

role of women in the new testament

Role of Women in the New Testament: A Journey Through Faith and Influence

Role of women in the new testament is a fascinating subject that reveals much about the early Christian community, social dynamics of the time, and the theological foundations laid by Jesus and his followers. Far from being passive or marginal figures, women in the New Testament played vital roles as disciples, supporters, leaders, and witnesses to the life and resurrection of Christ. Exploring their stories not only enriches our understanding of biblical history but also sheds light on the evolving perception of women's spiritual and social importance in Christian tradition.

Understanding the Historical Context

To appreciate the role of women in the New Testament, it's important to first consider the cultural and societal backdrop. The first-century Mediterranean world was predominantly patriarchal. Women often had limited rights and were generally expected to focus on domestic responsibilities. Despite these constraints, the New Testament narratives highlight women who stepped beyond traditional roles, demonstrating leadership, faith, and courage.

Women's Social Status in the First Century

In Jewish and Greco-Roman societies, women's roles were primarily centered around family and household duties. Public religious and political life was largely male-dominated. However, the New Testament reveals that Jesus' ministry challenged these norms by including women among his followers and recognizing their spiritual worth.

Key Biblical Figures: Women in the Life of Jesus

Women appear prominently in the Gospels, not as mere bystanders but as active participants in Jesus' ministry.

Mary, the Mother of Jesus

Perhaps the most significant female figure in the New Testament is Mary, the mother of Jesus. Her role transcends the biological as she is portrayed as a model of faith and obedience to God. The Magnificat (Luke 1:46-55) expresses her deep spirituality and prophetic insight into God's plan.

Mary Magdalene and Other Female Disciples

Mary Magdalene holds a unique place as the first witness to the resurrection — a cornerstone event in Christian faith. Alongside other women such as Joanna, Susanna, and Mary the mother of James, these women supported Jesus' ministry financially and emotionally. Their dedication challenges assumptions about women's involvement in early Christian communities.

The Woman at the Well and the Canaanite Woman

Jesus' interactions with women like the Samaritan woman at the well (John 4) and the Canaanite woman (Matthew 15:21-28) demonstrate his inclusive approach and willingness to break social barriers. These encounters highlight women's role as recipients of Jesus' message and as models of faith.

Women as Leaders and Witnesses in the Early Church

After Jesus' resurrection and ascension, women continued to play crucial roles in spreading the gospel and nurturing the early Christian movement.

Phoebe: The Deacon and Patron

In Romans 16:1-2, Paul commends Phoebe as a deacon of the church in Cenchreae and a benefactor to many. This indicates that women held official roles in the church's early organization and were instrumental in supporting missions and communities.

Priscilla: Teacher and Co-worker

Priscilla, along with her husband Aquila, is noted for instructing Apollos, an eloquent preacher, more accurately in the faith (Acts 18:24-26). Her involvement in teaching suggests that women participated in theological education and leadership roles.

Junia: Recognized Apostle

One of the most debated figures is Junia, mentioned in Romans 16:7, who is referred to as "outstanding among the apostles." This challenges the notion that apostleship was an exclusively male role and underscores the significant contributions of women in evangelism.

Women's Roles in Worship and Community Life

Women's involvement wasn't limited to leadership or teaching; they were active participants in worship, hospitality, and community building.

Hosting House Churches

Many early Christian gatherings took place in private homes, often those owned by women. For instance, Lydia, a merchant of purple goods, opened her home to Paul and his companions (Acts 16:14-15), facilitating the growth of the church in Philippi. This hospitality was essential to the spread of Christianity.

Prayer and Prophecy

The New Testament also records women engaging in prayer and prophetic activities. Anna the prophetess (Luke 2:36-38) is a notable example, who recognized Jesus as the Messiah during his presentation at the temple. Such instances show that women's spiritual gifts were valued and exercised publicly.

Challenges and Interpretations: Women's Role in Church

Teachings

Throughout history, the interpretation of women's roles in the New Testament has been a subject of debate and varying perspectives.

Paul's Letters and Women's Roles

Some of Paul's epistles contain passages that seem restrictive regarding women's participation in church (e.g., 1 Timothy 2:12). However, these must be balanced with other texts that highlight women's leadership and ministry. Scholars argue that cultural context and specific situations influenced these instructions, rather than representing universal prohibitions.

Modern Perspectives on Women in Ministry

Today, many denominations revisit the New Testament narratives to advocate for women's full inclusion in church leadership and ministry. The examples of Phoebe, Priscilla, and others serve as biblical foundations for supporting women's ordination and active participation in faith communities.

