Specter of the Past Star Wars The Hand of Thrawn 1: Revisiting a Legendary Chapter in the Expanded Universe

specter of the past star wars the hand of thrawn 1 is a phrase that resonates deeply with Star Wars aficionados, especially those who have ventured beyond the cinematic universe into the rich tapestry of the Expanded Universe (EU). This title refers specifically to the first novel in Timothy Zahn's acclaimed duology, "The Hand of Thrawn," which continues the saga of the New Republic and the lingering shadows cast by the enigmatic Grand Admiral Thrawn. In this article, we'll delve into what makes "Specter of the Past" a cornerstone of Star Wars literature, exploring its plot, characters, and lasting impact on the broader narrative.

Understanding the Context: Where Does "Specter of the Past" Fit?

To appreciate the significance of **specter of the past star wars the hand of thrawn 1**, it's essential to place it within the timeline and story arcs of the Star Wars Expanded Universe. Written in 1997, this novel follows the aftermath of the original trilogy and the earlier Thrawn Trilogy, continuing the political intrigue and military struggles faced by the New Republic.

The Expanded Universe and Its Role

Before Disney's acquisition of Lucasfilm and the rebranding of the EU as "Legends," the Expanded Universe was a vast collection of novels, comics, and games that fleshed out the Star Wars galaxy. Timothy Zahn's works, especially the Thrawn Trilogy (beginning with "Heir to the Empire"), were pivotal in sustaining fan interest during the years when no new films were being produced.

"Specter of the Past" picks up threads left by these earlier stories, focusing on the fragile state of the New Republic as it tries to consolidate power after defeating the Empire. The novel's title itself suggests a haunting presence—old enemies, unresolved conflicts, and political unrest that refuse to fade away.

The Plot of Specter of the Past Star Wars The Hand of Thrawn 1

At its core, **specter of the past star wars the hand of thrawn 1** explores themes of loyalty, betrayal, and the complexities of governance in a galaxy still reeling from decades of war.

Return of Political Intrigue and Threats

The New Republic is grappling with internal dissent and the threat of a resurgent Imperial faction. The story opens with a devastating attack on Coruscant, the capital, which shakes the fragile peace and sets the stage for a tense political thriller. The shadow of Grand Admiral Thrawn—though he died in the earlier trilogy—still looms large, influencing events through his loyalists who seek to restore the Empire's former glory.

Key Characters and Their Roles

- **Leia Organa Solo:** Now a seasoned senator, Leia faces the challenge of uniting disparate factions while battling personal grief and political opposition. Her leadership is tested as she navigates treacherous waters.
- **Han Solo:** The ever-charismatic smuggler turned general remains a vital player, balancing his roguish charm with military strategy.
- **Mara Jade:** Once the Emperor's Hand and now an ally to the New Republic, Mara's past and skills are crucial in uncovering conspiracies.
- **Talon Karrde:** The smuggler and information broker returns, providing critical intelligence and resources.
- **Admiral Daala:** A new antagonist, she embodies the ruthless remnants of the Imperial military, driving much of the conflict.

The interplay between these characters enriches the narrative, making it both a political drama and an action-packed adventure.

Thematic Depth and Storytelling Style

What sets *Specter of the Past* apart is its deft combination of military strategy, political machinations, and personal dynamics. Timothy Zahn's writing style is engaging and immersive, drawing readers into the complexities of a galaxy struggling to find peace.

The Weight of Legacy and Consequences

The novel explores how the past—both personal and political—shapes the present. The "specter" in the title is a metaphor not only for Thrawn's lingering influence but also for the unresolved issues left behind by the Galactic Civil War. Characters wrestle with their histories while trying to forge a path forward, illustrating the challenges of reconciliation and rebuilding.

Military Strategy and Galactic Politics

Fans of tactical depth will appreciate Zahn's detailed depiction of fleet movements, espionage, and negotiations. The novel doesn't just focus on lightsaber duels or space battles; it delves into the subtleties of leadership and the burdens of command. This realism adds a layer of sophistication that elevates it above typical space opera fare.

