****Unlocking Spiritual Growth: A Comprehensive Guide to the COGIC Sunday School Lesson****

cogic sunday school lesson serves as a foundational pillar in the spiritual education and growth of believers within the Church of God in Christ (COGIC). Rooted in biblical teachings, these lessons provide a structured yet dynamic way to engage children, youth, and adults alike in understanding Scripture, deepening their faith, and applying biblical principles in everyday life. Whether you are a seasoned Sunday school teacher or a new member looking to grow, exploring the richness of the COGIC Sunday School lesson can transform the way you approach spiritual learning.

What Makes the COGIC Sunday School Lesson Unique?

The Church of God in Christ emphasizes holiness, the power of the Holy Spirit, and a Christ-centered life. The Sunday school lessons reflect these core values, blending doctrinal teachings with practical applications that resonate with diverse age groups. Unlike generic Sunday school curricula, COGIC lessons often integrate Pentecostal theology—highlighting baptism in the Holy Spirit, spiritual gifts, and sanctification.

Structured Curriculum with a Spiritual Focus

The COGIC Sunday School curriculum is usually planned on a quarterly basis, covering essential biblical themes such as salvation, Christian living, prophecy, and church history. Each lesson includes:

- ****Scripture references**** that anchor the lesson in biblical truth.
- ****Discussion questions**** designed to provoke thought and encourage personal reflection.
- ****Memory verses**** to help internalize key spiritual principles.
- ****Practical applications**** that challenge learners to live out their faith daily.

This thoughtful design ensures learners of all ages can grasp complex theological concepts while fostering a personal relationship with Christ.

Age-Appropriate Lessons for Effective Learning

One of the strengths of the COGIC Sunday School lesson is its adaptability.

Lessons are tailored for children, teens, and adults, making spiritual education accessible and relevant. For example:

- **Children's lessons** often use storytelling, songs, and activities to explain biblical truths in simple terms.
- **Youth lessons** may incorporate real-life scenarios and group discussions to address challenges young believers face.
- **Adult lessons** delve deeper into doctrinal studies, encouraging mature faith and leadership development.

This segmentation helps maintain engagement and promotes spiritual growth at every life stage.

How to Maximize the Impact of Your COGIC Sunday School Lesson

While the curriculum offers a solid framework, the effectiveness of the Sunday school lesson largely depends on how it's delivered and received. Here are some tips to enhance your experience:

Prepare with Prayer and Study

Before teaching or attending a lesson, spend time in prayer asking for wisdom and understanding. Dig into the Scripture references provided and consider supplementary materials such as commentaries or sermons by respected COGIC leaders. This preparation not only boosts your confidence but also enriches the teaching experience.

Create an Engaging Learning Environment

Sunday school is not just about imparting knowledge; it's about nurturing a community of faith. Encourage open dialogue, allow questions, and foster a welcoming atmosphere. Incorporate multimedia tools, group activities, and personal testimonies to make lessons come alive. When learners feel involved and valued, spiritual truths are more likely to take root.

Apply Lessons Beyond the Classroom

The ultimate goal of the COGIC Sunday School lesson is transformation. Encourage learners to apply what they've learned throughout the week—whether through acts of kindness, prayer, or sharing the gospel. Offering practical challenges or “homework” can motivate participants to live out their faith

actively.

The Role of Sunday School in COGIC's Spiritual Formation

Sunday school within COGIC is more than a weekly class; it's a vital ministry that nurtures the church's future. It equips believers with biblical knowledge, fosters fellowship, and cultivates leaders who will serve both locally and globally.

Building a Strong Biblical Foundation

For many believers, Sunday school is their first formal exposure to systematic Bible study. By consistently engaging with Scripture in a structured setting, learners develop a strong foundation that supports lifelong spiritual growth and resilience against challenges.