Lessons from the Role of Women in the New Testament

Reflecting on the role of women in the New Testament offers valuable insights for contemporary believers and scholars alike.

- **Recognition of Spiritual Equality:** The New Testament affirms that spiritual gifts and callings are not limited by gender.
- **Inclusivity in Ministry:** Jesus' example encourages the inclusion and respect of women in all facets of faith life.
- **Leadership and Service:** Women's contributions in teaching, prophecy, hospitality, and evangelism demonstrate diverse ways to serve the church.

- **Challenging Cultural Norms:** The early Christian community's openness to women set a precedent for breaking down social barriers.

By exploring these themes, we gain a richer understanding of how the New Testament portrays women not just as followers but as essential pillars in the foundation of Christianity.

The role of women in the New Testament continues to inspire and challenge modern readers, inviting us to recognize the profound impact women have had and continue to have in the life of the church and the broader faith journey.

Frequently Asked Questions

What roles do women play in the New Testament?

Women in the New Testament are depicted in various roles such as followers of Jesus, witnesses to His resurrection, leaders in early Christian communities, and examples of faith and devotion.

Who are some prominent women mentioned in the New Testament?

Prominent women include Mary, the mother of Jesus; Mary Magdalene, a devoted follower; Martha and Mary of Bethany; Priscilla, an early church leader; and Lydia, a supporter of Paul's ministry.

How does the New Testament portray Mary Magdalene?

Mary Magdalene is portrayed as a faithful disciple who supported Jesus's ministry, was present at His crucifixion, and was the first to witness and announce His resurrection.

What significance do women have in the resurrection accounts?

Women were the first to discover the empty tomb and to witness the resurrected Jesus, highlighting

their important role as primary witnesses in the resurrection narratives.

Did women hold leadership positions in the early church according to the New Testament?

Yes, women like Priscilla are shown as leaders and teachers in the early church, often working alongside male apostles to spread the Christian message.

How are women depicted in the parables of Jesus?

Women are depicted in Jesus's parables as examples of faith, wisdom, and persistence, such as the persistent widow and the woman who lost a coin.

What does the New Testament say about women praying and prophesying?

The New Testament records women praying and prophesying in the early church, such as Anna in the temple and the daughters of Philip who prophesied, indicating active spiritual roles.

Are there any instructions about women's roles in worship in the New Testament?

Some passages, like 1 Corinthians 11 and 1 Timothy 2, discuss women's roles in worship, reflecting cultural contexts and ongoing debates about women's participation in church leadership.

How does the New Testament encourage the treatment of women?

The New Testament encourages respect, honor, and equality for women, emphasizing their value in the body of Christ and calling for mutual love and submission among believers.

Role of Women in the New Testament: An Analytical Review

Role of women in the New Testament remains a subject of significant scholarly interest and theological debate. This topic not only illuminates the historical context of early Christianity but also continues to influence contemporary discussions on gender roles within religious communities. By examining the scriptural accounts, social dynamics, and theological implications, one can gain a nuanced understanding of how women contributed to and were represented in the early Christian narrative.

Historical Context and Social Setting

The New Testament was composed within a predominantly patriarchal society where women generally held subordinate social positions. Understanding the role of women in this text requires a careful consideration of the cultural and religious norms of first-century Judea and the Greco-Roman world. Women were often excluded from formal religious leadership and public decision-making, yet the New Testament depicts several instances where women played pivotal roles.

The socio-political environment shaped the way women were portrayed and the functions they could perform within the nascent Christian movement. Despite the constraints of their time, the New Testament reveals women as active participants in Jesus' ministry and the early church, challenging some traditional assumptions about gender exclusivity in religious roles.

Women in the Ministry of Jesus

One of the most striking features concerning the role of women in the New Testament is their involvement in Jesus' ministry. Unlike many contemporary religious leaders, Jesus interacted openly with women, breaking social taboos and elevating their spiritual status.

Key Female Figures

- **Mary Magdalene**: Perhaps the most prominent woman in the New Testament, Mary Magdalene is described as a devoted follower of Jesus who witnessed his crucifixion and resurrection. Her role as the first to see the risen Christ underscores her importance in the resurrection narrative, often referred to as the "apostle to the apostles."
- **Mary and Martha of Bethany**: These sisters represent different aspects of discipleship—Mary as the contemplative listener and Martha as the active servant. Their story highlights the diverse ways women engaged with Jesus' teachings.
- **The Samaritan Woman at the Well**: This encounter in the Gospel of John showcases Jesus' willingness to cross cultural and gender boundaries. The woman becomes a witness who spreads the message to her community, illustrating women's potential as evangelists.

