggests humans can survive three minutes without air, three hours without shelter, three days without water, and three weeks without food. Walters uses this principle to structure the urgency and challenges his characters face, adding a layer of realism to the story.

Survival Skills Highlighted in the Story

One of the strengths of *The Rule of Three* by Eric Walters is its practical survival advice. Throughout the narrative, readers learn about:

- Finding and purifying water
- Building basic shelters
- Maintaining warmth and safety
- Managing limited food supplies
- Staying calm and thinking critically under pressure

These elements not only heighten the suspense but also provide young readers with valuable knowledge that could be useful in real-life emergencies.

Themes Explored in *The Rule of Three* by Eric Walters

Walters expertly explores several key themes that resonate beyond the immediate survival context.

Resilience and Adaptability

The novel emphasizes how resilience—the ability to bounce back from adversity—is crucial in crisis situations. Adam and his family must quickly adapt to a new reality without modern conveniences, showcasing human strength and ingenuity.

The Importance of Family and Community

Another significant theme is the reliance on family and community bonds. The isolation of the blackout highlights the need for cooperation and trust. Walters portrays how working together increases chances of survival and emotional well-being.

Dependence on Technology

The Rule of Three by Eric Walters also serves as a cautionary tale about our dependence on

technology. It prompts readers to consider how vulnerable society might be if critical infrastructures fail, encouraging preparedness and self-reliance.

Why The Rule of Three Eric Walters is Important for Young Readers

Young adult fiction often serves as a mirror and a window—reflecting readers' experiences while offering insight into different lives and challenges. The Rule of Three achieves this by engaging readers in a high-stakes scenario they can relate to, especially in an era where natural disasters and power outages are increasingly common.

Encouraging Critical Thinking

The novel challenges readers to think critically about problem-solving and decision-making. Adam's choices often involve weighing risks and benefits, teaching readers about consequences and responsibility.

Building Empathy and Awareness

By putting readers in the shoes of someone facing a crisis, Walters fosters empathy. Understanding the emotional toll of survival situations helps young readers develop compassion for others in similar real-world circumstances.

How The Rule of Three Eric Walters Fits into the Survival Fiction Genre

Survival fiction has long been a popular genre for young readers, with classics like "Hatchet" by Gary Paulsen setting the standard. The Rule of Three adds a modern twist by incorporating contemporary concerns about infrastructure and societal collapse.

Realism Meets Accessibility

Unlike some survival stories that veer into fantasy or unrealistic scenarios, Walters grounds his narrative in plausible events familiar to today's teens. His straightforward prose and relatable characters make survival fiction approachable and exciting.

Educational Value

Teachers and parents often use *The Rule of Three* by Eric Walters as a tool to discuss emergency preparedness, critical thinking, and ethical dilemmas in crisis. It offers a springboard for conversations about safety and resilience without feeling like a textbook.

Tips for Readers Inspired by *The Rule of Three* by Eric Walters

If *The Rule of Three* has sparked your interest in survival skills or emergency preparedness, here are some practical tips you can take away from the book:

1. **Learn Basic First Aid:** Knowing how to treat minor injuries can be crucial in an emergency.
2. **Prepare an Emergency Kit:** Include essentials like water, non-perishable food, a flashlight, and a first-aid kit.
3. **Understand Your Environment:** Familiarize yourself with local natural hazards and safe places.
4. **Practice Staying Calm:** Mental resilience is as important as physical readiness.
5. **Stay Informed:** Follow credible news sources and know how to access emergency information when technology fails.

These tips complement the lessons embedded in the novel and empower readers to take practical steps toward preparedness.

Reading *The Rule of Three* by Eric Walters is more than just an exciting adventure—it's an invitation to think about how we live, what we rely on, and how we can face unexpected challenges with courage and resourcefulness. Walters' storytelling prowess ensures that readers are not only entertained but also inspired to appreciate the strength found in human connection and the importance of being ready for whatever life throws their way.

Frequently Asked Questions

What is the main theme of 'The Rule of Three' by Eric Walters?

The main theme of 'The Rule of Three' is survival and resilience in the face of a sudden and catastrophic collapse of modern society.