How Specter of the Past Connects to the Larger "Hand of Thrawn" Duology

Specter of the Past star wars the hand of thrawn 1 is the opening act of a two-part story, followed by "Vision of the Future." Together, these novels form a cohesive narrative arc that expands on the fate of the New Republic and the enduring threat posed by Imperial loyalists.

Setting Up the Stakes

The first novel lays the groundwork—introducing conflicts, deepening character development, and presenting mysteries that demand resolution. It's a slow burn compared to the explosive action of the earlier Thrawn Trilogy, but this pacing allows for richer storytelling and world-building.

Building Anticipation for the Sequel

By the end of Specter of the Past, the galaxy is on the brink of chaos, with alliances strained and old enemies regrouping. This cliffhanger quality makes it a compelling read and encourages fans to continue with the series to discover how the saga unfolds.

Legacy and Influence of Specter of the Past in Star Wars Fandom

Though the Expanded Universe has been rebranded as non-canon, the impact of specter of the past star wars the hand of thrawn 1 remains significant. Zahn's novels have shaped fan perceptions of key characters and events, influencing how many envision the galaxy's future beyond the films.

Influence on Later Media

Elements introduced or popularized in these books have found echoes in newer Star Wars content. For example, the character of Grand Admiral Thrawn was reintroduced into the official canon through the animated series "Star Wars Rebels," sparking renewed interest in Zahn's storytelling.

Why Fans Still Cherish This Novel

- **Rich Characterization:** The depth given to Leia, Han, Mara Jade, and others provides emotional stakes that resonate.
- **Complex Plotting:** The mix of political intrigue and military action appeals to readers who enjoy layered narratives.
- **Expanding the Universe:** It offers insight into how the galaxy evolves after the fall of the Empire, filling gaps left by the movies.

Tips for New Readers Approaching Specter of the Past Star Wars The Hand of Thrawn 1

If you're new to the Expanded Universe or considering diving into this novel, here are some pointers to enhance your experience:

- **Start with the Original Thrawn Trilogy:** Although Specter of the Past can be read as a standalone, familiarity with "Heir to the Empire," "Dark Force Rising," and "The Last Command" enriches understanding.
- **Pay Attention to Political Details:** The novel contains nuanced discussions of governance and diplomacy that reward careful reading.
- **Keep a Character List Handy:** With a large cast, tracking relationships and allegiances helps maintain clarity.
- **Embrace the Slow Build:** The story unfolds deliberately, focusing on atmosphere and tension rather than nonstop action.

Exploring Related Themes in Star Wars Literature

Specter of the Past shares thematic DNA with other notable Star Wars novels that examine the aftermath of war and the challenges of peace:

- **Legacy of the Force series:** Focuses on generational conflict and the consequences of power struggles.
- **Star Wars: Bloodline:** Deals with political intrigue in the New Republic era, much like Zahn's work.
- **Jedi Academy Trilogy:** Explores rebuilding Jedi traditions after defeat, paralleling how the New Republic rebuilds politically.

These connections highlight the richness of Star Wars storytelling beyond the silver screen, inviting readers to explore complex narratives of power, loyalty, and identity.

As fans continue to revisit and cherish the Expanded Universe, works like *Specter of the Past* remain vital pieces of the Star Wars mosaic—reminding us that in a galaxy far, far away, the past is never truly gone, and its specters shape the future in unexpected ways.

****Specter of the Past: Star Wars The Hand of Thrawn 1 – A Deep Dive into Timothy Zahn's Pivotal Novel****

specter of the past star wars the hand of thrawn 1 marks a significant milestone in the Star Wars Expanded Universe, now branded as Legends. Published in 1997, this novel by Timothy Zahn reintroduces fans to the intricate political and military saga that follows the iconic galactic conflict, bridging gaps and expanding on the legacy of the original trilogy. As the first installment in the Hand of Thrawn duology, it offers a meticulous blend of character development, strategic depth, and narrative complexity that continues to resonate with Star Wars enthusiasts.

In-depth Analysis of *Specter of the Past* Star Wars The Hand of Thrawn 1

Timothy Zahn's work in *Specter of the Past* is notable for its layered storytelling and return to a more mature, politically charged Star Wars universe. Unlike many Star Wars novels that focus heavily on Jedi lore or action-packed space battles, this book shifts attention toward the aftermath of the Galactic Civil War and the delicate reconstruction of the New Republic. The narrative explores the fragile peace and the ever-looming threat posed by remnants of the Imperial forces.

