

pride and prejudice cast list

****Exploring the Pride and Prejudice Cast List: A Journey Through Timeless Adaptations****

pride and prejudice cast list instantly brings to mind a rich tapestry of talented actors who have brought Jane Austen's beloved characters to life across various adaptations. From the BBC's classic 1995 mini-series to the 2005 film version starring Keira Knightley, the cast lists have featured some of the most memorable performances in period drama history. Whether you're a devoted Austen fan or a newcomer curious about who embodied Elizabeth Bennet, Mr. Darcy, and the rest of the iconic characters, diving into the different pride and prejudice cast lists is a fascinating way to appreciate the story's enduring appeal.

The Enduring Popularity of Pride and Prejudice Adaptations

Jane Austen's **Pride and Prejudice** has been adapted countless times, each version bringing its own unique flavor to the story. The cast lists for these adaptations not only highlight the actors involved but also reflect different interpretations of the beloved characters. Understanding who played whom in these versions can deepen your appreciation of the narrative nuances and character dynamics.

Why the Cast List Matters

The pride and prejudice cast list isn't just a roll call of actors; it's a window into how different talents shape the story. Casting choices influence everything from character chemistry to the overall tone of the adaptation. For example, Colin Firth's portrayal of Mr. Darcy in the 1995 BBC series is often credited with redefining the romantic hero archetype in Austen adaptations. Meanwhile, the 2005 film's casting of Matthew Macfadyen offered a more reserved and introspective Darcy, highlighting the versatility of the character.

Highlighting the Most Famous Pride and Prejudice Cast Lists

To understand the range of portrayals and performances, it's helpful to look at some of the most famous pride and prejudice cast lists. These lists often serve as a benchmark for fans and newcomers alike when discussing the best

adaptations.

The 1995 BBC Mini-Series Cast

The BBC's 1995 adaptation is arguably the most iconic, especially among Austen purists. The cast list includes:

- **Jennifer Ehle** as Elizabeth Bennet: Praised for her wit, intelligence, and emotional depth.
- **Colin Firth** as Mr. Fitzwilliam Darcy: His brooding, intense performance became a cultural phenomenon.
- **Julia Sawalha** as Jane Bennet: Capturing Jane's gentle and kind nature beautifully.
- **David Bamber** as Mr. Collins: Providing a perfect blend of awkwardness and pomposity.
- **Lydia Bennet** was played by Polly Maberly, bringing youthful energy and recklessness to the role.

This cast list is often celebrated for bringing Jane Austen's nuanced characters vividly to life, with performances that feel both authentic and engaging.

The 2005 Feature Film Cast

The 2005 film adaptation took a slightly different approach, with a star-studded pride and prejudice cast list that helped introduce Austen's story to a broader audience:

- **Keira Knightley** as Elizabeth Bennet: Her spirited and modern take on Elizabeth helped connect with contemporary viewers.
- **Matthew Macfadyen** as Mr. Darcy: Subtle and understated, offering a less overtly dramatic Darcy.
- **Rosamund Pike** as Jane Bennet: Portraying the sweetness and grace of the eldest Bennet sister.
- **Donald Sutherland** as Mr. Bennet: Providing a grounded, sardonic patriarch.
- **Jena Malone** as Lydia Bennet: Capturing the impulsive, flirtatious nature of Lydia.

This cast list is notable for its cinematic scope and lush visuals, complemented by performances that balanced tradition with freshness.

Other Noteworthy Pride and Prejudice Cast Lists

Beyond these two popular adaptations, other versions have featured remarkable

actors whose contributions deserve recognition.

Earlier Adaptations and Their Casts

- **The 1980 BBC series** featured Elizabeth Garvie and David Rintoul in the lead roles. Their performances are often praised for their classic approach, reflecting the sensibilities of period dramas from that era.
- Various TV movies and stage productions have offered diverse takes on the characters, with cast lists often including well-known British theatre actors.

Modern Interpretations and Spin-offs

In recent years, adaptations like *Lost in Austen* and *Death Comes to Pemberley* have showcased fresh *Pride and Prejudice* cast lists, blending contemporary storytelling with Austen's world. These productions often mix established actors with emerging talent, introducing the characters to new generations.

Behind the Scenes: How Casting Shapes the Story

Understanding a *Pride and Prejudice* cast list also involves appreciating the casting process. Directors and producers seek actors who can embody the complexity of Austen's characters—balancing social wit, emotional depth, and period authenticity.

