Russian Gypsy Fortune Telling Cards: Unlocking Mysteries Through Ancient Traditions

russian gypsy fortune telling cards have long captivated the imagination of those intrigued by the mystical and the unknown. These cards, steeped in rich folklore and tradition, offer a unique window into the future, relationships, and personal insight, blending the art of divination with the cultural heritage of the Romani people in Russia. If you've ever wondered about the mysteries behind these cards or how they differ from other fortune-telling methods, you're in the right place. Let's embark on a fascinating journey into the world of Russian Gypsy fortune telling cards and uncover their secrets.

The Origins and Cultural Significance of Russian Gypsy Fortune Telling Cards

The history of fortune telling among the Romani, often referred to as "Gypsies," is as colorful and diverse as the people themselves. Russian Gypsy fortune telling cards are not merely tools for prediction; they are a reflection of centuries-old traditions passed down through generations. Historically, the Romani people migrated across Europe and Russia, bringing with them unique customs, including their methods of divination.

Russian Gypsy fortune telling cards are deeply intertwined with the nomadic lifestyle, relying heavily on symbolism and storytelling. Each card carries its own meaning, often linked to everyday life, nature, and the mystical world. Unlike traditional tarot decks, which have a fixed set of cards and imagery, Russian Gypsy cards sometimes vary in design and interpretation depending on the region and the fortune teller's lineage.

Understanding the Symbolism Behind the Cards

One of the most captivating aspects of Russian Gypsy fortune telling cards is their rich symbolism. The cards often feature images of animals, objects, and archetypal figures, each representing different energies or outcomes. For instance:

- **The Heart:** Represents love, relationships, and emotional connections.
- **The Ring:** Symbolizes commitment, contracts, or agreements.
- **The Coffin:** Indicates an ending or transformation, not necessarily death.
- **The Key:** Suggests unlocking secrets or the arrival of new opportunities.

These symbols are not just arbitrary; they resonate deeply with the human experience, allowing readers to weave narratives that feel personal and relevant.

How Russian Gypsy Fortune Telling Cards Work

If you're curious about how to read these cards or what to expect during a session, it's helpful to understand the basics behind their use. Russian Gypsy fortune telling cards function as a mirror to the subconscious, tapping into intuition and the power of suggestion.

The Card Reading Process

The process usually begins with the querent (the person seeking answers) posing a clear question or focusing on an area of their life they want insight into. The fortune teller then shuffles the deck, sometimes inviting the querent to participate to infuse their energy into the cards. Cards are then drawn in specific spreads, each position having a distinct meaning.

Some common spreads used with Russian Gypsy cards include:

- **Three-Card Spread:** Past, Present, Future
- **Five-Card Spread:** Exploring different aspects like love, career, obstacles, advice, and outcomes
- **Single Card Draw:** Quick insights or daily guidance

The interpretation combines the card's symbolic meaning with the fortune teller's intuition, often revealing hidden truths or potential paths.

What Sets Russian Gypsy Cards Apart from Other Decks?

While tarot and Lenormand cards are more widely known, Russian Gypsy fortune telling cards have distinct features:

- **Flexibility in Interpretation:** The meanings are more fluid, allowing for personalized readings.
- **Cultural Context:** The imagery and symbolism are rooted in Romani culture and Russian folklore.
- **Emphasis on Storytelling:** Each reading often unfolds like a narrative, making the experience immersive.

This distinctive approach appeals to those who enjoy a more intuitive and less rigid style of divination.

Incorporating Russian Gypsy Fortune Telling Cards into Your Spiritual Practice

Whether you're a beginner or an experienced card reader, Russian Gypsy fortune telling cards can be a powerful addition to your spiritual toolkit. Here are some tips to help you get started and deepen your connection with the cards:

Choosing the Right Deck

There are various versions of Russian Gypsy cards available, ranging from antique reproductions to modern designs inspired by traditional symbolism. When selecting a deck, consider:

- Your personal resonance with the artwork and imagery
- The authenticity of the deck's source or creator
- Supplementary materials, such as guidebooks that explain interpretations

Taking time to connect with your deck helps foster a stronger intuitive bond.