Women as Disciples and Supporters

The Gospels and Acts emphasize that women were not merely passive recipients of Jesus' message but were active disciples who supported his mission materially and spiritually. For instance, Luke 8:1-3 mentions women who accompanied Jesus and the Twelve, providing financial support. This acknowledgment of their agency is significant in understanding how women contributed to the spread of early Christianity.

Women in the Early Church

The role of women continued to evolve after Jesus' resurrection, particularly in the formation of the early Christian communities. The New Testament letters and Acts provide glimpses into women's participation in church life, though these references are often brief and sometimes ambiguous.

Prominent Women in Early Christian Communities

- **Phoebe**: Identified by Paul as a deacon or servant of the church in Cenchreae (Romans 16:1-2), Phoebe is often cited as evidence of women holding leadership roles in the early church.
- **Priscilla**: Alongside her husband Aquila, Priscilla is noted for instructing Apollos, a prominent preacher, indicating her theological knowledge and active role in teaching.
- **Junia**: Mentioned in Romans 16:7 as "outstanding among the apostles," Junia's identification as a female apostle has sparked considerable scholarly debate, challenging traditional views on apostolic leadership as exclusively male.

Restrictions and Debates

Despite these examples, certain Pauline epistles contain passages that have been interpreted as limiting women's roles in worship and leadership (e.g., 1 Timothy 2:12, 1 Corinthians 14:34-35). These verses have been central to ongoing debates about the extent and nature of women's participation in church authority. Some scholars argue these instructions were situational and culturally specific, while others view them as normative for all Christian communities.

Theological Implications and Interpretations

The diverse portrayals of women in the New Testament invite multiple theological reflections. On one hand, the scriptural narratives affirm the dignity and value of women as disciples, witnesses, and leaders. On the other, certain restrictive texts have been used historically to justify gender hierarchies within Christian institutions.

Women as Images of Faith and Virtue

Women in the New Testament often serve as exemplars of faith, perseverance, and hospitality. For instance, the faith of the Canaanite woman (Matthew 15:21-28) and the persistent widow (Luke 18:1-8) are portrayed positively, emphasizing women's spiritual strength and determination.

Contemporary Relevance and Debate

The role of women in the New Testament continues to influence modern Christian denominations' policies on women's ordination and leadership. Progressive interpretations highlight the active roles women played, advocating for equal participation in ministry. Conversely, conservative approaches often emphasize the passages that restrict women's roles, maintaining traditional gender distinctions.

Comparative Perspectives: New Testament vs. Old Testament

A comparative analysis reveals notable shifts from the Old Testament to the New Testament in the portrayal of women. While the Old Testament contains stories of influential women—such as Deborah, Esther, and Ruth—the New Testament presents women in more diverse roles within the religious community, especially through their association with Jesus and the early church.

This progression illustrates a transformative approach toward women's spiritual agency, though it remains embedded within the patriarchal context of the era. The New Testament often reinterprets Old Testament themes, offering a more inclusive vision that acknowledges women's contributions to God's redemptive plan.

Women's Roles in Early Christian Communities: Features and Challenges

The participation of women in early Christian communities had several notable features:

- **Leadership and Service:** Women like Phoebe and Priscilla show that leadership was not entirely gender-exclusive.
- **Evangelism:** Female figures like the Samaritan woman and Mary Magdalene were active in spreading the gospel message.
- **Financial Support:** The ministry of Jesus and the apostles was often supported by women materially, indicating their crucial economic role.
- **Teaching and Discipleship:** Women were involved in teaching and nurturing new believers.

However, challenges persisted, including restrictions on public speaking and leadership roles in worship services, which reflected broader societal norms and internal ecclesiastical debates.

Conclusion

Exploring the role of women in the New Testament reveals a complex and multifaceted picture. Women were integral to the ministry of Jesus and the early church, serving as disciples, leaders, and witnesses. At the same time, certain texts impose limitations that have shaped ecclesiastical attitudes for centuries. Understanding this duality is essential for a balanced and informed perspective on gender roles in Christian history and theology. The New Testament, therefore, offers both a foundation

for recognizing women's contributions and a context for ongoing dialogue about their place in faith communities today.