Who is the protagonist in 'The Rule of Three' and what challenges does he face?

The protagonist is Adam, a teenager who must navigate the dangers of a world without electricity, communication, or modern conveniences after a massive power outage.

How does Eric Walters portray the importance of community in 'The Rule of Three'?

Walters emphasizes that cooperation, trust, and working together are essential for survival, showing how Adam and his neighbors form a community to overcome adversity.

What role does the 'rule of three' concept play in the story?

The 'rule of three' refers to the survival principle that a person can survive three minutes without air, three hours without shelter in extreme conditions, three days without water, and three weeks without food, guiding the characters' priorities.

Is 'The Rule of Three' suitable for young adult readers?

Yes, 'The Rule of Three' is targeted at young adult readers and combines suspense with relatable characters and themes relevant to teenagers.

How does the setting affect the plot in 'The Rule of Three'?

The story is set in a suburban area suddenly cut off from all technology and resources, which creates a tense and dangerous environment that drives the characters' actions.

What lessons can readers learn from 'The Rule of Three' by Eric Walters?

Readers can learn about the importance of preparedness, adaptability, leadership, and the value of human connection during times of crisis.

Additional Resources

The Rule of Three Eric Walters: A Critical Exploration of Survival and Humanity

the rule of three eric walters emerges as a compelling young adult novel that delves into the harrowing journey of survival following a catastrophic global event. Written by Eric Walters, a prolific Canadian author known for his gripping storytelling and ability to tackle challenging themes, this book presents a narrative that is both intense and thought-provoking. It offers readers not only an adventure but also a reflection on human resilience, ethics, and the fragility of civilization.

In-depth Analysis of The Rule of Three by Eric Walters

Eric Walters' *The Rule of Three* is a dystopian survival story centered around Adam, a high school student thrust into chaos after an electromagnetic pulse (EMP) disables all modern technology. The sudden loss of power plunges society into darkness, stripping away the comforts and infrastructures that people take for granted. Walters constructs a realistic scenario that explores how individuals and communities respond when stripped of modern conveniences.

The novel's premise taps into the popular survivalist genre, but Walters distinguishes his work through psychological depth and social commentary. The narrative is grounded in the protagonist's perspective, allowing readers to experience the escalating tension and uncertainty firsthand. The author's background in youth literature equips him to craft characters that resonate with a younger audience, while embedding mature themes that invite critical reflection.

Plot Structure and Pacing

The Rule of Three employs a fast-paced, action-driven plot that maintains a steady rhythm of suspense. From the initial EMP event to the ensuing collapse of order, the story unfolds in a linear fashion that rarely loses momentum. Walters balances moments of intense action with quieter scenes of introspection and character development, ensuring that the narrative does not become overwhelming or monotonous.

A notable feature is the use of a tight timeline, which enhances the urgency of Adam's quest to protect his family and find safety. The "rule of three" itself refers to the three-day window before essential resources like water and food become critically scarce, a grim countdown that drives much of the novel's tension.

Thematic Exploration

Several themes underpin *The Rule of Three*, making it a rich text for analysis:

- **Survival and Self-Reliance:** The novel examines the instinctual drive to survive in extreme conditions. Adam's transformation from a typical teenager into a resourceful survivor underscores the theme of adaptability.
- **Community and Trust:** As societal structures collapse, the importance of trust and cooperation becomes evident. Walters explores the complexities of forming alliances amid fear and suspicion.
- **Ethical Dilemmas:** The story does not shy away from moral questions, such as the justification of violence and the prioritization of loved ones versus strangers.

- **Dependence on Technology:** The EMP event serves as a catalyst for reflecting on modern society's reliance on electronic devices and infrastructure.

Character Development and Representation

Eric Walters crafts Adam as a relatable protagonist whose growth is central to the narrative. Initially portrayed as an average teenager, Adam's experiences force him to confront harsh realities and make difficult decisions. This character arc is essential in engaging young readers who might see themselves in Adam's shoes.

Supporting characters also play significant roles, though some critics argue that their development is somewhat limited compared to Adam's. Nonetheless, the interactions between characters highlight the social dynamics that emerge in crisis situations, including leadership struggles and conflicts of interest.