Creating a Sacred Space for Readings

Setting an intention and environment is essential for meaningful readings. Many practitioners recommend:

- Finding a quiet, comfortable space free from distractions
- Using candles, incense, or crystals to enhance focus
- Grounding yourself through meditation or deep breathing before shuffling the cards

These practices elevate the experience and encourage clarity during readings.

Practicing Regularly and Keeping a Journal

Like any skill, proficiency with Russian Gypsy fortune telling cards grows with practice. Make it a habit to draw cards daily or weekly, reflecting on the insights they offer. Maintaining a journal where you record spreads, interpretations, and outcomes can deepen your understanding and track your

progress.

Modern-Day Popularity and Where to Find Russian Gypsy Fortune Telling Cards

In recent years, there has been a resurgence of interest in traditional fortune-telling methods, including Russian Gypsy fortune telling cards. This revival is fueled by a growing fascination with folk magic, cultural heritage, and alternative spirituality.

Online Communities and Resources

The internet has become a valuable resource for enthusiasts seeking to learn and share knowledge about these cards. Websites, forums, and social media groups provide:

- Access to tutorials and video demonstrations
- Discussions about interpretations and spreads
- Opportunities to purchase authentic decks and related materials

Engaging with these communities can enhance your learning experience and connect you with like-minded individuals.

Workshops and Fortune Telling Events

In cities with strong Eastern European or Romani cultural influences, workshops and fairs sometimes feature Russian Gypsy fortune telling card readings. Attending such events allows you to experience firsthand the traditional methods and gain practical insights from seasoned readers.

Common Misconceptions About Russian Gypsy Fortune Telling Cards

Despite their allure, Russian Gypsy fortune telling cards often face stereotypes and misunderstandings. It's important to approach them with respect and an open mind.

Myth: The Cards Predict an Unchangeable Future

One common misconception is that these cards deliver fixed predictions. In reality, the cards provide guidance based on current energies and choices. They reveal possibilities rather than certainties, empowering individuals to make informed decisions.

Myth: Only “Gypsies” Can Read the Cards Accurately

While the tradition originates from Romani culture, anyone with dedication and respect can learn to read Russian Gypsy fortune telling cards effectively. The key lies in understanding the symbolism and developing intuition.

Myth: Fortune Telling is Purely Superstition

For many practitioners, these cards are tools for self-reflection and spiritual insight rather than mere superstition. They encourage mindfulness and awareness, blending ancient wisdom with personal growth.

Exploring Russian Gypsy fortune telling cards opens a doorway to a fascinating tradition rich in culture, symbolism, and mystery. Whether you seek answers, personal growth, or a deeper connection to intuitive practices, these cards offer a unique and enchanting path. As you delve into their meanings and stories, you may find that the true magic lies not just in the cards themselves, but in the journey of discovery they inspire.

Frequently Asked Questions

What are Russian Gypsy fortune telling cards?

Russian Gypsy fortune telling cards are a traditional deck used for divination and fortune telling, often featuring symbolic imagery reflecting aspects of life, emotions, and destiny, rooted in Romani culture in Russia.

How do Russian Gypsy fortune telling cards differ from Tarot cards?

Unlike Tarot cards, which have a standardized 78-card deck with specific suits and trump cards, Russian Gypsy fortune telling cards typically have fewer cards and use unique symbols and interpretations specific to Romani traditions.

Can beginners learn to read Russian Gypsy fortune telling

cards easily?

Yes, with practice and study of the card meanings and spreads, beginners can learn to read Russian Gypsy fortune telling cards. Many find them accessible due to their straightforward symbolism.

What types of questions can be asked during a reading with Russian Gypsy fortune telling cards?

These cards can be used to answer questions about love, relationships, career, health, and personal growth, providing insights and guidance based on the cards drawn.