Encouraging Holiness and Spirit-Filled Living

COGIC's emphasis on holiness is woven throughout the Sunday school lessons. Participants are encouraged to pursue sanctification and live lives empowered by the Holy Spirit. This focus helps believers not only understand God's standards but also experience His power in practical ways.

Fostering Leadership and Ministry Involvement

Through Sunday school, members often discover spiritual gifts and develop leadership skills. Many church leaders and ministers within COGIC credit their Sunday school experience as the launching pad for their calling. By investing in quality lessons, the church ensures a pipeline of equipped and passionate leaders.

Resources to Enhance Your COGIC Sunday School Lesson Experience

To get the most out of the COGIC Sunday School lesson, various resources can be invaluable:

- **Official COGIC Curriculum Guides:** These provide lesson outlines,

teaching tips, and additional study materials aligned with denominational doctrine.

- **Bible Study Apps and Software:** Tools like YouVersion or Logos Bible Software help deepen understanding with commentaries, maps, and devotional plans.
- **COGIC Publications:** Books and magazines published by church leaders often complement Sunday school topics with insightful articles and testimonies.
- **Online Sermons and Videos:** Platforms like YouTube feature sermons and teaching series by prominent COGIC pastors that can reinforce lesson themes.

Using these resources can enrich discussions and provide fresh perspectives for both teachers and learners.

Embracing the Journey of Spiritual Growth Through Sunday School

The journey through the COGIC Sunday School lesson is one of discovery, challenge, and transformation. It's a sacred space where believers gather to deepen their knowledge of God's Word, grow in holiness, and build meaningful relationships within the church community. Whether you are guiding young minds or seeking to mature in your faith, embracing these lessons with an open heart can lead to profound spiritual breakthroughs and a closer walk with Christ.

In the vibrant life of the Church of God in Christ, Sunday school remains a cherished tradition and a powerful tool for nurturing the next generation of Spirit-filled believers. By engaging thoughtfully with the COGIC Sunday School lesson, each member can contribute to a thriving, dynamic church that honors God and impacts the world.

Frequently Asked Questions

What is the main focus of the COGIC Sunday School lesson?

The main focus of the COGIC Sunday School lesson is to teach biblical principles, Christian living, and holiness based on the doctrines of the Church of God in Christ (COGIC).

Where can I find the official COGIC Sunday School lessons?

Official COGIC Sunday School lessons can be found on the Church of God in Christ's official website and through their published lesson books distributed to local churches.

How often are COGIC Sunday School lessons updated?

COGIC Sunday School lessons are typically updated quarterly, with new lessons provided for each quarter of the year.

What age groups are COGIC Sunday School lessons designed for?

COGIC Sunday School lessons are designed for all age groups including children, youth, and adults, with lessons tailored to meet the spiritual needs of each group.

How can teachers prepare effectively for a COGIC Sunday School lesson?

Teachers can prepare effectively by studying the lesson in advance, praying for guidance, using available teaching aids, and engaging students with questions and discussions.

Are COGIC Sunday School lessons aligned with the Pentecostal doctrine?

Yes, COGIC Sunday School lessons are aligned with Pentecostal doctrine, emphasizing the baptism of the Holy Spirit, holiness, and the teachings of Jesus Christ.

Can non-COGIC members use the COGIC Sunday School lessons?

Yes, non-COGIC members can use the lessons as they are based on the Bible and Christian teachings, though some doctrinal points may reflect COGIC beliefs.

What role do COGIC Sunday School lessons play in spiritual growth?

COGIC Sunday School lessons play a crucial role in spiritual growth by providing structured Bible study, fostering understanding of scripture, and encouraging holy living.

How are COGIC Sunday School lessons typically structured?

They are typically structured with an introduction, scripture reading, lesson focus, discussion questions, memory verses, and a summary to reinforce learning.

Is there a digital version of the COGIC Sunday School lesson available?

Yes, digital versions of the COGIC Sunday School lessons are available on the official COGIC website and through various church apps and resources.