Choosing the Right Elizabeth Bennet and Mr. Darcy

Elizabeth Bennet's role demands charisma, intelligence, and a hint of rebelliousness. The actors chosen often bring their own interpretation of Elizabeth's independence and charm. Similarly, Mr. Darcy requires an actor capable of portraying pride, vulnerability, and ultimately transformation.

Casting these roles can make or break an adaptation, which is why the *Pride and Prejudice* cast list is so closely scrutinized by critics and fans alike.

The Supporting Cast's Vital Role

While Elizabeth and Darcy headline the story, the supporting cast—Jane, Lydia, Mr. Collins, Lady Catherine, and others—adds richness and humor. Great performances in these roles enhance the story's social satire and emotional

layers. For instance, the comedic timing of Mr. Collins or the haughty presence of Lady Catherine can significantly affect the tone.

Tips for Exploring Pride and Prejudice Cast Lists

For fans interested in delving deeper into the pride and prejudice cast list across adaptations, here are some helpful tips:

- ****Watch multiple versions:**** Comparing performances across different adaptations can reveal fascinating contrasts in character interpretation.
- ****Read reviews and interviews:**** Insights from actors and directors often shed light on casting decisions and character development.
- ****Explore fan communities:**** Austen fan forums and social media groups provide lively discussions about favorite portrayals and underrated performances.
- ****Check out stage productions:**** Theatre adaptations bring a different energy, and cast lists often feature talented actors who later transition to film or TV.

Why the Pride and Prejudice Cast List Continues to Captivate Audiences

The ongoing fascination with pride and prejudice cast lists speaks to the timeless nature of Austen's story and characters. Each new adaptation offers a fresh lens, inviting viewers to fall in love with Elizabeth, Darcy, and the Bennet family all over again. The actors who step into these roles carry a legacy, embodying emotions and social commentary that resonate across centuries.

Whether it's the chemistry between leads, the humor of supporting players, or the emotional resonance of pivotal scenes, the pride and prejudice cast list is key to the magic that keeps this classic alive in popular culture. Exploring these casts allows fans to appreciate the artistry behind bringing Austen's world to life, enriching the experience of one of literature's most beloved romances.

Pride and Prejudice Cast List: An Analytical Overview of Iconic Adaptations

pride and prejudice cast list is a phrase that resonates deeply with literature enthusiasts and film buffs alike, referring to the ensemble of actors who have brought Jane Austen's timeless novel to life across various screen adaptations. This cast list is not only a roster of names but also a reflection of interpretative choices, cultural contexts, and the evolving landscape of period dramas. Examining these casts provides insight into how different productions balance fidelity to the source material with creative

innovation, and how casting decisions influence audience reception and critical appraisal.

The Significance of the Pride and Prejudice Cast List in Adaptations

Casting in adaptations of classic literature like *Pride and Prejudice* is crucial in shaping the narrative's emotional resonance and authenticity. The characters of Elizabeth Bennet and Mr. Darcy, in particular, demand actors who can embody nuanced wit, societal constraints, and evolving romantic tension. Thus, the *pride and prejudice* cast list across adaptations often highlights the challenge of selecting performers who can deliver both the period's decorum and the novel's spirited dialogue.

Over the decades, multiple film and television versions have offered distinct interpretations, each with its own cast list that draws attention for various reasons. From the 1940 cinematic rendition to the acclaimed 1995 BBC mini-series and the 2005 big-screen production, the casting choices reflect shifts in acting styles, production values, and audience expectations.

Comparing Iconic Pride and Prejudice Cast Lists

Among the many adaptations, three stand out for their notable cast lists: the 1940 film directed by Robert Z. Leonard, the 1995 BBC mini-series, and Joe Wright's 2005 film.

- **1940 Film:** Featuring Greer Garson as Elizabeth Bennet and Laurence Olivier as Mr. Darcy, this adaptation took liberties with the source material but boasted star power that appealed to contemporary audiences. The supporting cast, including Mary Boland and Edna May Oliver, added a comedic flair, though some critics argued the casting lacked the subtlety Austen's characters require.
- **1995 BBC Mini-Series:** Perhaps the most celebrated, this version starred Jennifer Ehle as Elizabeth Bennet and Colin Firth as Mr. Darcy. Their performances have become definitive for many fans, with Firth's portrayal of Darcy often cited as the gold standard. The extensive cast list also included Alison Steadman and Benjamin Whitrow, adding depth to secondary characters. The BBC's focus on period accuracy and character development was enhanced by this carefully curated cast.
- **2005 Film:** Starring Keira Knightley and Matthew Macfadyen, this adaptation brought a more modern sensibility while maintaining period aesthetics. The *pride and prejudice* cast list expanded to include Judi Dench as Lady Catherine de Bourgh and Tom Hollander as Mr. Collins, both

providing strong supporting performances that elevated the film's dramatic tension.