The title itself, *Specter of the Past*, is thematically rich, referring not just to the literal threat of Grand Admiral Thrawn's legacy but also to the shadows cast by previous conflicts and political decisions. Zahn skillfully intertwines these elements, creating a palpable tension that drives the plot forward without resorting to excessive exposition.

One of the key features of this novel is its emphasis on political intrigue. The New Republic, still reeling from its recent victories, faces internal divisions and external threats. The narrative delves into the challenges of governance, loyalty, and espionage, offering a more nuanced portrayal of the post-war galaxy. This approach distinguishes *Specter of the Past* from other Star Wars literature of its era, which often prioritized direct confrontations over political machinations.

Character Development and Dynamics

The novel reunites readers with fan favorites such as Luke Skywalker, Han Solo, and Leia Organa, while also spotlighting characters introduced in Zahn's earlier works, like Mara Jade and Talon Karrde. Zahn's characterization balances familiarity with growth, portraying heroes who are seasoned by conflict and burdened by new responsibilities.

Particularly noteworthy is Mara Jade's role, which has been extensively analyzed by fans for her complex transformation from Emperor's Hand to a key figure in the New Republic. Her interactions with Luke Skywalker provide emotional depth and highlight the evolving Jedi philosophy in the post-Empire era.

Furthermore, *Specter of the Past* introduces new antagonists and allies, enriching the Star Wars mythos. The resurgence of Imperial loyalists and shadowy conspirators reflects the persistent instability within the galaxy and raises the stakes beyond traditional good-versus-evil narratives.

Narrative Structure and Pacing

Zahn's narrative approach in *Specter of the Past* balances multiple plotlines, weaving together military

strategy, covert operations, and personal conflicts. This multifaceted structure demands careful reading but rewards with a cohesive and engaging story.

The pacing oscillates between intense action sequences and slower, contemplative moments. This rhythm allows for both adrenaline-driven scenes and thoughtful exploration of themes such as trust, betrayal, and the burden of leadership. It also mirrors the broader Star Wars thematic tradition of balancing spectacle with character-driven storytelling.

Contextual Significance within the Star Wars Expanded Universe

Specter of the Past occupies a crucial place within the Expanded Universe timeline. Set several years after the events of **Return of the Jedi**, it addresses the political vacuum left by the fall of the Emperor and the disintegration of the Imperial hierarchy. The novel's focus on the New Republic's struggles offers insight into the complexities of rebuilding a shattered galaxy, a theme that resonates with contemporary narratives of post-conflict reconstruction.

This installment also sets the stage for its sequel, **Vision of the Future**, completing the Hand of Thrawn duology. Together, these novels expand the narrative scope beyond individual heroics to encompass broader socio-political dynamics.

Comparisons to Other Star Wars Literature

In comparison to other Star Wars novels from the 1990s, **Specter of the Past** stands out for its mature tone and political sophistication. While many contemporaneous works emphasized Jedi adventures or the struggle against the Sith, Zahn's duology centers on the systemic challenges facing a fledgling government.

For instance, novels like **Heir to the Empire** (also by Zahn) and **Dark Force Rising** focus heavily on military campaigns and the reemergence of Thrawn himself, but **Specter of the Past** shifts the lens to the consequences of those campaigns. This focus on governance and political intrigue makes it a unique and essential read for fans interested in the broader Star Wars universe beyond lightsaber duels and space battles.

Pros and Cons of Specter of the Past Star Wars The Hand of Thrawn 1

- **Pros:**

- Rich political and strategic depth that elevates the Star Wars narrative beyond simple good-versus-evil tropes.
 - Strong character development, especially for secondary characters like Mara Jade, enhancing emotional investment.
 - Complex storytelling that appeals to readers seeking a mature and thought-provoking Star Wars experience.
 - Integration of multiple plotlines that provide a comprehensive view of the post-Empire galaxy.
- **Cons:**
 - The intricate political details and slower pacing may deter readers expecting fast-paced action.
 - Some plot points require familiarity with previous Star Wars Expanded Universe novels, potentially alienating new readers.
 - The focus on political intrigue may feel dense compared to more traditional Star Wars adventures.