Writing Style and Accessibility

Walters' writing style in *The Rule of Three* is accessible and straightforward, catering primarily to a young adult audience. The prose is clear and direct, which aids in maintaining the story's pace and intensity. Dialogue is naturalistic, often reflecting contemporary speech patterns, which helps ground the story in reality.

The author's experience in writing for younger readers is evident in his ability to balance complex themes with readability. This accessibility does not dilute the narrative's impact but rather broadens its appeal.

Comparisons Within the Survival Genre

When juxtaposed with other survival novels in young adult literature, *The Rule of Three* stands out for its focus on a realistic technological disaster rather than fantastical or apocalyptic settings. For instance, unlike Cormac McCarthy's *The Road*, which delves into a post-apocalyptic world of unspecified devastation, Walters' depiction is rooted in a plausible scenario that resonates with contemporary concerns about infrastructure vulnerability.

Similarly, compared to Suzanne Collins' *The Hunger Games*, which incorporates dystopian governance and societal commentary, *The Rule of Three* is more narrowly focused on immediate survival and familial bonds. This focus lends the novel a certain intimacy and urgency that appeals to readers interested in practical survival scenarios.

Educational and Practical Implications

The Rule of Three also serves as a useful educational tool. Its realistic portrayal of an EMP disaster opens avenues for discussions about emergency preparedness, critical thinking, and ethical decision-making. Teachers and parents can leverage the novel to introduce topics such as:

- Disaster readiness and the importance of resource management.
- Social dynamics in crisis situations, including cooperation and conflict resolution.
- Technological dependence and its societal implications.

By embedding these lessons within an engaging narrative, Walters effectively combines entertainment with educational value.

Pros and Cons of The Rule of Three

- **Pros:**

- Engaging and fast-paced plot that maintains reader interest.
- Relatable protagonist with a compelling character arc.
- Realistic depiction of a technology-dependent society's collapse.
- Exploration of ethical and social themes relevant to young adults.

- **Cons:**

- Occasional predictability in plot developments.
- Some supporting characters lack depth and complexity.
- Limited exploration of long-term societal rebuilding post-disaster.

Impact and Reception

Since its release, *The Rule of Three* has garnered positive reviews for its gripping narrative and relevance. It resonates with readers concerned about real-world vulnerabilities, such as cyberattacks and infrastructure failures. Educators appreciate its potential as a discussion starter on preparedness and ethics.

Critically, the novel's strength lies in its ability to humanize a large-scale disaster, focusing on individual choices rather than abstract catastrophes. This personal approach enhances reader empathy and engagement.

The Rule of Three Eric Walters stands as a significant contribution to young adult literature, blending thrilling storytelling with meaningful commentary on society's fragility and the enduring spirit of human survival. Through its realistic portrayal of crisis and ethical complexity, it invites readers to ponder not only how they would survive but also how they would uphold their humanity in the face of adversity.

the rule of three eric walters: The Rule of Three Eric Walters, 2014-01-21 When a computer virus destroys society, a high school kid must learn to survive in this YA apocalyptic thriller series debut. A person can last three minutes without air, three days without water, and three weeks without food. But without technology, a community will collapse almost immediately. That's what sixteen-year-old Adam Daley learns one shocking afternoon when computers around the globe shut down in a viral catastrophe. At Adam's high school, the problem first seems to be a typical electrical outage, until students discover that cell phones are down, municipal utilities are failing, and a few computer-free cars like Adam's are the only vehicles that function. Driving home, Adam encounters a storm tide of anger and fear as the region becomes paralyzed. Soon—as resources dwindle, crises mount, and chaos descends—he will see his suburban neighborhood band together for protection. And Adam will understand that having a police captain for a mother and a retired government spy living next door are not just the facts of his life, but the keys to his survival.

the rule of three eric walters: **"This Is a Great Book!"** Larry Swartz, Shelley Stagg Peterson, 2015-10-08 "This Is a Great Book!" champions the belief that having a wide range of "great" books to read is essential to students' becoming readers — both inside the classroom, and beyond. Based on extensive research, this highly readable book explores a range of recommended titles that cover a spectrum of developmental stages, from early chapter books to young adult novels. The 101 literacy events outlined within include a wealth of practical strategies: more than fifty reproducible activities, assessment profiles, and inventories for easy classroom use. Committed to nurturing the love of reading, this passionate book invites readers to dig deeper by responding through writing, discussion, the arts, media, and more. Special attention is given to the world of leisure reading, where readers make choices based on their preferences and tastes as they build a lifelong interest in fiction that will enrich their lives.