This comparative overview reveals how different casting strategies—ranging from star-driven to ensemble-focused—affect the storytelling and audience engagement.

Key Actors and Their Impact on the Pride and Prejudice Cast List

The selection of actors for *Pride and Prejudice* adaptations is often pivotal in defining the characters' cultural imprint. Elizabeth Bennet, a character known for her intelligence and independence, requires an actress capable of conveying both charm and strength. Similarly, Mr. Darcy's portrayal calls for a balance between prideful reserve and underlying vulnerability.

Jennifer Ehle's Elizabeth Bennet in the 1995 series is widely praised for her nuanced performance, bringing warmth and wit to the role. Her chemistry with Colin Firth's Darcy was instrumental in cementing the duo as an iconic on-screen couple. Firth's Darcy, characterized by his brooding intensity and subtle emotional shifts, redefined the character for contemporary audiences, influencing subsequent portrayals.

In contrast, Keira Knightley's interpretation in 2005 introduced a more youthful and impetuous Elizabeth, aligning with the film's faster pacing and romantic focus. Matthew Macfadyen's Darcy embodied a softer, more approachable demeanor, differing from Firth's more aloof version. These differences underscore how casting influences the tone and reception of the narrative.

Supporting Cast and Their Contribution

The *Pride and Prejudice* cast list extends beyond the leads, with supporting characters playing essential roles in enriching the story's social fabric. Judi Dench's Lady Catherine de Bourgh in the 2005 film brought gravitas and a commanding presence, while Tom Hollander's Mr. Collins added comedic relief through his awkwardness. Similarly, Alison Steadman's portrayal of Mrs. Bennet in the 1995 series struck a balance between humor and desperation, highlighting the pressures faced by women in Regency England.

These supporting performances demonstrate that a well-rounded cast is critical for capturing the novel's social satire and character dynamics. The depth and variety within the cast list often determine the adaptation's success in resonating with audiences.

Evolution of Casting Trends in Pride and Prejudice Adaptations

Over time, casting in *Pride and Prejudice* adaptations has reflected broader trends in the entertainment industry. Earlier versions favored established stage actors and Hollywood stars, sometimes at the cost of period authenticity or character complexity. Later productions, especially televised mini-series, have leaned towards a more naturalistic acting style and detailed character development.

The *Pride and Prejudice* cast list in the 1995 BBC series exemplifies this shift, featuring relatively lesser-known actors who delivered compelling and credible performances rooted in Austen's text. Conversely, the 2005 film's casting of high-profile actors like Knightley and Dench indicates a trend toward leveraging star appeal to attract wider audiences.

Moreover, recent adaptations and reimaginings have begun to diversify casting choices, reflecting evolving societal values and expanding the interpretation of classic literature. While traditional casting remains dominant, there is a growing interest in exploring fresh perspectives that can bring new dimensions to Austen's characters.

Challenges and Considerations in Casting

Casting directors and producers face several challenges when assembling a *Pride and Prejudice* cast list. These include:

- 1. Balancing Authenticity and Accessibility:** Choosing actors who can convincingly inhabit early 19th-century characters without alienating modern viewers.
- 2. Chemistry Between Leads:** Ensuring believable romantic tension, particularly between Elizabeth and Darcy, which is central to the story's appeal.
- 3. Supporting Roles Depth:** Casting actors who can enrich secondary characters, providing the necessary social context and narrative texture.
- 4. Audience Expectations:** Navigating fan attachment to previous portrayals while introducing fresh interpretations.

These considerations underscore the complexity inherent in crafting a *Pride and Prejudice* cast list that honors both the source material and contemporary storytelling demands.

The Pride and Prejudice Cast List as a Reflection of Cultural Moments

Each notable adaptation's cast list can be viewed as a cultural artifact, mirroring the values and aesthetics of its production era. For instance, the 1940 film's glamorous leads reflected Hollywood's Golden Age star system, while the 1995 BBC series emphasized fidelity to Austen's social critique, aligning with 1990s British television's penchant for literary adaptations.