Are Russian Gypsy fortune telling cards used for spiritual or entertainment purposes?

They are used for both spiritual guidance and entertainment. Many practitioners view readings as a way to connect with intuition and gain insights, while others use them for fun and social interaction.

Where can one purchase authentic Russian Gypsy fortune telling cards?

Authentic Russian Gypsy fortune telling cards can be found in specialty metaphysical shops, online marketplaces like Etsy, and stores specializing in divination tools.

What is the historical significance of Russian Gypsy fortune telling cards?

These cards have a rich cultural history among the Romani people in Russia, serving as a traditional method of divination passed down through generations, reflecting their unique worldview and heritage.

Are there online resources to learn how to read Russian Gypsy fortune telling cards?

Yes, there are numerous online tutorials, videos, and websites dedicated to teaching the meanings, spreads, and techniques for reading Russian Gypsy fortune telling cards.

Additional Resources

Russian Gypsy Fortune Telling Cards: An In-Depth Exploration of Tradition and Symbolism

russian gypsy fortune telling cards represent a fascinating subset of cartomancy that has intrigued enthusiasts and practitioners alike for centuries. Rooted in a blend of Romani culture and Russian mysticism, these cards offer a unique approach to divination that differs notably from more widely known systems such as the Tarot or Lenormand decks. This article delves into the historical context, symbolic elements, and practical applications of Russian Gypsy fortune telling cards, uncovering their enduring appeal in the realm of esoteric arts.

Historical Origins and Cultural Significance

The tradition of Russian Gypsy fortune telling cards is deeply intertwined with the nomadic lifestyle and rich cultural heritage of the Romani people in Eastern Europe. Unlike Western cartomancy, which often relies on standardized decks, the Russian Gypsy system evolved organically, drawing on local folklore, symbolism, and practical life experiences.

The cards themselves are typically simple yet evocative, often hand-painted or printed with vivid imagery that reflects everyday life, natural elements, and archetypal figures. These decks were historically used not only for divination but also as a means of storytelling within Romani communities, preserving oral histories and cultural values.

Distinctive Features of the Deck

One of the defining characteristics of Russian Gypsy fortune telling cards is their composition. While the exact number of cards can vary, many decks consist of 36 cards, similar to traditional playing cards, but with unique illustrations and meanings.

- **Symbolism:** Each card carries symbolic weight, often depicting animals, objects, or characters that resonate with Romani life and spiritual beliefs.
- **Interpretive Flexibility:** Unlike Tarot cards with fixed arcana, Russian Gypsy cards allow for fluid interpretation depending on the context of the reading and the intuition of the reader.
- **Visual Style:** The artwork tends to be colorful and expressive, reflecting the vibrancy of Gypsy culture and emphasizing emotional and situational cues.

Comparative Analysis: Russian Gypsy Cards vs. Other Divination Decks

When placed alongside other popular fortune telling systems, Russian Gypsy cards stand out for their accessibility and cultural specificity. Unlike Tarot decks, which often require extensive study to master the complex symbolism of the Major and Minor Arcana, Russian Gypsy cards offer a more straightforward, narrative-driven approach.

Additionally, compared to Lenormand cards, which feature a fixed set of 36 symbols with prescribed meanings, Russian Gypsy cards are often more fluid, encouraging the reader to engage with the cards on a personal and intuitive level. This flexibility can be both a strength and a limitation, depending on the user's proficiency.

Pros and Cons of Using Russian Gypsy Fortune Telling Cards

1. Pros:

- Easy to learn for beginners due to their intuitive imagery.
- Rich cultural and historical background enhances the reading experience.
- Versatility in interpretation allows personalized guidance.

2. Cons:

- Less standardized, which may challenge consistency in readings.
- Limited availability of authentic decks outside Eastern Europe.
- Fewer comprehensive guidebooks compared to Tarot or Lenormand.