Role Of Women In The New Testament

role of women in the new testament: Women in the New Testament Mary Ann Getty-Sullivan, 2017-06-15 Much of the history of women, in religion as in other fields, is lost because it was overlooked or considered unimportant. It is therefore surprising that so many fragments of women's stories survive in the New Testament texts composed by men. Why did they include so many references to women and why are women, as a group, treated so positively by the male New Testament writers? *Women in the New Testament* shows how the stories of women are an integral part of the Gospel and its meaning for us. It also relays how we can respond to the challenge these women represent, whether we are men trying to understand or women trying to find our voices within the tradition of faith found in the New Testament. Chapter one discusses three women of expectant faith. Chapters two and three deal with women who are changed by Jesus. Chapter four focuses on New Testament women of influence. Chapters five and six show how women disciples spread and gave shape to the gospel message. Chapters are *Women of Expectant Faith*, "Women Changed by Jesus," "More Women Changed by Jesus," "Women of Prominence," "Women and Discipleship," and "More Women and Discipleship." Mary Ann Getty-Sullivan, PhD, teaches at St. Vincent College and St. Vincent Seminary, Latrobe, Pennsylvania. She is the author of *First and Second Corinthians* from the Collegeville Bible Commentary series, author of the *God Speaks to Us* series of children's books, and editor of the *Zacchaeus Studies: New Testament* series published by The Liturgical Press.

role of women in the new testament: The IVP Women's Bible Commentary Catherine Clark Kroeger, Mary J. Evans, 2002 This commentary edited by Catherine Clark Kroeger and Mary Evans is an attempt to answer the question, What happens when we look at Scripture through women's eyes? New and helpful insights from an international team of scholars show how Scripture is relevant to women and men alike, making it a wonderful complement to other commentaries.

role of women in the new testament: The Ministry of Women in the New Testament Dorothy A. Lee, 2021-02-16 Respected scholar Dorothy Lee considers evidence from the New Testament and early church to show that women's ministry is confirmed by the biblical witness. Her comprehensive examination explores the roles women played in the Gospels and the Pauline corpus, with a particular focus on passages that have been used in the past to limit women's ministry. She argues that women in the New Testament were not only valued as disciples but also given leadership roles, which has implications for the contemporary church.

role of women in the new testament: Women of the New Testament Phyllis Le Peau, 2015-11-19 Lydia shows us how to influence the people around us. Elizabeth's life challenges us to care for others. Other women like Herodias and Sapphira warn us against turning away from God toward bitterness and dishonesty. In meeting each of these women, you will grow deeper in your understanding of what it means to be a disciple. This revised title features questions for starting group discussions and for meeting God in personal reflection, as well as a now or later section in each study. This book contains ten studies and in addition to the women above includes sessions on Mary, Mary and Martha, Euodia and Syntyche, and Priscilla.

role of women in the new testament: Women in the New Testament Bonnie Bowman Thurston, 2004-02-18 Bonnie Thurston examines the personalities, place, and power of women in the New Testament. She provides a cultural and religious context for them by briefly outlining the

position of women in the Greco-Roman world. The aim is to reveal the ways in which early Christianity attempted to liberate people from oppression (particularly patriarchy), as well as to point out the places and ways in which the early Christian community compromised with the dominant society.

role of women in the new testament: Women of the New Testament The Navigators, Joyce Koo Dalrymple, 2023-06-06 Over 3 million LifeChange studies sold LifeChange Bible studies train you in good Bible study practices as you enjoy a robust and engaging topical study. Learn the skill as you study the Word. Your study of the Scriptures will never be the same! Women are everywhere in the New Testament. They follow and serve Jesus, seek Him for healing, and play creative and essential roles in the early church. For much of our history, however, their stories have been mediated and interpreted through a male-centric lens. This may mean that you will be surprised when you see what an active and courageous role women played in the days when Jesus and His apostles announced the arrival of the Kingdom of God and the role Jesus continues to invite all of His disciples into today. In this LifeChange study guide, we will study how Jesus welcomes marginalized and culturally neglected people as disciples, publicly affirms their faith as examples for others, and empowers them to lead and use their gifts. Over the course of 8 sessions, we will learn about . . . Mary and Elizabeth The Samaritan Woman The Bleeding Woman The Canaanite Woman Martha Mary of Bethany Mary Magdalene The Women of Romans The LifeChange studies are optimized for small group use. Every study is broken down into 8-9 sessions of about 45 minutes. Each session includes: Questions, interpretation, and application of a passage to the topic Personally focused "Your Response" question "For Further Study" section that gives readers another passage to explore around the topic Callouts that include language study, historical context, and illuminating quotes from commentaries

role of women in the new testament: Women in the Old Testament, Part One Irene Nowell, OSB, Jaime L. Waters, 2024-08-15 In Scripture we encounter God and come to know God's people. Women in the Old Testament, Part One, takes you on a journey through Israel's beginnings, Israel's captivity and freedom, and Israel's tribal period from the perspective of the earliest women of salvation history, such as Sarah, Deborah, and Ruth. Guided by the classic commentary of Irene Nowell, OSB, and the contemporary scholarship of Jaime Waters, enter into these ancient stories of women of the Bible that remain rich and relevant for believers today. Commentary, study and reflection questions, prayers, and access to online lectures are included. 5 lessons.