the rule of three eric walters: **Hostile Territory** Paul Greci, 2025-06-25 In Paul Greci's *Hostile Territory*, a catastrophic earthquake strands four teens in the Alaskan wilderness—and leaves them without a civilization to return to. Josh and three other campers at Simon Lake are high up on a mountain when an earthquake hits. The rest of the camp is wiped out in a moment—leaving Josh, Derrick, Brooke, and Shannon alone, hundreds of miles from the nearest town, with meager supplies, surrounded by dangerous Alaskan wildlife. After a few days, it's clear no rescue is coming, and distant military activity in the skies suggests this natural disaster has triggered a political one. Josh and his fellow campers face a struggle for survival in their hike back home—to an America they might not recognize. An Imprint Book In Greci's intense survival tale with a thriller component, four teens endure a harrowing trek across the Alaskan wilderness . . . It's clear that Greci (*The Wild Lands*) knows his landscape— Alaska's beauty and natural hazards become their own vivid character in his handling. — Publishers Weekly Readers will feel like they are in Alaska alongside the characters... Recommended for teenagers who like postapocalyptic adventure or are fans of Gary Paulsen's *Hatchet* . — School Library Journal

the rule of three eric walters: *Valley Of The Rats* Mahtab Narsimhan, 2021-09-18 Krish never wanted to go camping—especially not with the father who barely knows him. But when a detour in the unforgiving wilds of Ladakh leads them to a village erased from history, their uneasy reunion becomes a fight for survival. Little did Krish know, this trip would change his life forever. The village of Imdur is shrouded in mystery and danger. The eerie silence is only broken by the whispers of dark secrets and the villagers' distrustful stares. Krish quickly learns that they are not welcome here and must tread carefully to survive. As he unravels the village's secrets, Krish realizes that his own father has been keeping something from him. Something that could cost them both their lives. But in a place where ancient rituals and traditions hold power over life and death, Krish must navigate through the darkness to uncover the truth. Some places change you. Some truths demand it. And in Imdur, Krish will be forced to confront his deepest fears and make choices that will determine his fate. If you enjoyed the heart-pounding suspense of Katherine Arden's *Small Spaces* and the chilling

atmosphere of Jonathan Stroud's *The Screaming Staircase*, then you'll love this gripping tale of survival and betrayal in the remote wilderness of Ladakh. Don't wait any longer to get a copy. This is one adventure you don't want to miss.

the rule of three eric walters: Better Reading Now Larry Swartz, 2021-04-26 Based on what we now know about reading, this practical book offers strategies in a consistent format that is easy for teachers to incorporate in their daily instruction. This grab-bag of classroom-tested activities allows teachers to choose what they need to meet the diverse needs of students in grades 1 through 8. These strategies guide students through the reading process and build important comprehension skills through reading, talk, art, drama, and more. These innovative ways to use the best children's books will inspire students to become enthusiastic and avid readers, and take the first giant step into becoming lifelong readers.

the rule of three eric walters: Flight Plan Eric Walters, 2023-09-12 Key Selling Points *Flight Plan* examines what would befall the world if all modern technology failed...and how human civilization would falter. It unflinchingly shows both how dangerous people can be and how capable and kind as well. Its overarching message is how much we need each other, no matter what. The book also has a coming-of-age theme, in that Jamie starts out a privileged young kid who has only read about hardship but grows to become a self-sufficient person with a strong will to survive and the ability to defend himself and his friends. The story takes place in the world of Eric Walters's *Rule of Three* series (a trilogy released by Macmillan, starting in 2015). Eric Walters ceaselessly visits schools; he's an expert at engaging school-age kids in reading, and he continues to write thrilling books to keep them turning pages.