Cogic Sunday School Lesson: An In-Depth Review of Its Structure, Impact, and Teaching Methodologies

cogic sunday school lesson stands as a fundamental component in the spiritual formation and biblical education within the Church of God in Christ (COGIC). This weekly instructional session is designed not only to impart scriptural knowledge but also to nurture faith, character, and a sense of community among congregants of all ages. As one of the largest Pentecostal denominations in the United States, COGIC's approach to Sunday school lessons reflects both its doctrinal distinctives and its commitment to holistic Christian discipleship.

Understanding the Framework of COGIC Sunday School Lessons

The COGIC Sunday school lesson is meticulously curated to align with the denomination's theological emphasis and pedagogical goals. Typically, the lesson follows a structured curriculum outlined by the International Sunday School Department, ensuring consistency across various congregations nationally and internationally. This curriculum is updated annually, offering fresh perspectives and relevant biblical applications tailored to contemporary challenges faced by believers.

Central to the COGIC Sunday school lesson is the balance between scriptural exposition and practical application. Lessons are divided into age-appropriate classes, ranging from children and youth to adult and senior groups, allowing for tailored teaching strategies that resonate effectively with each demographic. This stratification enhances engagement and comprehension, making the learning experience more impactful.

Thematic Content and Scriptural Focus

Each lesson within the COGIC Sunday school framework is anchored on a specific biblical passage or theme, which is explored in depth. Themes often emphasize holiness, sanctification, the power of the Holy Spirit, and Christian living—core tenets of Pentecostal doctrine. For example, a lesson might focus on the transformative power of the baptism in the Holy Spirit, a hallmark of COGIC belief, drawing from texts such as Acts 2 or 1 Corinthians 12.

Moreover, the lessons integrate historical and cultural contexts to provide a richer understanding of Scripture. This analytical approach helps learners connect ancient biblical principles with modern-day situations, fostering critical thinking and personal reflection.

Teaching Methodologies and Pedagogical Features

The effectiveness of the COGIC Sunday school lesson largely depends on the methodologies employed by Sunday school teachers. Traditionally, the lessons encourage interactive and participatory teaching styles rather than passive reception. Teachers are trained to facilitate discussions, pose thought-provoking questions, and encourage scriptural memorization.

Multimedia resources and visual aids are increasingly incorporated to enhance lesson delivery. For younger classes, storytelling, role-playing, and music are common tools used to maintain attention and embed biblical truths. Adult classes may employ group studies, debates, and case studies to stimulate deeper theological inquiry.

Role of Sunday School Teachers and Leadership

Sunday school teachers in COGIC are often seasoned members with a deep understanding of both theology and pedagogical principles. The denomination provides training workshops, instructional materials, and support to ensure teachers are equipped to handle various learning styles and spiritual needs.

Leadership within the Sunday school department plays a critical role in curriculum selection, teacher mentorship, and lesson evaluation. This hierarchical oversight maintains doctrinal integrity and fosters continuous improvement in lesson quality.

Comparative Analysis: COGIC Sunday School

Lessons versus Other Pentecostal Denominations

In comparison to other Pentecostal denominations such as the Assemblies of God or the Pentecostal Assemblies of the World, COGIC's Sunday school lessons tend to place a stronger emphasis on holiness and sanctification. While all these groups prioritize the baptism in the Holy Spirit, COGIC lessons frequently underscore its implications for daily living and community witness.

Another distinguishing feature is the centralized curriculum management by COGIC's International Sunday School Department, which contrasts with some Pentecostal bodies where lesson materials may be more localized or independently developed by individual congregations. This centralization promotes uniformity and doctrinal consistency but may also limit local contextualization.