Legacy and Impact on the Star Wars Franchise

The influence of *Specter of the Past* star wars the hand of thrawn 1* extends beyond its initial publication. It helped to solidify Timothy Zahn's reputation as one of the most influential authors in the Star Wars literary canon. The character arcs and political themes introduced in this novel have inspired subsequent storytelling in various media, including comics, games, and fan fiction.

Moreover, the novel's emphasis on the enduring impact of past events—the "specter" that haunts the present—resonates with modern audiences attuned to complex narratives about history and its consequences. Its place in the Legends continuity continues to attract readers looking for a richer, more detailed Star Wars universe.

In recent years, elements from Zahn's works, including the Hand of Thrawn storyline, have sparked

discussions about potential reintroductions or adaptations into official Star Wars canon, highlighting the lasting appeal of this narrative.

Overall, *Specter of the Past* star wars the hand of thrawn 1* remains a cornerstone of Star Wars literature. It challenges readers with its intricate plot and mature themes while rewarding them with a compelling story that broadens the scope of the beloved franchise. For those invested in the political and strategic depths of the galaxy far, far away, Zahn's novel is indispensable reading.

specter of the past star wars the hand of thrawn 1: Star Wars: Thrawn Timothy Zahn, 2017-04-11 THE SUNDAY TIMES BESTSELLER In this definitive novel, readers will follow Thrawn's rise to power—uncovering the events that created one of the most iconic villains in Star Wars history. One of the most cunning and ruthless warriors in the history of the Galactic Empire, Grand Admiral Thrawn is also one of the most captivating characters in the Star Wars universe, from his introduction in bestselling author Timothy Zahn's classic *Heir to the Empire*, through his continuing adventures in *Dark Force Rising*, *The Last Command*, and beyond. But Thrawn's origins and the story of his rise in the Imperial ranks have remained mysterious. Now, in *Star Wars: Thrawn*, Timothy Zahn chronicles the fateful events that launched the blue-skinned, red-eyed master of military strategy and lethal warfare into the highest realms of power—and infamy. After Thrawn is rescued from exile by Imperial soldiers, his deadly ingenuity and keen tactical abilities swiftly capture the attention of Emperor Palpatine. And just as quickly, Thrawn proves to be as indispensable to the Empire as he is ambitious; as devoted as its most loyal servant, Anakin Skywalker; and a brilliant warrior never to be underestimated. On missions to rout smugglers, snare

spies, and defeat pirates, he triumphs time and again—even as his renegade methods infuriate superiors while inspiring ever greater admiration from the Empire. As one promotion follows another in his rapid ascension to greater power, he schools his trusted aide, ensign Eli Vanto, in the arts of combat, leadership, and the secrets of claiming victory. But even though Thrawn dominates the battlefield, he has much to learn in the arena of politics where ruthless administrator Arihnda Pryce holds the power to be a potent ally or a brutal enemy. All these lessons will be put to the ultimate test when Thrawn rises to admiral—and must pit all the knowledge, instincts, and battle forces at his command against an insurgent uprising that threatens not only innocent lives but also the Empire's grip on the galaxy—and his own carefully laid plans for future ascendancy.

Thrawn's latest triumph still rests newly on his shoulders. He has led the Chiss to victory and brought glory to the House of Mitth, but the true threat to the Ascendancy has not yet been extinguished. Their foes do not send threats or ultimatums, do not mass ships on the edge of the Chaos. Their weapons come cloaked in smiles and generosity: Gifts offered freely. Services granted unconditionally. Across the Ascendancy, seemingly inconsequential events could herald the doom of the Chiss. As Thrawn and the Expansionary Defense Fleet rally to uncover the plot, they discover a chilling truth: Rather than invade Chiss capitals or pillage resources, their enemy strikes at the very foundation of the Ascendancy, seeking to widen the rifts between the Nine Ruling Families and the Forty Great Houses below. As rivalry and suspicion sow discord among allies, each warrior must decide what matters most to them: the security of their family or the survival of the Ascendancy itself.