The 2005 film's cast, combining youthful energy with veteran actors, epitomized early 21st-century cinema's blend of commercial appeal and artistic ambition. This dynamic highlights how the pride and prejudice cast list serves not only as a practical element of production but also as a window into shifting cultural narratives and media trends.

In analyzing the pride and prejudice cast list across adaptations, it becomes evident that casting is more than a logistical necessity; it is a creative act that shapes the ongoing dialogue between Austen's work and its audiences. The choices made in assembling these ensembles continue to influence how *Pride and Prejudice* is experienced and appreciated worldwide.

pride and prejudice cast list: *The Making of Jane Austen* Devoney Looser, 2017-06-27
Returning author Devoney Looser has written a study of Jane Austen's legacy in high and popular culture, looking at stage and film adaptations of her work, how Austen has been taught in classrooms, Austen's depiction in visual culture, and Austen's role in the women's suffragist movement. Looser draws on popular print and unpublished archival sources, amassing evidence from high, middlebrow, and popular culture, in order to craft a more capacious history of posthumous reception. The book is a detailed and revealing account of what Looser calls the public dimension of Jane Austen, who is a manufactured creation. Looser has dug deep and come up with brand-new material on Austen, something that is very hard to do. This is the kind of material that Janeites and Austen scholars live for--

pride and prejudice cast list: *There She Goes Again* Aviva Dove-Viebahn, 2023-12-15
There She Goes Again interrogates the representation of ostensibly powerful women in transmedia franchises, examining how presumed feminine traits—love, empathy, altruism, diplomacy—are alternately lauded and repudiated as possibilities for effecting long-lasting social change. By questioning how these franchises reimagine their protagonists over time, the book reflects on the role that gendered exceptionalism plays in social and political action, as well as what forms of knowledge and power are presumed distinctly feminine. The franchises explored in this book illustrate the ambivalent (post)feminist representation of women protagonists as uniquely gifted in ways both gendered and seemingly ungendered, and yet inherently bound to expressions of their femininity. At heart, *There She Goes Again* asks under what terms and in what contexts women protagonists are imagined, envisioned, embodied, and replicated in media. Especially now, in a period of gradually increasing representation, women protagonists demonstrate the importance of considering how we should define—and whether we need—feminine forms of knowledge and power.

pride and prejudice cast list: *The Jane Austen Companion* J. David Grey, 1986

pride and prejudice cast list: **Jane Austen, Early and Late** Freya Johnston, 2023-05-09 Jane Austen's six novels, published toward the end of her short life, represent a body of work that is as brilliant as it is compact. Her earlier writings have routinely been dismissed as mere juvenilia, or stepping stones to mature proficiency and greatness. Austen's first biographer described them as childish effusions. Was he right to do so? Can the novels be definitively separated from the unpublished works? In *Jane Austen, Early and Late*, Freya Johnston argues that they cannot. Examining the three manuscript volumes in which Austen collected her earliest writings, Johnston finds that Austen's regard and affection for them are revealed by her continuing to revisit and revise them throughout her adult life. The teenage works share the milieu and the humour of the novels, while revealing more clearly the sources and influences upon which Austen drew. Johnston upends the conventional narrative, according to which Austen discarded the satire and fantasy of her first writings in favour of the irony and realism of the novels. By demonstrating a stylistic and thematic continuity across the full range of Austen's work, Johnston asks whether it makes sense to speak of an early and a late Austen at all.--

pride and prejudice cast list: **A New Jane Austen** Juliette Wells, 2023-10-05 Completing Juliette Wells' groundbreaking trio of books on Austen's readers, this latest volume revolutionizes our understanding of how Austen came to be viewed as the world's greatest novelist. Wells shows that Austen's global reputation was established not by British scholars, as is commonly believed, but by visionary American writers and collectors, working largely outside academia. Drawing on extensive research, Wells weaves together colorful, compelling case studies of men and women who, from the 1880s to the 1980s, helped readers appreciate Austen's novels, persuasively advocated for her place in the literary canon, and preserved artifacts vital to her legacy. Engagingly written and abundantly illustrated, *A New Jane Austen* will inform and delight scholars and Austen fans alike.

