

im a new big brother little steps for big kids now im growing

****I'm a New Big Brother: Little Steps for Big Kids, Now I'm Growing****

im a new big brother little steps for big kids now im growing beautifully captures the unique journey a child embarks on when welcoming a new sibling into the family. Becoming a big brother is an exciting and sometimes challenging milestone, full of emotions, responsibilities, and learning opportunities. For young children, understanding their new role and growing into it can feel overwhelming, but with the right guidance and encouragement, those “little steps” truly become giant leaps in their development as caring, confident big kids.

Understanding the Journey: Little Steps for Big Kids

Taking on the role of a big brother is more than just a title—it's an invitation to grow emotionally, socially, and even cognitively. Whether a child is three, four, or five years old, the transition requires patience and support as they navigate new family dynamics. The phrase "little steps for big kids" reflects the gradual progress children make in adjusting to their new status. It's about celebrating small victories, like sharing toys or expressing affection, which build the foundation for their growth.

The Emotional Landscape of Becoming a Big Brother

Children often experience a whirlwind of feelings when a new sibling arrives. Excitement mingles with jealousy, pride with confusion. Recognizing these emotions is crucial for parents and caregivers. Here's what often happens inside a little big brother's heart:

- ****Excitement and Curiosity:**** Many kids are thrilled to have a new baby to love and protect. They ask endless questions about the baby's needs and development.
- ****Jealousy and Attention-Seeking:**** Sharing parental attention can be tough. Some children might act out or regress in behavior to reclaim focus.
- ****Pride and Responsibility:**** Being a big brother can boost self-esteem as kids feel important and helpful in caring for the baby.

Acknowledging and discussing these feelings openly helps children understand their emotions and feel validated during this big change.

Practical Tips for Helping Your Child Grow Into Their

Big Brother Role

Supporting a child's growth as a new big brother involves intentional actions that encourage positive behavior and emotional resilience. Here are some effective strategies:

- **Involve Them in Baby Care:** Simple tasks like fetching diapers or singing to the baby can make children feel included and responsible.
- **Create Special Big Brother Time:** Dedicate moments to one-on-one activities to reassure your child they're still important.
- **Read Books About Being a Big Sibling:** Stories tailored for young kids help normalize their experience and teach empathy.
- **Celebrate Their Achievements:** Praise your child's efforts in adapting and caring to reinforce positive behavior.
- **Encourage Expression:** Provide outlets for your child to express feelings through drawing, talking, or play.

These "little steps" nurture the development of empathy, patience, and maturity—qualities that distinguish "big kids" growing into their new role.

Im a New Big Brother Little Steps for Big Kids Now Im Growing: Building Confidence and Identity

The phrase "im a new big brother little steps for big kids now im growing" is more than a statement; it's a declaration of identity and growth. As children embrace their big brother role, they begin to see themselves differently, gaining confidence and a sense of purpose.

How Becoming a Big Brother Shapes a Child's Identity

When a child says, "I'm a big brother," it marks a shift in self-perception. They start to understand their impact on others and their place within the family. This new identity encourages:

- **Responsibility:** Caring for a sibling teaches accountability and reliability.
- **Empathy:** Understanding a baby's needs fosters compassion and nurturing behavior.
- **Leadership:** Older siblings often model behavior for younger ones, developing leadership skills.
- **Self-Worth:** Feeling needed and valued boosts self-esteem.

This transformation is gradual and requires encouragement. Parents can help by reinforcing positive roles and acknowledging growth.

Encouraging Growth Through Play and Learning

Play is a powerful tool for children to process new experiences. Integrating activities that reflect the big brother role can support a child's development in a fun and engaging way:

- **Role-Playing Games:** Pretending to care for dolls or stuffed animals mimics real-life caregiving.
- **Storytelling:** Creating stories about being a big brother helps children articulate feelings and ideas.
- **Interactive Books and Videos:** Media designed for big siblings can reinforce understanding and excitement.
- **Social Playdates:** Spending time with peers who have siblings can provide relatable experiences.

Through these activities, children practice empathy, problem-solving, and communication—skills essential for their evolving role.

Supporting Families During the Transition: Tips for Parents and Caregivers

The journey of “im a new big brother little steps for big kids now im growing” isn't just about the child; it's a family-wide adjustment. Parents play a pivotal role in smoothing this transition and ensuring everyone feels loved and valued.