role of women in the new testament: Women in the Old Testament, Part Two Irene Nowell, 2024-08-05 While we may know the Bible stories of Israel's military leaders, kings, and prophets, we are often less familiar with the stories of the women who helped to establish a monarchy, defend Israel's interests, and reflect God's image in unique ways. In Women in the Old Testament, Part Two, a continuation of the classic commentary by Irene Nowell, OSB, in conversation with the contemporary voice of Jaime Waters, you will explore stories of women of the Bible such as Judith and Esther, whose complexities and gifts broke stereotypes and continue to reveal God to us. Commentary, study and reflection questions, prayers, and access to online lectures are included. 4 lessons.

role of women in the new testament: Women in the Old Testament, Part Two Irene Nowell, OSB, Jaime L. Waters, 2024-08-15 While we may know the Bible stories of Israel's military leaders, kings, and prophets, we are often less familiar with the stories of the women who helped to establish a monarchy, defend Israel's interests, and reflect God's image in unique ways. role of women in the new testament: *Feminist Companion to the Hebrew Bible in the New Testament* Athalya Brenner, 1996-01-01 This volume is part of a series which provides a fundamental resource for feminist biblical scholarship, containing a comprehensive selection of essays, both reprinted and specially written for the series, by leading feminist scholars. The contributors to this volume are Lyn Bechtel, Mark Bredin, Athalya Brenner, Edna Brocke, Carole Fontaine, Lillian Klein, Amy-Jill Levine, Judith Lieu, Heather McKay, Adele Reinhartz, Jane Schaberg, Marla Selvidge, Leonore Siegele-Wenschkewitz, Beverly Stratton, Arie Troost, Pieter van der Horst, and Bea Wyler. >

role of women in the new testament: *Women in the Biblical World: A Survey of Old and New Testament Perspectives* Elizabeth A. McCabe, 2009-12-22 Women in the Biblical World: A Survey of Old and New Testament Perspectives is a volume featuring the most current research in biblical scholarship. This collection will whet the reader's appetite for cutting-edge research and encourage a closer look at some of the familiar passages that may have been overlooked in the biblical text. New insights will be gained, a greater depth of understanding in the biblical text will be fostered, and a greater appreciation for women in the Bible will inevitably result from this unique compilation. Contributors featured in this volume have shared their papers in conference meetings at the regional or national levels at the Society of Biblical Literature or are already published authors as well as professors in biblical studies. Contributors: Lynn B.E. Jencks, Lee A. Johnson, Rev. Karen Fitz La Barge, William L. Lyons, Elizabeth A. McCabe, Julie Faith Parker, Victoria Phillips, Tammi J. Schneider, Hope Stephenson, Gail P.C. Streete

role of women in the new testament: *The Oxford Handbook of New Testament, Gender, and Sexuality* Benjamin H. Dunning, 2019-10-10 Over several decades, scholarship in New Testament and early Christianity has drawn attention both to the ways in which ancient Mediterranean conceptions of embodiment, sexual difference, and desire were fundamentally different from modern ones and also to important lines of genealogical connection between the past and the present. The result is that the study of gender and sexuality in early Christianity has become an increasingly complex undertaking. This is a complexity produced not only by the intricacies of conflicting historical data, but also by historicizing approaches that query the very terms of analysis whereby we inquire into these questions in the first place. Yet at the same time, recent work on these topics has produced a rich and nuanced body of scholarly literature that has contributed substantially to our understanding of early Christian history and also proved relevant to ongoing theological and social debates. The Oxford Handbook of Gender and Sexuality in the New Testament provides a roadmap to this lively scholarly landscape, introducing both students and other scholars to the relevant problems, debates, and issues. Leading scholars in the field offer original contributions by way of synthesis, critical interrogation, and proposals for future questions, hypotheses, and research trajectories.