pride and prejudice cast list: **Fool's Gold, Volume 2** Amy Reeder Hadley, 2020-04-13 A teenage aspiring fashion designer continues her club dedicated to calling out bad boys in the second entry of this humorous romantic manga series. It is a truth universally acknowledged that, with rare exception, girls are fatally drawn to jerks! Penny has a great boyfriend, the anti-Pyrite revolution continues to grow, everything seems like it's going great . . . or is it? With Hannah working some backstabbing magic behind the scenes, Orion going from affectionate to clingy a little too quickly for comfort, and school and costume work piling up, Penny may be a little more over her head than head over heels! All of which gets exceedingly more complicated when she finds herself attracted to Pyrite-supreme Blake!

pride and prejudice cast list: **King Alfred School and the Progressive Movement, 1898-1998** Ron Brooks, 1998 This book examines and illustrates the unique development of a distinctive independent school, tracing the evolution of its educational theories and classroom practice. King Alfred School is assessed against the backcloth of developments in state education and of the constant redefinition of progressive theory and practice. --book jacket.

pride and prejudice cast list: **Casting Might-Have-Beens** Eila Mell, 2015-01-24 Some acting careers are made by one great role and some fall into obscurity when one is declined. Would Al Pacino be the star he is today if Robert Redford had accepted the role of Michael Corleone in *The Godfather*? Imagine Tom Hanks rejecting Uma Thurman, saying that she acted like someone in a high school play when she auditioned to play opposite him in *The Bonfire of the Vanities*. Picture Danny Thomas as *The Godfather*, or Marilyn Monroe as Cleopatra. This reference work lists hundreds of such stories: actors who didn't get cast or who turned down certain parts. Each entry, organized alphabetically by film title, gives the character and actor cast, a list of other actors considered for that role, and the details of the casting decision. Information is drawn from extensive research and interviews. From *About Last Night* (which John Belushi turned down at his brother's urging) to *Zulu* (in which Michael Caine was not cast because he didn't look Cockney enough), this book lets you imagine how different your favorite films could have been.

pride and prejudice cast list: **Remembering Ronnie Barker** Richard Webber, 2010-10-07

Ronnie Barker was one of our most respected and best-loved comedy actors and here, in this fascinating biography, Richard Webber delves deep in to the heart of Barker's life and career, peppering his narrative with original and incisive memories from some of Barker's closest contemporaries, including Ronnie Corbett, Michael Palin and Barry Cryer. Star of the much-adored comedy classics *Porridge*, *The Two Ronnies* - one of the most successful and long-running television comedy shows ever on British television - and *Open All Hours*, Ronnie Barker was universally admired by the public and industry insiders alike. From his early days writing for and performing skits on *The Frost Report* right up to his retirement in 1988, he lit up television screens across the country with his wonderful gift for comedy and his remarkable skill for character acting. Beyond his performances on the stage and screen, Barker was also an accomplished comedy writer, providing many of the sketches and songs for *The Two Ronnies* and contributing material to a number of other television and radio shows. And despite his retirement he retained pole position in the public's affection, returning to the screen in 1999 to team up with his erstwhile comedy partner and great friend Ronnie Corbett for a *Two Ronnies* night on BBC1, followed by a BAFTA tribute in 2004 and a final appearance on television in 2005 on *The Two Ronnies Christmas Sketchbook*. Effortlessly funny, universally adored and an actor and writer responsible for some of Britain's best-loved and most-respected comedy, Ronnie Barker was a true comedy legend. Here he's brought to the page in winning style as he's remembered by those who best loved and knew him.

pride and prejudice cast list: [A Rose for Mrs. Miniver](#) Michael Troyan, 1998-11-05 In this first-ever biography of Greer Garson, Michael Troyan sweeps away the many myths that even today veil her life. The true origins of her birth, her fairy-tale discovery in Hollywood, and her career struggles at Metro-Goldwyn-Mayer are revealed for the first time. Garson combined an everywoman quality with grace, charm, and refinement. She won the Academy Award in 1941 for her role in *Mrs. Miniver*, and for the next decade she reigned as the queen of MGM. Co-star Christopher Plummer remembered, Here was a siren who had depth, strength, dignity, and humor who could inspire great trust, suggest deep intellect and whose misty languorous eyes melted your heart away! Garson earned a total of seven Academy Award nominations for Best Actress, and fourteen of her films premiered at Radio City Music Hall, playing for a total of eighty-four weeks—a record never equaled by any other actress. She was a central figure in the golden age of the studios, working with legendary performers Clark Gable, Marlon Brando, Elizabeth Taylor, Errol Flynn, Joan Crawford, Robert Mitchum, Debbie Reynolds, and Walter Pidgeon. Garson's experiences offer a fascinating glimpse at the studio system in the years when stars were closely linked to a particular studio and moguls such as L.B. Mayer broke or made careers. With the benefit of exclusive access to studio production files, personal letters and diaries, and the cooperation of her family, Troyan explores the triumphs and tragedies of her personal life, a story more colorful than any role she played on screen.