Creating a Balanced Environment for All Children

Maintaining harmony requires balancing attention and nurturing for both the new baby and the older sibling. Parents can try:

1. **Maintaining Routines:** Keeping familiar schedules helps children feel secure.
2. **Designating Big Brother Roles:** Assign age-appropriate tasks to foster inclusion and pride.
3. **Open Communication:** Encourage children to share thoughts and reassure them

often.

4. **Positive Reinforcement:** Acknowledge kind and helpful behaviors towards the baby.
5. **Patience and Flexibility:** Understand that adjustment takes time and setbacks are normal.

By nurturing the big brother's growth, families build a loving foundation for sibling relationships to flourish.

Utilizing Resources and Support Networks

Parents need not navigate this transition alone. Numerous resources can aid families in making these little steps count:

- **Books and Educational Materials:** Titles specifically about becoming a big brother or sister.
- **Parenting Workshops:** Classes focusing on sibling dynamics and child development.
- **Support Groups:** Connecting with other families experiencing similar changes.
- **Professional Guidance:** Pediatricians and child psychologists can offer personalized advice.

Leveraging these tools enriches the experience and empowers parents and children alike.

Celebrating Growth: The Big Kid Steps Forward

As children embrace their role as a new big brother, each "little step" taken is a testament to their growing maturity and love. From learning patience to expressing care, these moments shape their character and relationships.

Watching a young child say, "I'm a big brother now," with pride is a reminder of the incredible journey of growth unfolding. It's a narrative of transformation where little kids take on big roles, learning, adapting, and shining brighter every day.

Embracing this process with sensitivity and enthusiasm makes all the difference, turning the arrival of a new sibling into a beautiful chapter of growth, connection, and joy for the whole family.

Frequently Asked Questions

How can I help my new baby sibling feel welcome as a big brother?

You can help by being gentle, spending time with your baby sibling, and showing them love and care. Talking to them softly and helping your parents with small tasks can make you a great big brother.

What are some fun activities for big kids to do with their new baby sibling?

Big kids can read picture books to their baby sibling, sing songs, play peek-a-boo, or help with simple toys that are safe for babies. This helps build a strong bond and makes growing up together fun.

How can I handle feelings of jealousy now that I have a new baby brother or sister?

It's normal to feel jealous sometimes. Talking to your parents about your feelings, spending special time with them, and remembering that the baby loves you too can help you feel better as you grow as a big brother.

What are some important responsibilities for a new big brother as the baby grows?

As a big brother, you can help by being a role model, helping with small chores, keeping the baby safe, and showing kindness. Your support helps your family and shows how much you're growing.

How can I explain to other big kids that I'm growing and taking on new responsibilities?

You can share stories about helping your baby sibling, talk about the new things you're learning, and show pride in being a big brother. This helps other kids understand your role and how you're growing up.

Additional Resources

****Navigating the Transition: "I'm a New Big Brother Little Steps for Big Kids Now I'm Growing"*****

im a new big brother little steps for big kids now im growing encapsulates a significant emotional and developmental phase for many children. This phrase, often associated with books, educational tools, and parenting resources, highlights the delicate transition a child experiences when welcoming a new sibling. The journey from being an only child to becoming a big brother or sister is complex, involving a mix of excitement, jealousy, pride, and adjustment. Understanding this process is crucial for parents,

educators, and caregivers aiming to support children as they grow and adapt within evolving family dynamics.

Understanding the Emotional Landscape of Becoming a Big Brother

The arrival of a new sibling is a milestone that reshapes family roles and relationships. For the older child, this shift can evoke a variety of emotions, ranging from joy and curiosity to insecurity and rivalry. The phrase "little steps for big kids now I'm growing" reflects the gradual and often non-linear process of emotional growth and responsibility that accompanies this new status.

Research in child psychology suggests that children between the ages of two and seven are particularly sensitive to changes in family structure. According to a study published by the Journal of Family Psychology, older siblings may exhibit behavioral changes such as regression, increased clinginess, or even acting out, as they negotiate their new role. This underscores the importance of resources that frame the older sibling's experience positively, helping them to see themselves as capable and important in the family hierarchy.

The Role of Educational Materials: Books and Tools for Big Kids

Books and educational tools branded under the "I'm a New Big Brother" theme serve a vital function in this transitional period. Titles that emphasize "little steps for big kids" often use simple language and relatable storytelling to validate the feelings of the older sibling. These materials typically highlight themes such as sharing attention, expressing emotions, and embracing responsibility in small, manageable increments.

