dr martyn lloyd jones sermons: *Studies in the sermon on the mount* D Martyn Lloyd-Jones, Martin Lloyd-Williams, 2012-12-17 This is an exposition of Jesus' keynote sermon by one of the foremost preachers of the twentieth century. The essence of 60 consecutive sermons given over the course of more than a year at Westminster Chapel, London, is preserved in this contemporary devotional classic. The Sermon on the Mount is one of the most familiar passages in the Bible, but is also one of the most frequently misunderstood. For Martyn Lloyd-Jones, the failure of the church

today to appropriate its message is a telling symptom of its superficiality, ineffectiveness and unattractiveness. 'The Doctor', as he was affectionately known, shows the remedy for the church's lamentable weakness in Jesus' lakeside teaching, which he explains and applies memorably, through the Sermon's rainbow of themes - including blessedness, joy, spiritual mourning, salt and light, denying oneself, fasting, anxiety, discernment, self-deception, and the trials and tests of faith. dr martyn lloyd jones sermons: **Living Water** Martyn Lloyd-Jones, 2009-01-14 This substantial volume includes more than fifty never-before-published expository sermons on John 4 from one of the twentieth century's greatest preachers. It was just a conversation between two people by the side of a well in Samaria. One, a local woman, came to perform her daily task of drawing water. Another, a Jewish man tired from traveling, sat down for a drink. But he wasn't just any Jewish man, and this wasn't just any conversation. The man, Jesus, revealed himself as the Messiah, leading to the conversion of not only the Samaritan woman but many from her town. Now, for the first time, fifty-six sermons by Martyn Lloyd-Jones on this passage of Scripture are available in Living Water. Lloyd-Jones, known for his ability to clearly communicate profound theological concepts, digs into this familiar passage from the fourth chapter of the Gospel of John, exposing fresh layers of truth. His perceptive analysis is helpful for all who thirst for the living water that only Jesus can provide.

dr martyn lloyd jones sermons: **Preaching and Preachers** Martyn Lloyd-Jones, 2012-10-11 Some may object to my dogmatic assertions; but I do not apologise for them. Every preacher should believe strongly in his own method; and if I cannot persuade all of the rightness of mine, I can at least stimulate them to think and to consider other possibilities. I can say quite honestly that I would not cross the road to listen to myself preaching, and the preachers whom I have enjoyed most have been very different indeed in their method and style. But my business is not to describe them but to state what I believe to be right, however imperfectly I have put my own precepts into practice. I can only hope that the result will be of some help, and especially to young preachers called to this greatest of all tasks, and especially in these sad and evil times. With many others I pray that The Lord of the harvest may thrust forth many mighty preachers to proclaim 'the unsearchable riches of Christ!'

Gatgounis, 2022-06-03 Exegesis and Sermonic Development: The Path from Text to Sermon, by the Rev. Dr. George Gatgounis, Esq., provides in-depth guidance to producing sermons that are true to the biblical text so as to bring nourishment to our failing and feeble Church. It's one of the few exegetical works that starts with the spiritual consecration of the preacher, since the exegetical process must first begin with communion with the Holy Spirit. This work is an encyclopedia of sermonic development.

dr martyn lloyd jones sermons: Sinners in the Hands of an Angry God and Other Sermons Jonathan Edwards, 2017-09-05 Christ has thrown the door of mercy wide open, and He stands crying out to all to accept His call. Delivered more than 250 years ago, Sinners in the Hands of an Angry God by Jonathan Edwards remains the most famous sermon ever preached in American history. He presents a clear picture of the predicament of every sinner and lukewarm Christian, while showing how we can know we have God's favor, avoid the tricks of the devil, and find our reward in heaven. With compelling words and now-classic imagery, Edwards describes the shaky position of those who do not follow Christ and God's urgent call to receive His love and forgiveness today. This new, updated edition includes two other sermons that demonstrate the great mercy of God as well as Edwards' own pastoral heart: Pardon for the Greatest of Sinners and Many Mansions.

dr martyn lloyd jones sermons: Revival Martyn Lloyd-Jones, 1987-02-01 In every era the church needs revival—certainly today as much as ever. And in the heart of every committed Christian there is the longing for personal revival—to know the quality and depths of spiritual reality, and the presence of God in one's personal life. This was the deepest desire of Dr. Martyn Lloyd-Jones, one of the great 20th-century Bible expositors. It was also the purpose behind this series of messages which were first given on the 100th anniversary of the Great Revival which started in Wales, and swept across England and throughout the United States and to the far corners of the world. As Dr. Lloyd-Jones recognized, it is a rare time in the history of the church when there is a great outpouring of the Holy Spirit— and a time of special interest of every Christian who longs for revival today. As Dr. J. I. Packer writes in his foreword, Dr. Lloyd-Jones believed in the necessity of revival—that is, a quickening divine visitation—as the only vent that can avert ultimate spiritual disaster. The thrustful urgency of the sermons in this book testifies to the depth of his conviction that without revival in the church there is really no hope for the Western world at all. Dr. Lloyd-Jones deftly draws principles from the lives of Old and New Testament characters as well as expounding some of the great prayers of the Bible. Clearly and forcefully, he presents a masterful exposition of the circumstances accompanying revival in the past, why each generation needs it, and how it will come about today. We must come to the sovereign God, forsake our sin, and wait upon Him for this special, essential outpouring. God, bring us revival!

dr martyn lloyd jones sermons: The Message of the Sermon on the Mount John Stott, 2020-04-23 The followers of Jesus are to be different,' writes John Stott, 'different from both the nominal church and the secular world, different from both the religious and the irreligious. The Sermon on the Mount is the most complete delineation anywhere in the New Testament of the

Christian counter-culture. Here is a Christian value-system, ethical, standard, religious devotion, attitude to money, ambition, lifestyle and network of relationships - all of which are totally at variance with those in the non-Christian world. And this Christian counter-culture is the life of the Kingdom of God, a fully human life indeed but lived out under the divine rule.' In his careful exposition of the Sermon on the Mount, John Stott accurately expounds the biblical text and relates it to life today. Above all, the author says, he wants to let Christ speak this sermon again, this time to the modern world.