Symbolism and Interpretation Techniques

A critical component of Russian Gypsy fortune telling cards is the emphasis on symbolism that resonates with human experiences—love, fortune, adversity, and destiny. Each card is a visual metaphor, inviting the reader to decode messages based on the interplay of images and their position in a spread.

Common Symbols and Their Meanings

- **The Horse:** Often symbolizes freedom, travel, and progress.
- **The Ring:** Represents commitment, contracts, and relationships.
- **The Coffin:** Indicates endings, transformation, or caution.
- **The Tree:** Symbolizes growth, health, and stability.
- **The Star:** Represents hope, guidance, and inspiration.

Readers typically employ spreads tailored to the question's scope, ranging from simple three-card draws to more elaborate configurations that examine past, present, and future influences. The interpretative process is deeply intuitive, relying on the reader's sensitivity to the querent's energy and the narrative emerging from the cards.

Modern Usage and Digital Adaptations

In recent years, the popularity of Russian Gypsy fortune telling cards has seen a resurgence, partly fueled by interest in ancestral cultures and alternative spiritual practices. Contemporary practitioners often combine traditional methods with modern tools such as online tutorials, forums, and digital card apps.

This digital transformation has made the Russian Gypsy system more accessible to a global audience, though purists may argue that the tactile and communal aspects of card reading are diminished in virtual formats. Nevertheless, online platforms have enabled a broader exchange of knowledge, promoting greater understanding and appreciation of this esoteric art.

Where to Find Authentic Russian Gypsy Cards

For those interested in exploring Russian Gypsy fortune telling cards, sourcing authentic decks is crucial. Specialty metaphysical shops, online marketplaces, and cultural fairs in Eastern Europe are reliable venues. Collectors and practitioners often seek decks that preserve traditional artwork and come with comprehensive interpretive guides.

Learning and Mastery: Approaching Russian Gypsy Cartomancy

Mastering Russian Gypsy fortune telling cards demands more than memorizing card meanings. It involves immersing oneself in the cultural context, developing intuitive skills, and practicing regularly. Many readers advocate for journaling card spreads and outcomes to deepen understanding and refine interpretive accuracy.

Workshops and mentorship from experienced practitioners can also enhance proficiency, offering insights into the nuances of symbolism and storytelling unique to this tradition.

Russian Gypsy fortune telling cards continue to captivate those drawn to the mystical and the culturally rich. Their blend of vivid symbolism, historical depth, and interpretive freedom offers a distinctive path within the broader landscape of divinatory arts. As interest grows, these cards promise to remain a compelling tool for self-reflection and guidance across diverse spiritual communities.

Russian Gypsy Fortune Telling Cards

russian gypsy fortune telling cards: Russian Gypsy Fortune-telling Cards Svetlana Alexandrovna Touchkoff, 1992

russian gypsy fortune telling cards: Reading Russian Fortunes Faith Wigzell, 1998-05-28 Reading Russian Fortunes examines the huge popularity and cultural impact of fortune-telling among urban and literate Russians from the eighteenth century to the present. Based partly on a study of the numerous editions of little fortune-telling books, especially those devoted to dream interpretation, it documents and analyses the social history of fortune-telling in terms of class and gender, at the same time considering the function of both amateur and professional fortune-telling in a literate modernizing society. Chapters are devoted to professional fortune-tellers and their clients, and to the publishers of the books. An analysis of the relationship between urban fortune-telling and traditional oral culture, where divination played a very significant role, leads on to a discussion of the underlying reasons for the persistence of fortune-telling in modern Russian society.

russian gypsy fortune telling cards: Russian Gypsy Fortune Telling U S Games Systems Staff, 1997-12-01 Based on gypsy teachings of 19th century Russia, the 25 stunning full color cards are illustrated by Kathleen M. Skelly and Svetlana Touchkoff Wilpink in the Russian Palekh style. Card size is 4 x 4. Set includes Russian Gypsy Fortune Telling Cards by Svetlana Alexandrovna Touchkoff, 182 pp. Ill. (hc).