In comparative analysis, interactive books that include activities or discussion prompts tend to be more effective than passive reading materials alone. For example, books with sections designed to engage the child—like drawing, storytelling, or naming feelings—help solidify understanding and encourage open communication between parent and child. This approach aligns with developmental theories that advocate for experiential learning and emotional literacy at an early age.

Features and Benefits of "I'm a New Big Brother" Resources

When evaluating resources aimed at helping children become big brothers or sisters, several key features stand out:

- **Age-appropriate language:** Materials tailored to the cognitive level of preschool and early school-aged children ensure comprehension and engagement.
- **Positive framing:** Emphasizing growth and pride in new roles reduces feelings of jealousy or resentment.
- **Inclusive illustrations:** Diverse representations help children from various backgrounds relate to the content.
- **Interactive elements:** Activities and prompts encourage active participation, reinforcing lessons.
- **Parental guidance sections:** Tips for caregivers enhance the effectiveness of the material by fostering supportive conversations.

The benefits of these features manifest in smoother familial transitions. Children who understand their evolving role tend to exhibit higher self-esteem and better sibling relationships. Furthermore, such resources can alleviate parental stress by providing structured means of addressing potential conflicts and emotional challenges.

Challenges and Considerations in Supporting Big Kids Growing Up

Despite the availability of educational resources, supporting a child's transition to big brother or sister is not without challenges. Not all children respond to the "little steps for big kids" approach equally. Factors such as temperament, age gap between siblings, and family dynamics influence how a child adapts.

Some children may resist the notion of "growing up" too quickly, feeling pressured by expectations tied to their new role. Others might struggle with sharing parental attention, leading to behavioral issues. Parents and caregivers must be attentive to these nuances, adjusting strategies accordingly.

Moreover, cultural differences play a role in how sibling roles are perceived and taught. In some cultures, older siblings are expected to take on significant caregiving responsibilities, while in others, the emphasis is on nurturing and emotional support. Resources that acknowledge and respect these differences tend to be more effective in diverse settings.

Implementing Effective Strategies for Helping the New Big Brother Thrive

Beyond books and educational tools, practical strategies are essential to facilitate a positive transition for the new big brother. Experts recommend a combination of

preparation, inclusion, and recognition:

1. **Preparation:** Introducing the concept of a new sibling well before the baby arrives helps set expectations.
2. **Inclusion:** Involving the older child in activities such as nursery setup or selecting baby clothes fosters a sense of involvement and responsibility.
3. **Recognition:** Celebrating milestones for the older sibling, like "big brother" badges or small rewards, reinforces positive identity.
4. **Open Communication:** Encouraging children to express feelings honestly helps parents address concerns before they escalate.

These strategies align closely with the educational messages found in "I'm a New Big Brother Little Steps for Big Kids Now I'm Growing" resources, creating a holistic approach to the transition process.

Long-Term Impact of Positive Sibling Transitions

The way a child navigates becoming a big brother can have lasting effects on sibling relationships and individual development. Positive early experiences contribute to stronger bonds and better social skills, while unresolved challenges may lead to persistent rivalry or emotional difficulties.

Studies indicate that siblings who experience supportive transitions often develop empathy, cooperation, and conflict-resolution skills that benefit them throughout life. Parents who actively engage with their children during this phase can mitigate common pitfalls, promoting healthier family dynamics.

In this context, the phrase "little steps for big kids now I'm growing" takes on a broader significance. It represents not just the immediate adjustment to a new sibling but the ongoing journey of maturation, responsibility, and familial connection.

The transition to becoming a big brother is undoubtedly a pivotal moment in a child's development. By leveraging age-appropriate resources and thoughtful strategies, parents and caregivers can support children as they take their "little steps" toward growing into their new roles. This process, while filled with challenges, offers rich opportunities for growth, learning, and deepening family bonds.