Advantages and Challenges of the COGIC Sunday School Program

- **Advantages:** The structured curriculum ensures theological soundness and progression in biblical knowledge. Age-specific classes enhance relevance and retention. Teacher training programs boost instructional effectiveness.
- **Challenges:** The centralized curriculum may not fully address unique cultural or community needs. Some lessons may feel rigid or prescriptive, potentially limiting creative teaching approaches. Additionally, resource disparities among local churches can affect lesson delivery quality.

The Impact of COGIC Sunday School Lessons on Congregational Growth and Spiritual Development

Beyond education, the COGIC Sunday school lesson serves as a vital mechanism for congregational cohesion and spiritual maturity. Regular attendance and participation in Sunday school are correlated with increased biblical literacy, stronger commitment to church activities, and higher levels of personal spiritual disciplines such as prayer and evangelism.

In many COGIC churches, Sunday school is considered the heartbeat of the church's educational ministry, often serving as the entry point for new members and a training ground for future church leaders. The lessons

contribute to shaping a well-informed laity capable of defending their faith and engaging effectively in ministry.

Technological Integration and Future Directions

With the advent of digital technology, COGIC Sunday school lessons have begun to incorporate online platforms for lesson distribution and virtual classes, especially in response to challenges posed by the COVID-19 pandemic. This shift has expanded accessibility but also introduced new challenges related to digital literacy and engagement.

Looking forward, there is potential for further innovation through interactive applications, video-based teaching, and culturally contextualized content that could enhance the dynamic nature of Sunday school learning within COGIC.

The ongoing evolution of the COGIC Sunday school lesson reflects the denomination's commitment to maintaining doctrinal fidelity while adapting to the changing educational landscape. Its role remains pivotal in nurturing informed, empowered, and Spirit-filled disciples who can effectively contribute to the church's mission.

cogic sunday school lesson: COGIC Annual Lesson Commentary 2020-2021 [KJV-AMP] Church Of God In Christ Publishing House, 2020-08-01 The curriculum produced by the Church Of God In Christ is prepared to train and nurture this generation in the faith. Use it and cherish the very opportunity you have to tutor the next generation of Bible reading and Word believing Saints in a world of need. This Annual commentary is your source of continued readiness, fresh and anointed Word for the entire year. Its compilation of the year's International Sunday Uniform Lesson series will help you grow and develop in your knowledge of the Word of God. Not only has the Church Of God In Christ provided you the lessons, but the Annual Commentary also provides insight into practical ways to utilize the lesson material: Tips For New Sunday School Leaders, Tips For Sunday School Growth Through Outreach, and The Three C's Of Team Building. These informational articles written by fellow Sunday School teachers are sure to bring positive results. Thank you for your support of the Church Of God In Christ Publishing Board and Publishing House, by your purchase of an Annual Commentary.

cogic sunday school lesson: Women in the Church of God in Christ Anthea Butler, 2012-01-01 The Church of God in Christ (COGIC), an African American Pentecostal denomination founded in 1896, has become the largest Pentecostal denomination in the United States today. In this first major study of the church, Anthea Butler examines the religious and social lives of the women in the COGIC Women's Department from its founding in 1911 through the mid-1960s. She finds that the sanctification, or spiritual purity, that these women sought earned them social power both in the church and in the black community. Offering rich, lively accounts of the activities of the Women's Department founders and other members, Butler shows that the COGIC women of the early decades were able to challenge gender roles and to transcend the limited responsibilities that

otherwise would have been assigned to them both by churchmen and by white-dominated society. The Great Depression, World War II, and the civil rights movement brought increased social and political involvement, and the Women's Department worked to make the sanctified world of the church interact with the broader American society. More than just a community of church mothers, says Butler, COGIC women utilized their spiritual authority, power, and agency to further their contestation and negotiation of gender roles in the church and beyond.