russian gypsy fortune telling cards: The Beginner's Guide To Metaphysics Kimberly A. James, 2025-02-28 The Beginner's Guide to Metaphysics is an introduction into certain types of metaphysical knowledge that has been presented throughout time immemorial. It is by no means all inclusive. Some of the material presented dates back to Atlantis, Mu ("Lemurian") and Ancient Egyptian times. Recent discoveries are now indicating that Atlantis existed well over 13,000 years ago. It is the hope of this author to provide some basic insight into our Earthly perspective of the Universe, for our true understanding has been hidden for thousands of years. It should also be noted that the ultimate goal of this project is to broaden one's perspective and provide opportunities to expand one's consciousness, and not just individually, or even globally, but on a galactic level. The world in which we live is based upon metaphysics. The Greeks considered metaphysics to be one of the branches of philosophy. Merriam-Webster defines metaphysics as "a division of philosophy that is concerned with the fundamental nature of reality and being..." [emphasis added], which also includes the study of ontology, cosmology and epistemology. While physics is based upon our three dimensional existence and concerns the nature of matter and energy, the prefix meta refers to going beyond nature and the origin of reality itself. A few topics discussed in this Beginner's Guide include Chakras, Numerology, Intuition and Reincarnation. By having basic knowledge of each topic contained in this book, the opportunity to hone in on a specific subject that resonates with one's understanding of the universe will become clear. In turn, this will provide the reader the jump start needed to pursue a specific field of interest(s), and gain a greater understanding of the true limitlessness of every human being.

russian gypsy fortune telling cards: Tarot and Other Meditation Decks Emily E. Auger, 2023-03-20 Arthur E. Waite and artist Pamela Colman Smith's Rider-Waite Tarot (1909) is the most popular Tarot in the world. Today, it is affectionately referred to as the Rider-Waite-Smith Tarot in recognition of the high quality of Smith's contributions. Waite and Smith's deck has become the gold standard for identifying and analyzing contemporary Tarot and other meditation decks based on archetypes. Developments in both visual and literary history and theory have influenced Tarot since its fifteenth-century invention as a game and subsequent adaptations for esotericism, cartomancy, and meditation. This analysis consider Tarot in relation to established modern and postmodern art movements, such as Symbolism, Surrealism, and Pattern and Decoration Art, as well as the concepts and theories informing both the dominance and the dissolution of the modernist grid and hierarchical priorities. This work also explores the close connection between Tarot and the invention

of the literary novel and includes new material on the representation of Tarot in film and fiction. A new chapter addresses the growing influence of the archetypal shadow and shadow work on Tarot as an artistic form, narrative genre, and practice in the new millennium.

russian gypsy fortune telling cards: The Gangster's Wife David Leslie, 2011-01-18 For almost four decades, Margaret 'Mags' McGraw was a keeper of secrets. Her husband, Tam, the notorious 'Licensee', amassed a fortune by leading a safe-cracking gang before masterminding a spectacular £50-million drugs racket. Mags was a devotee of Tarot cards and fortune telling, so when Tam and his associates wondered whether luck would be with them, it was to her that they turned. But Mags discovered that the cards warned of much more than years in prison cells: they predicted death. She learned that her own husband was also doomed to a fate that was unexpected by everyone but her: Tam died in the arms of the wife he called his 'rock' while her secret lover frantically tried to save him. In *The Gangster's Wife*, Mags reveals her gripping life story, from being a London clippie through often hilarious days running an ice-cream van during the infamous Glasgow Ice Cream Wars to managing a notorious bar, being agony aunt to the toughest criminals around, hiding a secret love and sharing a life with The Licensee.

russian gypsy fortune telling cards: Tarot - Take Your Readings To The Next Level Jez Rogers, 2008-03-26 The secrets of successful tarot reading revealed. A reader with over 30 years experience takes tarot newbies through the cards step by step from first shuffle to first professional reading. Gives full meanings, a wide selection of spreads and explains how to give memorable readings. Includes chapters on using playings cards, links with astrology and how to quickly memorize cards and meanings. The aim of this book is to empower new readers by giving them the confidence to step up to reading professionally.