im a new big brother little steps for big kids now im growing: *This Is My Story* Tonya Lucas, 2017-07-18 Minister Tonya C. Lucas currently lives in Willingboro, New Jersey where she is surrounded by family and friends. She has spent a majority of her adult years in ROCHESTER NY where she began her long lasting walk with Christ. She has devoted her time to inspiring young women who are going through familiar situations giving them words of encouragement, as well as being living proof if you just believe you too can accomplish any and everything. A native of NEW YORK CITY Tonyas life has not always been easy but with every obstacle big or small she has never given up on her vision. She has been married to her husband Todd for 30 years. Their daughter Precious has given them the privilege of being wonderful grandparents to four beautiful grandchildren, two boys and two girls. Tonya plans to reopen her boutique shop (Tonyas Unique Boutique) someday where she plans to dedicate a lot of her spare time. Tonya continues to write and plans to release a part two of her book with hopes of blessing and encouraging more people the second time around. If you were to ask her how she is doing she would undoubtedly say I am blessed. After meeting this phenomenal women of God and hearing as well as seeing her strength, you too will know that she is not just blessed but TONYA C LUCAS is a force to be reckoned with.

im a new big brother little steps for big kids now im growing: *The New One* Jacqueline Turner Banks, 1994 Twelve-year-old twin brothers Judge and Jury fail to see eye to eye about whether to befriend the new black girl in their class at school and whether to interfere with their mother's plans to marry her boyfriend.

im a new big brother little steps for big kids now im growing: *Wild Child* B. Park-Dixon, 2011-09-06 'Wild Child' is set between the wars in Clewer newtown Windsor, and follows the life of Albert and his baby daughter Kathy. Albert had been shocked to learn that at the age of fifty one he was to become a father again for the fifth time, but when Kathy was born he and his wife Emily considered the birth of a healthy baby girl a blessing. But life dealt Albert a cruel hand when his wife died suddenly, leaving him to bring up a nine month old baby, while struggling to work a twelve hour day six days a week. At first his many relatives promised they would help, but it soon became clear that they could not be relied upon. When Albert discovered Kathy was being left on her own he realised he had wallowed in his own grief for too long and he vowed to do something about it. He did the only thing he could think of and that was to bring Edith, his eldest daughter, out of service to look after her sister. Edith, still only seventeen years old, had been in service since she was fourteen. She had already forged a new life for herself with the emphasis on fun. She loved to go out dancing

with her friend every night. She was distraught when her father came for her, this was something she had been dreading since her mother died. Edie loved her life she didn't want to look after a baby, let alone her three brothers and her father. It quickly became apparent that only Edith's life had changed dramatically, the others all carried on as before, she was expected to take over her mother's role, cooking, washing and caring for them. It all got too much for her and feeling full of resentment she left home following a blazing row with her dad. Kathy was only three years old... 'Wild Child' is the true story of my own mother's early years, modified from all the tales she told me and the parts of her story that she wrote down.

im a new big brother little steps for big kids now im growing: Ascendance of a Bookworm (Manga) Part 3 Volume 1 Miya Kazuki, 2023-06-07 To protect those she cares about from danger, Myne abandons the life she knows to become Rozemyne, the archduke's mana-rich adopted daughter. But her passion for books hasn't changed, nor does she hesitate to charge into another strange new world. In this biblio-fantasy by bookworms, for bookworms, the detailed setting continues to expand—and so too does the book-making industry!

im a new big brother little steps for big kids now im growing: A Stockport Trilogy Kenneth Gibbons, 2013 A STOCKPORT TRILOGY In part one A week or so following their wedding, the 'NEW PALADIUM' was showing a Laurel and Hardy comedy film, followed by the main feature Hold your Man with Jean Harlow and Clark Gable. It was described as 'A really gripping production, both intensely dramatic and romantic. A film for adults only. Little did they know that they were soon to be embroiled in a worldwide drama not just for adults, but children too? The 'gripping drama' that week was for six nights only. However, the drama of war, soon to be upon us was for 2,194 nights and days. In part two Babies had been born there. A mother, driven mad with hunger, screamed at me to give her 'milch fur meine kinder', and thrust the tiny mite into my arms, then wandered off unable to shed just one tear as she was so dehydrated. He said, as I opened the bundle, I found that the baby had been dead for days and stunk to high heaven. As he told us what he had seen, he really was in a bad way, with tears in his eyes, his whole being was trembling uncontrollably. As he wandered off he said, That day was the worst day of my life. Rumour has it that he was repatriated soon after. Poor kid The camp was Bergen Belsen concentration camp. In part three As I waited in line, I could see little of what was going on and as it turned out, was glad I could not see. When my turn came the nurse said are you Kenneth Gibbons, yes miss. My height and weight were recorded; I was quite weedy for my age. I remember being called Belsen once as I was so thin. I am sure it stopped as soon as people knew what it really meant. A listen to my chest and then the nurse said take your trousers down so the doctor can examine you. As I did not have any underpants on, and the fact that I was standing in front of a lady nurse, I was embarrassed beyond belief; The Doctor put his fingers at the side of my robin as mam called it and asked me to cough. Apparently, it was to assess the development of my genitals but I felt as if I had been naked in the middle of Mersey square.