pride and prejudice cast list: Focus On: 100 Most Popular American Romantic Drama Films Wikipedia contributors,

pride and prejudice cast list: [The Routledge Companion to Jane Austen](#) Cheryl A. Wilson, Maria H. Frawley, 2021-10-13 First published anonymously, as 'a lady', Jane Austen is now among the world's most famous and highly revered authors. *The Routledge Companion to Jane Austen* provides wide-ranging coverage of Jane Austen's works, reception, and legacy, with chapters that draw on the latest literary research and theory and represent foundational and authoritative scholarship as well as new approaches to an author whose works provide seemingly endless inspiration for reinterpretation, adaptation, and appropriation. The Companion provides up-to-date work by an international team of established and emerging Austen scholars and includes exciting chapters not just on Austen in her time but on her ongoing afterlife, whether in the academy and the wider world of her fans or in cinema, new media, and the commercial world. Parts within the volume explore Jane Austen in her time and within the literary canon; the literary critical and theoretical study of her novels, unpublished writing, and her correspondence; and the afterlife of her work as exemplified in film, digital humanities, and new media. In addition, the Companion devotes special attention to teaching Jane Austen.

pride and prejudice cast list: *The Culture of Opera Buffa in Mozart's Vienna* Mary Hunter, 1999-04-12 Mozart's comic operas are among the masterworks of Western civilization, and yet the musical environment in which Mozart and his librettist Lorenzo da Ponte wrote these now-popular operas has received little critical attention. In this richly detailed book, Mary Hunter offers a sweeping, synthetic view of opera buffa in the lively theatrical world of late-eighteenth-century Vienna. Opera buffa (Italian-language comic opera) persistently entertained audiences at a time when Joseph was striving for a German national theater. Hunter attributes opera buffa's success to its ability to provide sheer pleasure and hence explores how the genre functioned as entertainment. She argues that opera buffa, like mainstream film today, projects a social world both recognizable and distinct from reality. It raises important issues while containing them in the merely entertaining frame of the occasion, as well as presenting them as a series of easily identifiable dramatic and musical conventions. Exploring nearly eighty comic operas, Hunter shows how the arias and ensembles convey a multifaceted picture of the repertory's social values and habits. In a concluding chapter, she discusses *Cos fan tutte* as a work profoundly concerned with the conventions of its repertory and with the larger idea of convention itself and reveals the ways Mozart and da Ponte pointedly converse with their immediate contemporaries.

pride and prejudice cast list: *The Digital Afterlives of Jane Austen* K. Mirmohamadi, 2014-03-18 This is the first scholarly study to explore the ever-expanding world of online Austen fandom and fan fiction writing. Using case studies from the Internet writing community and publisher, Wattpad, as well as dedicated fan websites, it illuminates the literary processes and products that have given Austen multiple afterlives in the digital arena.

pride and prejudice cast list: *The Manuscript Inventories and the Catalogs of Manuscripts, Books, and Periodicals: Manuscript inventories, Q-Z* Arthur and Elizabeth Schlesinger Library on the History of Women in America, 1984

pride and prejudice cast list: *Twelve Years a Slave (Norton Critical Editions)* Solomon Northup, 2016-12-15 This Norton Critical Edition of Solomon Northup's harrowing autobiography is based on the 1853 first edition. It is accompanied by Henry Louis Gates, Jr. and Kevin Burke's introduction and detailed explanatory footnotes. The Norton Critical Edition also includes: · The illustrations printed in the original book. · Contemporary sources (1853–62), among them newspaper accounts of Northup's kidnapping and ordeal and commentary by Frederick Douglass, Harriet Beecher Stowe, and Thomas W. MacMahon. · A Genealogy of Secondary Sources (1880-2015) presenting twenty-four voices spanning three centuries on the memoir's major themes. Contributors include George Washington Williams, Marion Wilson Starling, Kenneth Stampp, Robert B. Stepto, Trish Loughran, and David Fiske, Clifford W. Brown, Jr., and Rachel Seligman, among others. · The 2013 film adaptation—*12 Years a Slave*—fully considered, with criticism and major reviews of the film as well as Henry Louis Gates's three interviews with its director, Steve McQueen. · A Chronology and Selected Bibliography.