"I have sensed a disturbance in the Force." Ominous words under any circumstances, but all

the more so when uttered by Emperor Palpatine. On Batuu, at the edges of the Unknown Regions, a threat to the Empire is taking root—its existence little more than a glimmer, its consequences as yet unknowable. But it is troubling enough to the Imperial leader to warrant investigation by his most powerful agents: ruthless enforcer Lord Darth Vader and brilliant strategist Grand Admiral Thrawn. Fierce rivals for the emperor's favor, and outspoken adversaries on Imperial affairs—including the Death Star project—the formidable pair seem unlikely partners for such a crucial mission. But the Emperor knows it's not the first time Vader and Thrawn have joined forces. And there's more behind his royal command than either man suspects. In what seems like a lifetime ago, General Anakin Skywalker of the Galactic Republic, and Commander Mitth'raw'nuruodo, officer of the Chiss Ascendancy, crossed paths for the first time. One on a desperate personal quest, the other with motives unknown . . . and undisclosed. But facing a gauntlet of dangers on a far-flung world, they forged an uneasy alliance—neither remotely aware of what their futures held in store. Now, thrust together once more, they find themselves bound again for the planet where they once fought side by side. There they will be doubly challenged—by a test of their allegiance to the Empire . . . and an enemy that threatens even their combined might.

specter of the past star wars the hand of thrawn 1: Allegiance: Star Wars Legends

Timothy Zahn, 2011-06-28 Never before has the incendiary mix of action, politics, and intrigue that has become Timothy Zahn's trademark, been more evident than in this new Star Wars epic. On the heels of the stunning events chronicled in *Star Wars: A New Hope*, the newly minted heroes of the Rebellion—fledgling Jedi Luke Skywalker, smuggler turned reluctant freedom-fighter Han Solo, and Princess Leia Organa, a bold leader with a world to avenge—must face the harsh realities of the cataclysmic conflict into which they have so bravely plunged. From this point forward, legends will grow, treachery will abound, and lives will be irrevocably altered, in the long, hard fight to counter the fist of tyranny and restore hope to a galaxy too long in darkness. The destruction of the Death Star by the Rebel Alliance was a decisive blow against the Empire, but Palpatine and his monstrous enforcer, Darth Vader, are no less of a threat. The brutal extermination of Alderaan not only demonstrated the magnitude of their murderous power, but served as a chilling testament to their resolve to crush the Rebel uprising. Standing against them, Skywalker, Solo, and the Princess remain uncertain opponents. Luke is gifted and brave, but unschooled in the power he possesses. Han has doubts about waging someone else's war—and his contentiousness is one more burden for Leia to bear as she struggles to help keep the Rebellion alive. The three have been sent to mediate a dispute between Rebel Alliance factions in the Shelsha Sector—agitating matters by forcing Han to deal not only with pirates, but with his more dreaded enemy, politics. At the same time, Mara Jade—all of eighteen and years away from her fateful meeting with Luke—is serving her evil master, Palpatine, well in her role as the Emperor's Hand: tracking suspected treachery in the Empire to what may be high places—while trying to stay out of Darth Vader's way. But the Rebels will prove to be only one of the Empire's concerns. For Imperial Stormtrooper Daric LaRone, his faith in the Empire shaken by the wanton destruction of Alderaan, will commit a sudden and violent act of defiance, and take four other enforcers with him, in a desperate bid to elude their masters' wrath. Each of these fateful actions, whether sanctioned, secret, or scandalous, will expose brutality and corruption, spur upheavals destined to shake the Empire to its core, and shape momentous events yet to come. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!

specter of the past star wars the hand of thrawn 1: Star Wars: Survivor's Quest

Timothy Zahn, 2012-09-30 The specter of the menacing Grand Admiral Thrawn looms over Luke Skywalker and Mara Jade as they embark on a journey to recover an important piece of Jedi history. Sometimes it seems a Jedi's work is never done and Luke and Mara Jade Skywalker know this only too well. Despite the bond they share in the Force, after three years of marriage the Jedi Master and his wife are still learning the ropes of being a couple—and struggling to find time together between the constant demands of duty. But all that will change when they're united on an unexpected mission:

They must pool their exceptional skills to combat an insidious enemy and salvage a part of Jedi history. Whatever may await, the Skywalkers will not face it alone. Joining them on the strange and solemn journey are an officer of the post-Palpatine Empire, escorted by a detachment of Imperial stormtroopers; a party of diplomats from a gentle alien species that reveres the fallen Jedi for saving them from bloodthirsty conquerors; and a New Republic ambassador who harbors his own mysterious agenda. Soon enough, suspicion, secrecy, and an unknown saboteur run rampant aboard the isolated ship. But it is within the derelict walls of Outbound Flight itself, buried for half a century on a desolate planetoid, where the gravest danger lies. As the marooned hulk yields up stunning revelations and unexpected terrors to its visitors, Luke and Mara find all they stand for—and their very existence—brutally challenged. And the ultimate test will be surviving the deathtrap carefully laid by foes who are legendary for their ruthlessness . . . and determined to complete the job Thrawn began: exterminating the Jedi.

Timothy Zahn, 2022-05-31 Experience the #1 New York Times bestselling Star Wars Legends trilogy that introduced the menacing Grand Admiral Thrawn—now in a complete three-book set. Following the events of *Return of the Jedi*: Star Wars: Episode VI, Luke Skywalker, Han Solo, and Princess Leia find themselves once again at the center of rebellion. Five years after the Death Star was destroyed and Darth Vader and the Emperor were defeated, the galaxy is struggling to heal the wounds of war, Leia and Han are married and expecting twins, and Luke has become the first in a long-awaited line of new Jedi Knights. But thousands of light-years away, the last of the Emperor's warlords—the brilliant and deadly Grand Admiral Thrawn—has taken command of the shattered Imperial fleet, readied it for war, and pointed it at the fragile heart of the New Republic. Meanwhile, Han and Lando Calrissian race against time to find proof of treason inside the highest Republic Council—only to discover instead a ghostly fleet of warships that could bring doom to their friends and victory to their enemies. Yet most dangerous of all is a new Dark Jedi, risen from the ashes of a shrouded past, consumed by bitterness, and scheming to corrupt Luke to the dark side.

specter of the past star wars the hand of thrawn 1: *Star Wars: Dawn of the Jedi: Into the Void*

Tim Lebbon, 2014-03-13 Discover the origins of the Jedi order, as a lone Je'daii ranger fights to save their ancient homeworld, Tython, from disaster. On the planet Tython, the ancient Je'daii order was founded. And at the feet of its wise Masters, Lanoree Brock learned the mysteries and methods of the Force—and found her calling as one of its most powerful disciples. But as strongly as the Force flowed within Lanoree and her parents, it remained absent in her brother, who grew to despise and shun the Je'daii, and whose training in its ancient ways ended in tragedy. Now, from her solitary life as a Ranger keeping order across the galaxy, Lanoree has been summoned by the Je'daii Council on a matter of utmost urgency. The leader of a fanatical cult, obsessed with traveling beyond the reaches of known space, is bent on opening a cosmic gateway using dreaded dark matter as the key—risking a cataclysmic reaction that will consume the entire star system. But more shocking to Lanoree than even the prospect of total galactic annihilation, is the decision of her Je'daii Masters to task her with the mission of preventing it. Until a staggering revelation makes clear why she was chosen: The brilliant, dangerous madman she must track down and stop at any cost is the brother whose death she has long grieved—and whose life she must now fear.

specter of the past star wars the hand of thrawn 1: *Star Wars: Outbound Flight* Timothy Zahn, 2012-10-31 On an epic voyage far beyond the Republic, the Jedi will confront their most

extraordinary enemy-and test the limits of honor and sacrifice against their most devastating challenge. . . . The Clone Wars have yet to erupt when Jedi Master Jorus C'baoth petitions the Senate for support of a singularly ambitious undertaking: the dream of Outbound Flight. Six Jedi Masters, twelve Jedi Knights, and fifty thousand men, women, and children will embark-aboard a gargantuan vessel, equipped for years of travel-on a mission to contact intelligent life and colonize undiscovered worlds beyond the known galaxy. Unknown to the famed Jedi Master, the successful launch of the mission is secretly being orchestrated by an unlikely ally: the evil Sith Lord, Darth Sidious, who has his own reasons for wanting Outbound Flight to move forward. Yet Darth Sidious is not the mission's most dangerous challenge. Once underway, the starship crosses paths at the edge of Unknown Space with the forces of the alien Chiss Ascendancy and a brilliant mastermind named Thrawn. Even Jedi Knight Obi-Wan Kenobi, aboard Outbound Flight with his young Padawan student, Anakin Skywalker, cannot help avert disaster. Thus what begins as a peaceful Jedi mission is violently transformed into an all-out war for survival against staggering odds-and the most diabolical of adversaries.