im a new big brother little steps for big kids now im growing: The Step Family Janette

Rucker, 2010-06-22 The step family is about two families from different sides of the track trying to mend from Exs and bond into one family. Joshua grew up in foster homes until a wonderful Christian family brought him into their home and showed him what a real family was about and made him vow to always be there for his children unfortunately his trophy wife whose sole purpose of life was to be beautiful and marry rich but found out money bought diamonds and furs but it didnt buy happiness. Rita on the other hand not the beauty queen but having a beautiful heart that Joshua couldnt see growing up she married a man that was overlooked by the pretty girls until he got a few of Ritas dollars in his pocket and decided instead of a beautiful heart he wanted that beautiful face and body leaving Rita and their children and a chance for Rita to find her real prince but is love enough to keep these two step families together?

im a new big brother little steps for big kids now im growing: Legs Sofia Adams, 2016-03-09 Imagine yourself at the gym. You're wiping the sweat from your face after working out on the elliptical machine for 60 minutes. You're feeling fat and ugly, tired, and ready to take a hot shower when all of a sudden you see a gorgeous pair of man-legs standing in front of you. His backside is facing you. It's nice. You've never noticed him before. What do you do? Perhaps what Suzanne Thompson does? She checks out the rest of him and likes what she sees. But little does she know, that the legs she's admiring are those of mystery man, Robert LeClure III, billionaire-extraordinaire. He's got secrets that could destroy her. As time goes by, Suzy finds herself entertaining thoughts about him that leave her feeling unbelievably guilty, as she returns home each night to a husband she adores. Two wonderfully, amazing people from two completely different worlds become tangled up in a labyrinth of unexpected twists and turns that will change their lives forever.

im a new big brother little steps for big kids now im growing: *The Couple, Marriage, and Family Practitioner* Stephen V. Flynn, 2023-02-25 This textbook purposefully, professionally, and politically correctly covers CACREP standards and COAMFTE key elements and brings awareness to the application of systemic models and techniques in today's world. Current day concerns such as COVID-19, relevant social justice issues, and telebehavioral health are discussed along with ethical implications to help develop appropriate and timely systemic skills. Educators who are seeking a resource that provides an excellent and objective presentation of systemic history, ethics, skills, current issues, and even current topics more specifically related to youth will find this the ideal resource. Tracy Baldo Senstock, PhD Associate Dean, School of Counseling Walden University Delivers the knowledge and skills to help today's diverse clients in an increasingly complex world Sweeping in breadth and depth, this is the most comprehensive guide available to examine contemporary issues and interventions in couple, marriage, and family therapy. Designed for masters and doctoral level students, it helps clinicians to examine their professional identity; family systems and systems theory; current issues facing today's families, couples, and children; and how to apply skills, interventions, and assessments to provide optimal service to clients. The book is distinguished by its focus on the intersection of marriage and family therapy and the counseling professions. Also included is key information about multiculturalism, intersectionality, nontraditional families, and other social justice issues as well as a dedicated chapter centered on working with people of color and underrepresented couples and families. The text also covers issues affecting today's youth and relevant youth-based skills, interventions, and assessments; and contemporary issues related to crisis, disaster, mental health, technology, and telebehavioral health. Voices from the Field sections from diverse practitioners underscore important information. Each chapter provides clear definitions, descriptions, and relevant scholarship along with activities and examples showcasing the use of systemic theory, contextual issues, major interventions, relevant technology, and skills. Instructors will have access to an Instructor's Manual, a Test Bank, and chapter