the rule of three eric walters: Just Three Lorna Schultz Nicholson, 2019-08-27 Before Rory and Jillian's mother died two years ago, she hired Rebecca to be the family housekeeper. But Rebecca is a terrible cook and not so great at housework either. The weird lunches and laundry disasters drive the twins crazy. One day Jillian catches her father flirting with Rebecca and decides it's time to find him a girlfriend. Rory disagrees. But eventually he goes along with the idea, and they create a profile for their father on an online dating site. Dad is very reluctant, but Jillian gets him to agree to go on three dates before giving up. Each date turns out to be more disastrous than the last. Will Rory and Jillian manage to find their dad the perfect match? Or was the answer right in front of them the whole time? This short novel is a high-interest, low-reading level book for middle-grade readers who are building reading skills, want a quick read or say they don't like to read! The epub edition of this title is fully accessible.

the rule of three eric walters: Nothing to Fear Eric Walters, 2014-03-11 *Nothing to Fear* is an episode inspired by *The Rule of Three*, the opening novel in Eric Walter's trilogy of the same name about the terrifying challenges faced by an ordinary suburban kid, his family, and his neighbors, in the first days and weeks and months after a viral catastrophe causes the world to go dark. Sixteen-year-old Adam Daley is taking his girlfriend, Lori, on a picnic in his homemade ultralight aircraft—one of the few computer-free machines that still works. He wants to celebrate a surprise anniversary only he knows about (the first time he saw her at a junior high basketball game). But soon, this attempt at a normal date away from the fortified safety of their neighborhood feels increasingly risky. As their gripping misadventure unfolds, it is a reminder for Adam and Lori that there is nothing in particular for them to be afraid of, because in their world there is everything to fear. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

the rule of three eric walters: 90 Days of Different Eric Walters, 2017-10-03 Key Selling Points This coming-of-age novel follows a girl's quest to make her life more interesting after she is broken up with on the last day of high school for being too boring. High school is over, her 90 days before university start now. *90 Days of Different* explores themes of boundaries, social media and finding yourself. This best-selling novel is now available in paperback for the first time. Author Eric Walters is a tireless presenter and speaks to over 100,000 students per year. Best-selling, award-winning author Eric Walters has published over 100 books and has been named a Member of

the Order of Canada.

the rule of three eric walters: *Sketches* Eric Walters, 2008-03-13 After fleeing her suburban home, 15-year-old Dana struggles to survive in the alleys, squats, and subway stations of downtown Toronto. Dana and her two friends, seasoned street kids Brent and Ashley, must contend with turf wars, thugs, hunger, and the daily battle of life on the streets. When Dana's graffiti on an underpass catches the eye of a counsellor at Sketches, a drop-in centre for homeless teens, Dana discovers a haven where she can express herself through art. As she works on a self-portrait, Dana begins to confront the reason she left home. The truth of what her stepfather did to her is trying to surface, but will it come out through her paintbrush or the blade of a knife? This gritty, honest portrayal of street life from acclaimed author Eric Walters is a testament to the healing power of art.

the rule of three eric walters: *Houston, Is There A Problem?* Eric Walters, 2021-09-14 Key Selling Points A young teen earns a scholarship to go to space camp. The first in the Teen Astronauts series featuring Houston at space camp. Examines themes of perseverance, leadership and growth mindset. This is an adventure story with an exciting setting: astronaut training camp. Eric Walters is very well known to librarians and booksellers.

the rule of three eric walters: *The Rule of Three: Will to Survive* Eric Walters, 2016-02-09 The explosive ending to the Rule of Three trilogy! After the shocking personal attack on Herb and Adam, the citizens of the fortified neighborhood of Eden Mills are realizing their worst fears: while the power remains off, desperation will grow, leading to more violence. And now it's personal. The rogue militaristic group they had hoped to have vanquished is not only back, but has a new leader, one who is seeking revenge on the neighborhood--especially on Adam. In preparation for an attack they know is coming, the committee members make new alliances and grow in strength, but Adam knows it's up to him to dig down deep within himself, to think like the enemy--to become the enemy--in order to save his family, his neighborhood, and himself.