pride and prejudice cast list: *Ferocious Ambition* Robert Dance, 2023-10-12 Robert Dance's new evaluation of Joan Crawford looks at her entire career and—while not ignoring her early years and tempestuous personal life—focuses squarely on her achievements as an actress, and as a woman who mastered the studio system with a rare combination of grit, determination, beauty, and talent. Crawford's remarkable forty-five-year motion picture career is one of the industry's longest. Signing her first contract in 1925, she was crowned an MGM star four years later and by the mid-1930s was the most popular actress in America. In the early 1940s, Crawford's risky decision to move to Warner Bros. was rewarded with an Oscar for *Mildred Pierce*. This triumph launched a series of film noir classics. In her fourth decade she teamed with rival Bette Davis in *Whatever Happened to Baby Jane?*, proving that Crawford, whose career had begun by defining big-screen glamour, had matured into a superb dramatic actress. Her last film was released in 1970, and two years later she made a final television appearance, forty-seven years after walking through the MGM gate for the first time. Crawford made a successful transition into business during her later years, notably in her long association with Pepsi-Cola as a board member and the brand's leading ambassador. Overlooked in

previous biographies has been Crawford's fierce resolve in creating and then maintaining her star persona. She let neither her age nor the passing of time block her unrivaled ambition, and she continually reimagined herself, noting once that, for the right part, she would play Wally Beery's grandmother. But she was always the consummate star, and at the time of her death in 1977, she was a motion picture legend and a twentieth-century icon.

pride and prejudice cast list: The Foster Factory David Learmont, 2015-02-10 The Foster Factory deals with the experiences of David Learmont and his wife Marsha once they retired and started working again as Foster Carers. David claims that if he had written this book as a novel, the characters in it would have been considered 'too outlandish to be credible.' How the elderly couple dealt with egomaniacs, kleptomaniacs, tractor-maniacs, and children who stabbed him and burned down their house are just some of the tales that David recounts with 'what is left' of his sense of humour and his 'diminishing stock' of faith in mankind. Read it and weep. Or laugh. Possibly both.

pride and prejudice cast list: Teenage Psychic on Campus Pamela Woods-Jackson, 2017-04-28 Caryn Alderson may be a psychic medium, but she can't predict her own life. She's totally blindsided when she discovers her boyfriend has cheated on her. Her best friend Annabeth attempts to jump-start Caryn's stalled love life by introducing her to Gary Riddell, a fellow college freshman who can talk to ghosts. To paranormal groupie Annabeth, their abilities make them the perfect match. Unfortunately, Gary's acting career and Caryn's love of journalism clash when Caryn writes a hatchet piece about Gary's acting abilities, and then publishes it in the campus newspaper. Dating is definitely out! Then the two of them are asked to help the campus Ghost Stalkers club investigate a haunting at a local farmhouse. Caryn and Gary must combine their offsetting paranormal skills to locate more than just ghosts.

pride and prejudice cast list: Turning Twelve Kathryn Ormsbee, 2024-10-29 Turning twelve means big changes for Katie--first bra, first time babysitting, and a first crush that she knows not everyone will approve of, From the creators of the acclaimed graphic novel Growing Pangs, comes another pitch-perfect coming-of-age graphic novel, set in the same beloved universe. What if a friend...is more than a friend? Katie can't wait to turn twelve--pool parties! babysitting! friends! But sometimes it feels like there's so much new stuff she can barely keep up. First Job? (Yes!) Unfair dress codes? (No way!) Make up (Okay?!) Shaving? (Uh...!) Maybe growing up isn't as much fun as she had expected. But one thing does seem right--her new friend, Grace. Could Katie have a crush on another girl? Katie knows not everyone around her will approve...which is kind of scary. She might not be ready to tell anyone yet, and that's fine...but can Katie stay true to herself and embrace the person she's growing up to be? "Twelve cheers for TURNING TWELVE! Readers will root for Katie as she navigates seventh grade and stays true to her own heart."—Megan Wagner Lloyd, author of Allergic