PowerPoints. Key Features: Delivers an in-depth exploration of family-based issues, theories, and skills related to diversity, multiculturalism, intersectionality, and racism/discrimination Examines professional identity, the connection between contemporary issues and systemic theory, professional organizations, practice-based information, and more Uniquely addresses the integration of foundational counseling skills and systematic interventions Presents Voices from the Field, first-person accounts from diverse clinicians working with people of color, LGBTQIA+ clientele, and other underrepresented populations Each chapter includes student activities and additional resources to facilitate learning The Instructor's Manual provides a detailed matrix indicating how the text maps to CACREP and COAMFTE accreditation standards

im a new big brother little steps for big kids now im growing: But I'm NOT a Wicked Stepmother! Kathi Lipp, Carol Boley, 2015-02-19 Most little girls grow up dreaming of being a mom, but hardly any of them dream of becoming a stepmom. Nevertheless, approximately one million new stepfamilies are created every year. It's no secret, being a stepmother can be a living nightmare. But it can also be an enriching and rewarding experience—one that God can use to strengthen you, helping you survive and even thrive in the toughest job you never asked for. Written by two women who are stepmothers themselves—and know the difficulties of helping to raise someone else's children—this book is filled with down-to-earth insights and advice for stepmothers from stepmothers. It also offers expert guidance from pastors and counselors on such issues as roles, expectations, realistic goals, organization, finances, holidays, vacations, relationships with stepchildren, negotiation, forgiveness, healing the past, building a strong marriage with stepchildren on the scene, dealing with in-laws and ex-spouses, sexual tensions in stepfamilies, health, depression, stress, and much more. While there is no magic formula to guarantee stepmother success, encouragement and practical wisdom are available in this much-needed resource.

im a new big brother little steps for big kids now im growing: Trilogy Jon Fosse, 2023-01-31 Winner of the Nobel Prize in Literature for 2023 Trilogy is Jon Fosse's critically acclaimed, luminous love story about Asle and Alida, two lovers trying to find their place in this world. Homeless and sleepless, they wander around Bergen in the rain, trying to make a life for themselves and the child they expect. Through a rich web of historical, cultural, and theological allusions, Fosse constructs a modern parable of injustice, resistance, crime, and redemption. Consisting of three novellas (Wakefulness, Olav's Dreams, and Weariness), Trilogy is a haunting, mysterious, and poignant evocation of love, for which Fosse received The Nordic Council's Prize for Literature in 2015.

im a new big brother little steps for big kids now im growing: Fking Up the Buttons on a Babygrow** Drew Magary, 2013-08-08 Have you ever faked sleep at 3 a.m. in a perverse game of 'baby monitor chicken' with your partner? Or wondered exactly how dire the consequences of an incorrect measurement of formula might be? Have you fought off the urge to strangle the feral child who smeared something unidentifiable on the playground slide just before your toddler used it? Or fought off the urge to strangle your own while they repeatedly shout 'What's up f**kface?' to all and sundry during a trip to the supermarket? If you're a new parent, you've probably done at least one of the above. And if you have, it's OK, as Drew Magary expertly demonstrates in this hilarious book. Drew's commentary on the perils of modern-day fatherhood is so acutely observed, and so brilliantly told, that in a perfect world it would be advertised at NCT classes, endorsed by Gina Ford, and

handed out in every new parent's Bounty bag. Read it for yourself, give it your partner, or get it for anyone you know who you suspect might be about to fall into the parent trap . . .

im a new big brother little steps for big kids now im growing: *Breaking All The Rules* E H Shepherd, 2019-10-24 Nairobi In route to address a room filled with college-bound seniors my car dies. Pressed for time, I'm forced to do something I avoid like rule-breakers — public transportation. I hate subways and crowded buses; I evade them like men below my pay grade. Rule #5. I've sworn off the male population, because of my limited experience with them. If they knew my secret, I'd become a conquest. Twenty-eight years old, and no man has popped my cork, at least what Zaire, my sister, calls it. Despite my sexual reservations, crowded buses made me claustrophobic. I can't help noticing how handsome the bus driver, Theo Jameson, is. A green-eyed, square-jawed stunner captivates me at once. Theo's charm and good looks are a consolation for a crappy day. Against my better judgment, agree to go out with him. Set for an evening of cheap dining, I'm struck speechless when Theo invites me to one of D.C.'s choicest restaurants. Dressed to the nines, not what I expected. Theo looks powerful in control. Like he made important business decisions like the CEO of a multi-million-dollar company, it made little sense to me considering he drove a bus for a living. His story seemed murky and left me puzzled certain there is more to Theo Jameson than meets the eye. Theo I believe it's better to show than tell and let Nairobi think what she wants about me. Her mind made up already, although I don't hide my lifestyle from her. I'm referred to as, Prince of the City, by my closest friends. I don't mind the title and not far away from who I am. My heart is massive, and so is my bank account. Nairobi has placed me in the friends without benefits category, but I'm not okay with it. I could tell her I'm worth billions but know to win her heart; I first must gain her trust.
