Presented in an easy-to-access format, Judd Dunning’s ideological treatise will empower readers not only to hold their own in an argument with a liberal, but also to change hearts and minds, or at worst, preserve a few more mutually respectful relationships with more ease, clarity, and dignity. Both a current and timeless conservative philosophical and argumentative manifesto made for conservative, right-leaning, independent, libertarian or “on the fence” Americans who are both passionate about politics and love being Americans. If you can't achieve a win-win civil discussion with a liberal, at least you can use 13 1/2 Reasons Why NOT to be a Liberal to land some clear, intelligent blows. You will no longer serve as a liberal's doormat. You can maintain your pride and then move on to someone who really wants to both talk and listen. A Freethinker... probably a conservative!

On a snowy winter evening in 1982, twenty-one-year-old Mary Brown accepted a ride from a handsome stranger in the resort town of Breckenridge, Colorado. What followed was a nightmare of unspeakable cruelty. Miraculously, Mary survived her horrific ordeal, but the true depths of her attacker’s malevolence were yet to be revealed. For him, the violence had only just begun. After ten years in prison, Tom Luther was released a far more vicious criminal. Often compared to Ted Bundy, Luther cut a deadly swath from the Rockies to West Virginia, luring a chain of women into the black hole of his murderous vision. One cop was obsessed with catching this brutal killer--and pinning at least one Colorado murder on him. But as Luther led Detective Scott Richardson through a maze of lies and deception, the stakes began to rise. From the Rockies to West Virginia, young women were coming face to face with a murderous monster raging out of control. And none of them were coming out alive.