role of women in the new testament: *Women and the Genesis of Christianity* Ben Witherington (III), Ben Witherington, 1990-06-29 This book presents in as clear a way as possible the New Testament material dealing with women and their roles in the context of the movement Jesus began. Dr Witherington begins by illustrating the roles of women in Judaism, in the Hellenistic world, and in the Roman Empire. She goes on to show how Jesus broke significantly with convention in the way he viewed women and their roles, offering as he did a wholly new conception of the legitimate rights of women in society. An analysis follows of the apostle Paul's attitude toward women, which shows how he agreed with and differed from the ideas of his contemporaries. The concluding chapters discuss the evangelists, whose selection and presentation of material with respect to women casts much light on the early Church's understanding of women and their roles. This comprehensive survey, which avoids slanting its material to serve a modern patriarchal or

feminist bias, comes to the exciting conclusion that we can see in the New Testament an attempt to reform the patriarchal orientation of the day.

role of women in the new testament: Women and Men in the Fourth Gospel Margaret Beirne, 2004-10-19 The fourth gospel presents the reader with an early Christian text in which women and men are treated as a discipleship of equals.†? Margaret M. Beirne makes an argument for the existence in the gospel of six examples of gender pairs†? of characters (a widely-accepted Lukan feature). The members of each pair are portrayed in a parallel or contrasting faith encounter with the Johannine Jesus, that is of substantial theological importance to the gospel's stated purpose (John 20:31). Through close examination of these pairs, Beirne offers a reading of the Gospel which gives support to the equality of women and men with respect to the nature and value of their discipleship.

role of women in the new testament: The Role of Women Shirley Lees, Joyce Baldwin, 1984

role of women in the new testament: *101 Questions and Answers on Women in the New Testament* Judith Schubert, 2014 Judith Schubert responds to questions asked by students on the role of women in the New Testament and apostolic Church, and the impact this has had on women's role today.

role of women in the new testament: **Pastoral Epistles, Volume 46** Zondervan,, 2017-10-10 The Word Biblical Commentary delivers the best in biblical scholarship, from the leading scholars of our day who share a commitment to Scripture as divine revelation. This series emphasizes a thorough analysis of textual, linguistic, structural, and theological evidence. The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology. These widely acclaimed commentaries serve as exceptional resources for the professional theologian and instructor, the seminary or university student, the working minister, and everyone concerned with building theological understanding from a solid base of biblical scholarship. Overview of Commentary Organization Introduction—covers issues pertaining to the whole book, including context, date, authorship, composition, interpretive issues, purpose, and theology. Each section of the commentary includes: Pericope Bibliography—a helpful resource containing the most important works that pertain to each particular pericope. Translation—the author's own translation of the biblical text, reflecting the end result of exegesis and attending to Hebrew and Greek idiomatic usage of words, phrases, and tenses, yet in reasonably good English. Notes—the author's notes to the translation that address any textual variants, grammatical forms, syntactical constructions, basic meanings of words, and problems of translation. Form/Structure/Setting—a discussion of redaction, genre, sources, and tradition as they concern the origin of the pericope, its canonical form, and its relation to the biblical and extra-biblical contexts in order to illuminate the structure and character of the pericope. Rhetorical or compositional features important to understanding the passage are also introduced here. Comment—verse-by-verse interpretation of the text and dialogue with other interpreters, engaging with current opinion and scholarly research. Explanation—brings together all the results of the discussion in previous sections to expose the meaning and intention of the text at several levels: (1) within the context of the book itself; (2) its meaning in the OT or NT; (3) its place in the entire canon; (4) theological relevance to broader OT or NT issues. General Bibliography—occurring at the end of each volume, this extensive bibliography contains all sources used anywhere in the commentary.

role of women in the new testament: **Cultural Afterlives of Jesus** Gregory C. Jenks, 2023-06-20 This collection of essays explores the impact of Jesus within and beyond Christianity, including his many afterlives in literature and the arts, social just and world religions during the past two thousand years and especially in the present global context. This third volume focuses on the diverse afterlives of Jesus within contemporary culture and the arts. Moving beyond the explicitly religious afterlives traced in the first two volumes, this set of essay traces selected afterlives of Jesus within Indigenous cultures around the Pacific, as well as in the arts and in the contested fields of gender and sexuality. The contributors include religion scholars from diverse cultural contexts, as well as faith practitioners reflecting on Jesus within their own particular context. While the essays

are all grounded in critical scholarship, reflective practice, or both, they are expressed in nontechnical language that is accessible to interested nonspecialists.