cogic sunday school lesson: *Critical Perspectives on Black Education* Noelle

Witherspoon-Arnold, Melanie C. Brooks, Bruce Makoto Arnold, 2014-06-01 While nation engages in debates concerning central issues of religion and religious diversity in education, the historic saliency of religion and spirituality in the Black community and in the education of its children continues to be largely ignored. Historically, religion and spirituality were foundational to the development and understanding of social justice issues, including, but not limited to, issues of protest, community up-lift, notions of care, and anti-oppression. Taking into account the historical significance of religion and spirituality in the Black community, it is essential for education scholars to cultivate these long-standing connections as a means for advancing contemporary struggles for social justice, religiosity in education, and counter-hegemonic praxis. The purpose of this book is to expand our understanding of spirituality and religion as related to the p-20 schooling of Blacks students. Educational scholarship continues to explore the workings of social justice to ameliorate inequities for those who have not been well served in schools. Although the concept of social justice remains a somewhat inchoate term in educational literature, this book seeks to explore the historicity of religion and spirituality while offering a scaffold that links ordinary everyday acts of justice, religion, and spirituality in education to a culture that systematically and institutionally assaults the worth of Black students. It is important to note that this book is grounded in a broad concept of religion and spirituality and the editors seek to be inclusive of all types, styles, and traditions of religiosity and spirituality.

cogic sunday school lesson: Church Of God In Christ Annual Lesson Commentary 2021-2022

[KJV-AMP] Church Of God In Christ Publishing House, 2021-08-01 The curriculum produced by the Church Of God In Christ is prepared to train and nurture this generation in the faith. Its compilation of the year's International Sunday Uniform Lesson series will help you grow and develop in your knowledge of the Word of God. Not only has the Church Of God In Christ provided you the lessons, but the Annual Commentary also provides insight into practical ways to utilize the lesson material.

cogic sunday school lesson: **The Dictionary of Pan-African Pentecostalism, Volume One**

Estrela Y. Alexander, 2018-06-22 This volume is the first in a series of volumes surveying the important names, movements, and institutions that have been significant in forging black renewal movements in various contexts worldwide. In this volume the entries cover the more than 150 identifiable Holiness, Pentecostal, Charismatic, Neo-Pentecostal, and quasi-Pentecostal bodies within the United States and Canada. In addition, the dictionary contains entries on the important people, places, events, and theological and secular issues that shaped these groups over their histories, some of which go back more than a century. This and subsequent volumes will be invaluable tools for students and scholars of the history of Pentecostalism.

cogic sunday school lesson: Two Millennia of Memorable Christian Women Stanley M.

Burgess, Ruth Vassar Burgess, 2020-08-19 For over 2,000 years, Christian women have struggled with inequities between the genders. This certainly has been true in matters religious. Christian women have shown ethical, moral and spiritual strength, while being deprived of leadership or power positions reserved for their male counterparts. In this tome, the authors celebrate a wide variety of such female heroines, drawn from early Christian, Roman Catholic, Orthodox, Protestant, Pentecostal and Charismatic groups, as well as a sprinkling of so-called heretical individuals. These women often have become saints, martyrs, visionaries, missionaries, and spiritual voices-models to

all generations. At the same time, it must be remembered that many of them also carried and gave birth to children, raised them, and fulfilled the other functions required of them in their social contexts. The emphasis is on celebrating these memorable individuals.

cogic sunday school lesson: Adult Quarterly | Teacher Manual Fall Quarter (Sep-Nov) 2020 Church Of God In Christ Publishing House, 2020-08 The Quarterly Commentary/Teacher Manual provides the instructor with a comprehensive guide of the International Sunday School curriculum. The Manual features: A 13-week series of lessons Life application for each lesson A weekly challenge Thought-provoking discussion starters