the rule of three eric walters: *The Rule of Three* Eric Walters, 2015-01-13 One ordinary afternoon, every single machine in sixteen-year-old Adam's high school computer lab stops working. At first the problem seems to be an electrical outage, but it quickly becomes apparent that it is far more serious. Outside, cars won't start, phones are down, and a blackout is widespread. Adam is surprised to find that his ancient, cyber-free car is one of the only vehicles to function. And he senses a rising storm tide of anger and fear as he drives home past hundreds of stranded motorists. Soon Adam will discover that the problem has paralyzed not just his town but the whole region if not the whole country and beyond. Soon—as resources dwindle, crises mount, and chaos descends—he will see that his suburban neighborhood must band together for protection. Soon violence will erupt and Adam will understand that having a police captain for a mother and a retired government agent living next door are not just the facts of his life but the keys to his survival.

the rule of three eric walters: *Triple Threat* Eric Walters, Jerome Williams, 2004-11-01 It's summertime and hoops season is over, but that doesn't keep Nick and Kia off the court. One very hot day they head to the rec center for a swim but end up on the outdoor courts that are usually dominated by older players. Their enjoyment of the court is short-lived, however, when three teens show up and kick the kids and their ball off the court. Nick and Kia don't take well to being bullied, but there's nothing they can do about it. At least not until they run into Jerome Junk Yard Dog Williams at a mall promotional event, and Kia enlists the NBA star's help in proving that she and Nick do indeed belong on the same court as the older players. The epub edition of this title is fully accessible.

the rule of three eric walters: *Hoop Crazy* Eric Walters, 2001-09-01 When Nick and his pals suddenly find themselves short a man for the NBA-sponsored three-on-three tournament they plan to enter during the summer holidays, the solution seems simple enough. Nick, Kia and Mark are the key players on the team, so the fourth, though mandatory according to the rules, doesn't really have to be good at the game. A surprise visit from Nick's mother's cousin brings Ned, who is exactly Nick's age but not exactly an athlete, into the picture and onto the team. The other three teammates figure that as long as they don't actually have to use Ned in a game they will be fine. Then Mark

sprains his ankle and can't play in the tournament. Suddenly Nick and Kia must find a way to make Ned an integral part of the team. This turns out to be no small task!

the rule of three eric walters: *Laggan Lard Butts* Eric Walters, 2006-03-01 Sam Campbell's school team, the Laggan Lairds, always loses. When someone suggests that their name be the Laggan Lard Butts, Sam thinks the team should change its name. What is a Laird anyway? The basketball coach agrees, and soon the whole school is involved in an election for a new team name. Sam and his friends nominate the name Lard Butts. When the basketball team starts winning games after a warm-up cheer of Go Lard Butts! it seems the Lard Butt campaign might actually win the election. This short novel is a high-interest, low-reading level book for middle-grade readers who are building reading skills, want a quick read or say they don't like to read!

the rule of three eric walters: *Cooperative Breeding in Vertebrates* Walter D. Koenig, Janis L. Dickinson, 2016-01-07 Cooperative breeders are species in which individuals beyond a pair assist in the production of young in a single brood or litter. Although relatively rare, cooperative breeding is widespread taxonomically and continues to pose challenges to our understanding of the evolution of cooperation and altruistic behavior. Bringing together long-term studies of cooperatively breeding birds, mammals, and fish, this volume provides a synthesis of current studies in the field. The chapters are organised by individual studies of particular species or (in the case of mole-rats) two closely related cooperatively breeding species. Each focuses not only on describing behavior and ecology but also on testing evolutionary hypotheses for the form and function of the diverse and extraordinary cooperative breeding lifestyles that have been discovered. This unique and comprehensive text will be of interest to graduate students and researchers of behavioral ecology and the evolution of cooperation.

"By foot" vs. "on foot" - English Language & Usage Stack Exchange Which one is correct? I go to school by foot. I go to school on foot. Are there instances when the expression by foot is

preferred? My last question is the following: Why is the singular

on foot **on feet** - On foot on feet, by car, by bus, by plane She goes to school on foot every day.

"by walk" or "by foot" when travelling by walking [duplicate] It's by air rather than by flight, but on foot (and on horseback). From other comments, it appears that some people do find by foot idiomatic. Google Ngrams shows the