russian gypsy fortune telling cards: Das Schweizer Buch , 1996

russian gypsy fortune telling cards: Gypsy Sorcery and Fortune-telling Charles Godfrey Leland, 1891 Book may have numerous typos, missing text, images, or index. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. 1891. Excerpt: ... CHAPTER XIV.' A GYPSY MAGIC SPELL. HOKKANI BASO LELLIN DUDIKABIN, OR THE GREAT SECRET CHILDREN'S RHYMES AND INCANTATIONS TEN LITTLE INDIAN BOYS AND TEN LITTLE ACORN GIRLS OF MARCELLUS BURDI- GALENSIS. HERE is a meaningless rhyme very common among children. It is repeated while counting off --or out --those who are taking part in a game, and allotting to each a place. There are many versions of it, but the following is exactly word for word what I learned when a boy in Philadelphia: -- Ekkeri (or ickery), akkery, u-kcry an, Fillisi', follasy, Nicholas John, Queebie - quabee -- Irishman (or, Irish Mary), Stingle 'em--stangle 'em--buck! With a very little alteration This chapter is reproduced, but with much addition, from one in my work entitled *The Gypsies*, published in Boston, 1881, by Houghton and Mifflin. London: Trubner Sc Co. The addition will be the most interesting portion to the folk-lorist. in sounds, and not more than children make of these verses in different places, this may be read as follows: -- Ek-keri (yekori) akairi, you kair an, Fillissin, follasy, Nakelas jan Kivi, kavi--Irishman, Stini, stani--buck! This is, of course, nonsense, but it is Romany or gypsy nonsense, and it may be thus translated very accurately: -- First--here--you begin! Castle, gloves. You don't play! Go on! Kivi--a kettle. How are you? Stdni, buck. The common version of the rhyme begins with-- One--ery--two--ery, ickery an. But one-ery is an exact translation of ek-keri; ek, or yek, meaning one in gypsy. (Ek-orus, or yek-korus, means once). And it is remarkable that in-- Hickory dickory dock, The rat ran up the clock, The clock struck one, And down he run, Hickory dickory dock. We have hickory, or ek-keri, again followed by a significant one. It may be observed that while my firs...

russian gypsy fortune telling cards: Trans-incidental American Adventures via the Railways Erik "Skippy" Sund, 2014-09-25 In a bygone era, traveling across the country meant taking a train to your destination. Both wealthy and poor alike would ride the rails to complete whatever task, business or pleasure they had. Generations have romanticized this mode of travel and in our modern age it seems that many people are more likely to take a plane or a car. Have you ever wanted to hop on a train like a hobo and see where it takes you? Join Erik Skippy Sund as he rides the rails to cities

across America to find out who and how people travel across the country. This three month trek to discover transit across America and see what it takes to undertake a journey where you never stop in one place for more than a few days will give you a peek into how and why people travel.

russian gypsy fortune telling cards: Gypsy Sorcery and Fortune Telling - Illustrated by Numerous Incantations, Specimens of Medical Magic, Anecdotes and Tales Charles Godfrey Leland, 2015-10-28 This vintage work contains a collection of the customs, usages, and ceremonies used among gypsies, as regards fortune-telling, witch-doctoring, love-philtering, and other sorcery, illustrated by many anecdotes and instances, taken either from works as yet very little known to the English reader or from personal experiences. Within a very few years, since Ethnology and Archaeology have received a great inspiration, and much enlarged their scope through Folk-lore, everything relating to such subjects is studied with far greater interest and to much greater profit than was the case when they were cultivated in a languid, half-believing, half-sceptical spirit which was in reality rather one of mere romance than reason. Now that we seek with resolution to find the whole truth, be it based on materialism, spiritualism, or their identity, we are amazed to find that the realm of marvel and mystery, of wonder and poetry, connected with what we vaguely call "magic," far from being explained away or exploded, enlarges before us as we proceed, and that not into a mere cloudland, gorgeous land, but into a country of reality in which men of science who would once have disdained the mere thought thereof are beginning to stray.