cogic sunday school lesson: Church Schism & Corruption ,

cogic sunday school lesson: Beyond Transformative Learning in African-American Adult Education Gerald D. Redwine, 2019-11-12 By exploring how the religious beliefs, scientific knowledge, and social surroundings of African-American sufferers of type 2 diabetes mellitus (T2DM) impacts their understanding of the condition, this book develops a new model of effective adult learning. Presenting the findings of rigorous qualitative research undertaken with five individuals with T2DM, this volume considers how individuals' educational background, their personal experiences, and their relationship with African-American theism have impacted on their efforts to understand and manage the disease. Identification of the social and spiritual dynamics which govern adults' acceptance of a chronic condition such as diabetes, and their ability to manage the illness according to modern medical principles, informs the development of a new theory of adult learning known as permeated learning. This model, which extends beyond transformative learning to recognize the influence of social constructs specific to African-American communities, will have broad application to adult education and the management of chronic diseases. This scholarly text will be of great interest to graduate and postgraduate students, researchers, academics, and policymakers in the field of adult education, African-American education, transformative learning, lifelong learning, and multicultural education.

cogic sunday school lesson: The Pattern of Possession JT Young, 2010-04-26 They are the dirty little secret now working in the lives of men. Having man's persons in admiration because of advantage. From bad company, to bad habits. From the power of influence, to demonic possession. From the temple of your body, to the Devil and his Angels. Be warned, This is the purpose driven life they don't want you to know. This book is a must have for all people that are earnestly contending for the faith and desire to know the truth. Bringing deliverance to all that read it. For ye shall know the truth and the truth shall make you free.

cogic sunday school lesson: African American Religious Cultures Anthony B. Pinn, 2009-09-10 This encyclopedia offers the most comprehensive presentation available on the diversity and richness of religious practices among African Americans, from traditions predating the era of the transatlantic slave trade to contemporary religious movements. Like no previous reference, African American Religious Cultures captures the full scope of African American religious identity, tracing the long history of African American engagement with spiritual practice while exploring the origins and complexities of current religious traditions. This breakthrough encyclopedia offers alphabetically organized entries on every major spiritual belief system as it has evolved among African American communities, covering its beginnings, development, major doctrinal points, rituals,

important figures, and defining moments. In addition, the work illustrates how the social and economic realities of life for African Americans have shaped beliefs across the spectrum of religious cultures.

cogic sunday school lesson: *Shout, Sister, Shout!* Gayle Wald, 2023-01-31 The essential biography of America's godmother of rock 'n' roll whose exuberant singing and guitar playing captivated audiences and inspired generations of musicians from the 40s to today When *Shout, Sister, Shout!* was first published in 2007, Sister Rosetta Tharpe was resting in an unmarked grave in a Philadelphia cemetery. That lack of a headstone symbolized so much of what was egregiously wrong about so many stories of American music, particularly the genre we call rock or rock-and-roll. It's a genre that wouldn't exist without Tharpe, though her contribution was forgotten for many years. The biography finally tells the story of the queer, Black trailblazer who defied categorization and influenced scores of popular musicians, from Elvis Presley and Little Richard to Bonnie Raitt, The Alabama Shakes, and Lizzo. The author draws on memories from more than 150 people who knew Tharpe, as well as scraps of information gleaned from newspapers, archives, and memorabilia, to piece together a story that forever alters our understanding of women in rock and of US popular music.

cogic sunday school lesson: Creating New Possibilities for the Future of HBCUs Terrell L. Strayhorn, Michael Steven Williams, Royel M. Johnson, 2024-03-01 *Creating New Possibilities for the Future of HBCUs* brings together over 20 higher education scholars with more than 150 years of combined professional experience to critically examine the current contributions of and future directions for our nation's 101 historically Black colleges and universities (HBCUs). The book breaks new ground on Black colleges and offers hope and optimism for charting their future despite shrinking investments in higher education, declining enrollments, and eroding public confidence in the value of a college degree. The book was written to tell the truth, to right (or "[re]write") past wrongs about HBCUs, and to shift our collective gaze from the uncertain, shaky past of a select few to a far more promising future for all based on insights from contemporary empirical research. Each chapter addresses a particular aspect of higher education as it relates to HBCUs, documenting the undeniable legacy of Black colleges, their current challenges and untold successes, blended with findings from recent empirical studies—both quantitative and qualitative—that clearly create new possibilities for the future of HBCUs. This volume was developed to break new ground on often overlooked and understudied terrain in higher education scholarship. Organized into three major sections, the book includes chapters focusing on HBCUs as institutions and a small, but consequential, segment of the higher education enterprise. Section Two consists of 6 chapters addressing the experiences of HBCU students, paying close attention to issues of intersectionality, heterogeneity, and race/ethnicity, to name a few. A third, and final, section turns much-needed attention to HBCU personnel, including campus administrators, college presidents, and faculty. Rich in its coverage of culture, facts, and past history, this new book offers much to those interested in charting new possibilities for the future of HBCUs.