specter of the past star wars the hand of thrawn 1: Jedi Search: Star Wars Legends (The Jedi Academy) Kevin Anderson, 2011-06-28 As the war between the Republic and the scattered remnants of the Empire continues, two children--the Jedi twins--will come into their powers in a universe on the brink of vast changes and challenges. In this time of turmoil and discovery, an extraordinary new Star Wars saga begins.... While Luke Skywalker takes the first step toward setting up an academy to train a new order of Jedi Knights, Han Solo and Chewbacca are taken prisoner on the planet Kessel and forced to work in the fathomless depths of a spice mine. But when Hans and Chewie break away, they flee desperately to a secret imperial research laboratory surrounded by a cluster of black holes--and go from one danger to a far greater one.... On Kessel, Luke picks up the trail of his two friends, only to come face to face with a weapon so awesome, it can wipe out an entire solar system. It is a death ship called the Sun Crusher, invented by a reclusive genius and piloted by none other than Han himself... Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!

specter of the past star wars the hand of thrawn 1: The Icarus Hunt Timothy Zahn, 2012-05-23 From Timothy Zahn, Hugo Award winner and New York Times bestselling author of two landmark Star Wars® series, comes an original new tale featuring a renegade space pilot, his unusual alien partner, and an unknown cargo that can change the course of galactic history. Jordan McKell has a problem with authority. Unfortunately for him, the iron-fisted authority of the powerful Patthaaunutth controls virtually every aspect of galactic shipping. In order to survive, Jordan ekes out a living dabbling in interstellar smuggling for outlaw concerns that represent the last vestiges of free trade in the galaxy. So when Jordan and his partner, Ixil--an alien with two ferret-like outhunters linked to his neural system--are hired by a mysterious gentleman to fly a ship and its special cargo to Earth, they jump at the job. Caution has never been one of Jordan's strong suits. But this time he may have taken on more than even he can handle. The ship, Icarus, turns out to be a ramshackle hulk, the ragtag crew literally picked up off the street, and the cargo so secret, it's sealed in a special container that takes up most of the cramped and ill-designed ship. As if that weren't bad enough, it looks like the authorities already suspect something is afoot, there's a saboteur aboard, and the Icarus appears to be shaking apart at the seams. It doesn't seem as if things could get any worse. That is, until a beautiful crew member helps McKell uncover the true nature of the cargo he's carrying. With his enemies closing in on the lumbering Icarus, the unknown saboteur still aboard, and authorities on Earth pressured to turn them in, McKell and Ixil become fugitives. Their only chance is to stay one step ahead of their pursuers as they try to make it home. A bold and epic novel filled with unrelenting action and a good dose of humor, The Icarus Hunt is a wild hyperspace romp through the galaxy.

specter of the past star wars the hand of thrawn 1: Odd Girl Out Timothy Zahn, 2008-11-11 In this noir thriller set on the interstellar Quadrail, former government agent Frank

Compton can't catch a break. After a successful mission against the Modhri, the coral polyp-based group mind that is attempting to take over the galaxy, Frank arrives at his New York apartment. A young woman is waiting for him, pointing a gun at his face. She tells him that someone on New Tigris is holding her ten-year-old sister. Compton takes her gun and orders her out, only to be rousted out of bed and accused of her brutal murder. After Frank's ally Bruce McMicking posts his bail, Frank travels to New Tigris with his assistant, Bayta, and locates the sister, who is part of a key resistance group that is fighting the Modhri throughout the galaxy. Compton must get the girl to a hidden refuge planet via the Quadrail to ensure the continued efforts of the resistance. But can he do it before the Modhri gets to her first? Compelling characters, hard-boiled sleuthing, and non-stop action make this a hard SF thriller that will grab the reader and not let go until the last page.