russian gypsy fortune telling cards: Darkened Enlightenment Tim Delaney, 2020-04-27 The premise of *Darkened Enlightenment* is to highlight the fact that there currently exist a number of socio-political forces that have the design, or ultimate consequence, of trying to extinguish the light of reason and rationality. The book presents a critique of modernity and provides a socio-political and cultural analysis of world society in the early twenty-first century. Specifically, this analysis examines the deterioration of democracy, human rights, and rational thought. Key features include a combination of academic analysis that draws on numerous and specific examples of the growing darkness that surrounds us along with a balanced practical, everyday-life approach to the study of the socio-political world we live in through the use of popular culture references and featured boxes. The general audience will also be intrigued by these same topics that concern academics including: a discussion on the meaning of fake news; attacks on the media and a declaration of the news media as the enemy of the people; the rise of populism and nationalism around the world; the deterioration of freedom and human rights globally; the growing economic disparity between the rich and the poor; attempts to devalue education; a growing disbelief in science; attacks on the environment; pseudoscience as a by-product of unreasoned and irrational thinking; the political swamp; the power elites and the deep state; and the variations of Big Business that impact our daily lives. This book will make a great contribution to such fields as sociology, philosophy, political science, environmental science, public administration, economics, psychology, and cultural studies.

russian gypsy fortune telling cards: Connecting Link , 1992

russian gypsy fortune telling cards: The Survey , 1928

russian gypsy fortune telling cards: Russian Futurism Vladimir Markov, 2006

russian gypsy fortune telling cards: A Cultural History of Tarot Helen Farley, 2009-08-13 The enigmatic and richly illustrative tarot deck reveals a host of strange and iconic mages, such as The Tower, The Wheel of Fortune, The Hanged Man and The Fool: over which loom the terrifying figures of Death and The Devil. The 21 numbered playing cards of tarot have always exerted strong fascination, way beyond their original purpose, and the multiple resonances of the deck are ubiquitous. From T S Eliot and his 'wicked pack of cards' in *The Waste Land* to the psychic divination of *Solitaire* in Ian Fleming's *Live and Let Die*; and from the satanic novels of Dennis Wheatley to the deck's adoption by New Age practitioners, the cards have in modern times become inseparably connected to the occult. They are now viewed as arguably the foremost medium of prophesying and foretelling. Yet, as the author shows, originally the tarot were used as recreational playing cards by the Italian nobility in the Renaissance. It was only much later, in the 18th and 19th centuries, that the deck became associated with esotericism before evolving finally into a diagnostic tool for mind,

body and spirit. This is the first book to explore the remarkably varied ways in which tarot has influenced culture. Tracing the changing patterns of the deck's use, from game to mysterious oracular device, Helen Farley examines tarot's emergence in 15th century Milan and discusses its later associations with astrology, kabbalah and the Age of Aquarius.

russian gypsy fortune telling cards: *Journal of the Gypsy Lore Society* , 1891

russian gypsy fortune telling cards: *The publishers weekly* , 1992

russian gypsy fortune telling cards: *New Age Journal* , 1993

russian gypsy fortune telling cards: *Russian Love Stories* Nadezhda L. Peterson, 2009

Russian Love Stories offers a broad range of narrative styles, philosophical agendas, and points of view from writers who insist on making love (be it familial love or between strangers, carnal or platonic, real or imagined) central in the lives of their characters. Although all the authors represented were born in the Soviet period, each was molded by a particular set of shared practices and beliefs, and all offer a distinctive perspective on their experience. The selections are evenly divided between men and women writers and those working in Russia or abroad. This anthology is anchored in the period from the middle of the twentieth century to the present, offering the reader an insider's view of Soviet and post-Soviet life. Yet the writer's position - sometimes from within that time, sometimes from the perspective of a backward glance at the past - is emphatically that of an outsider.