cogic sunday school lesson: *The Black Church in the African American Experience* C. Eric Lincoln, Lawrence H. Mamiya, 1990-11-07 Black churches in America have long been recognized as the most independent, stable, and dominant institutions in black communities. In *The Black Church in the African American Experience*, based on a ten-year study, is the largest nongovernmental study of urban and rural churches ever undertaken and the first major field study on the subject since the 1930s. Drawing on interviews with more than 1,800 black clergy in both urban and rural settings, combined with a comprehensive historical overview of seven mainline black denominations, C. Eric Lincoln and Lawrence H. Mamiya present an analysis of the Black Church as it relates to the history of African Americans and to contemporary black culture. In examining both the internal structure of the Church and the reactions of the Church to external, societal changes, the authors provide important insights into the Church's relationship to politics, economics, women, youth, and music. Among other topics, Lincoln and Mamiya discuss the attitude of the clergy toward women pastors, the reaction of the Church to the civil rights movement, the attempts of the Church to involve young

people, the impact of the black consciousness movement and Black Liberation Theology and clergy, and trends that will define the Black Church well into the next century. This study is complete with a comprehensive bibliography of literature on the black experience in religion. Funding for the ten-year survey was made possible by the Lilly Endowment and the Ford Foundation.

cogic sunday school lesson: Empowering Black Youth of Promise Sandra L. Barnes, Anne Streaty Wimberly, 2016-06-10 Informed by the experiences of 772 Black churches, this book relies on a multidisciplinary, mixed-methodological lens to examine how today's Black churches address the religious and non-religious educational and broader socialization needs of youth. Drawing from a cultural and ecological framework of village-mindedness, Barnes and Wimberly examine the intersected nature of place, space, and race to propel a conversation about whether and how the Black Church can become a more relevant and empowering presence for youth and the Black community.

cogic sunday school lesson: Kalamazoo Telephone Directories , 1988

cogic sunday school lesson: Encyclopedia of African American Religions Larry G. Murphy, J. Gordon Melton, Gary L. Ward, 2013-11-20 Preceded by three introductory essays and a chronology of major events in black religious history from 1618 to 1991, this A-Z encyclopedia includes three types of entries: * Biographical sketches of 773 African American religious leaders * 341 entries on African American denominations and religious organizations (including white churches with significant black memberships and educational institutions) * Topical articles on important aspects of African American religious life (e.g., African American Christians during the Colonial Era, Music in the African American Church)

cogic sunday school lesson: Annual Interpretative Expository 2021-2022 Church Of God In Christ Publishing House, 2021-11-01 Sunday School across America is on a decline. Biblical literacy is at an unprecedented low amongst believers, and it seems as if there is no end to where this could lead to in our churches. The COGIC Sunday School department desires to help aid literacy by providing quality supplemental lesson material. Enlisting help from scholars across the country, the department wrote the Interpretative Expository, an exposition for each lesson of the Sunday School curriculum. Also, to assist pastors, preachers, missionaries, and laity with sermon subjects and preparation, our team has included a sample sermon outline from one of the lessons. Reemphasize the message of Sunday School by preaching a message from the text of the lesson.
